Title of Collection: DCIA Aging and Compliance Data Requirements for Guaranty Agencies.

OMB Control Number: 1845-0160.

Type of Review: An extension without change of a currently approved collection.

Respondents/Affected Public: Private Sector; State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 450.

Total Estimated Number of Annual Burden Hours: 1,188.

Abstract: The Department of Education (the Department) is requesting an extension of the currently approved Guaranty Agencies (GA) reporting requirements for Office of Management and Budget (OMB) approval. The reporting requirements include minor edits together with updated GA and FSA contacts.

The Department is required to report to the U.S. Department of the Treasury (Treasury) the status and condition of its non-tax debt portfolio in accordance with the requirements of the Debt Collection Improvement Act of 1996 (DCIA) and the Digital Accountability

and Transparency Act of 2014 (DATA Act). Receivable information is reported to Treasury via the Treasury Report on Receivables and Debt Collection Activities (previously called the TROR).

The Department is unable to prepare an accurate and compliant Treasury Report based on the data it currently receives from its GAs. The continuing guidance requires the GAs to age debt according to DCIA; report the eligibility of DCIA-aged debt for referral to the Treasury Offset Program (TOP); and report compliance with Form 1099-C reporting. The updated document is titled DCIA Aging and Compliance Data Requirements for Guaranty Agencies (the Requirements). The Department plans to issue the Requirements to the GAs in Fiscal Year 2023. The data requirements for GA's are not changing. The updated document includes minor edits together with updated GA and FSA contacts.

Dated: October 27, 2022.
