Announcement of Open Season

Open Season is an annual period when beneficiaries can enroll in or make changes to their healthcare, dental and vision coverage for the next calendar year.

The TRICARE Open Season runs from November 14, 2022, through December 13, 2022, during which time

beneficiaries can enroll in or change their TRICARE Prime or TRICARE Select plan.

The Federal Employee Dental and Vision Insurance Program (FEDVIP) Open Season runs from November 14, 2022, through December 12, 2022. The U.S. Office of Personnel Management offers FEDVIP enrollment to qualified beneficiaries of the Military Health System, including TRICARE for Life beneficiaries. During the FEDVIP Open Season beneficiaries may enroll in or make changes to their dental and vision plans.

Any changes beneficiaries make during open season will take effect on January 1, 2023. If a beneficiary remains eligible and does not make any changes during Open Season, then their coverage will stay the same for 2023.

Annual Announcements

Beneficiaries may also call the Military Health System Nurse Advice Line (NAL) for health care guidance from a specially trained registered nurse. The NAL is available 24/7 to all TRICARE beneficiaries in the United States (U.S.) except those enrolled in the US Family Health Plan. Beneficiaries who live overseas can call the NAL for health care advice when traveling in the U.S., but must coordinate care with their Overseas Regional Call Center. For additional information, call the servicing TRICARE contractor or visit <https://www.tricare.mil/ContactUs/CallUs/NAL>.

Prime Service Area Changes: Prime Service Areas (PSAs) are geographic areas around military Medical Treatment Facilities and Base Realignment and Closure sites. PSAs ensure medical readiness of active duty members by adding to the capability and capacity of military hospitals and
