DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Air Act

On October 27, 2022, the Department of Justice lodged a proposed consent decree with the United States District Court for the Northern District of Iowa in the lawsuit entitled *United States v. Quad County Corn Processors Cooperative* Civil Action No. 5:22-cv-04057-CJW-MAR.

The United States filed this lawsuit under the Clean Air Act. The United States' complaint seeks injunctive relief and civil penalties for violations of the regulations that govern the renewable fuel program at the defendant's corn processing facility in Galva, Iowa. The consent decree requires the defendant to perform injunctive relief and pay a civil penalty of \$320,000 plus interest in installments over two years.

The publication of this notice opens a period for public comment on the proposed consent decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. Quad County Corn Processors Cooperative*, D.J. Ref. No. 90-5-2-1-12296. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:

NATIONAL SCIENCE FOUNDATION

Agency Information Collection Activities: Comment Request; Antarctic Conservation Act Application Permit Form

AGENCY: National Science Foundation.

ACTION: Notice.

SUMMARY: The National Science Foundation (NSF) is announcing plans to renew this collection. In accordance with the requirements of the Paperwork Reduction Act of 1995, we are providing opportunity for public comment on this action. After obtaining and considering public comment, NSF will prepare the submission requesting Office of Management and Budget (OMB) clearance of this collection for no longer than 3 years.

DATES: Written comments on this notice must be received by January 3, 2023 to be assured consideration. Comments received after that date will be considered to the extent practicable. Send comments to address below.

FOR FURTHER INFORMATION CONTACT: Suzanne H. Plimpton, Reports Clearance Officer, National Science Foundation, 2415 Eisenhower Avenue, Suite W18200, Alexandria, Virginia 22314; telephone (703) 292-7556; or send email to splimpto@nsf.gov. Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339, which is accessible 24 hours a day, 7 days a week, 365 days a year (including Federal holidays).

SUPPLEMENTARY INFORMATION:

Title of Collection: Antarctic Conservation Act Application Permit Form.

OMB Number: 3145-0034.

Expiration Date of Approval: December 31, 2022.

Type of Request: Intent to seek approval to renew an information collection.

Proposed Project: The current Antarctic Conservation Act Application

Permit Form (NSF 1078) has been in use for several years. The form requests general information, such as name, affiliation, location, etc., and more specific information as to the type of object to be taken (plant, native mammal, or native bird).

Use of the Information: The purpose of the regulations (45 CFR 670) is to conserve and protect the native mammals, birds, plants, and invertebrates of Antarctica and the ecosystem upon which they depend and to implement the Antarctic Conservation Act of 1978, Public Law 95-541, as amended by the Antarctic Science, Tourism, and Conservation Act of 1996, Public Law 104-227.

Burden on the Public: The Foundation estimates about 25 responses annually at 45 minutes per response; this computes to approximately 19 hours annually.

Dated: October 28, 2022.

SUPPLEMENTARY INFORMATION:

Comments: Comments regarding (a) whether the proposed collection of information is necessary for the proper performance of the functions of the NSF, including whether the information shall have practical utility; (b) the accuracy of the NSF’s estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, use, and clarity of the information on respondents; and (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to the points of contact in the **FOR FURTHER INFORMATION CONTACT** section.

Copies of the submission may be obtained by calling 703-292-7556. NSF may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number, and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Title of Collection: National Science Foundation (NSF) Polar Media Program Application Form for the Arctic and the U.S. Antarctic Program (USAP).

OMB Control No.: 3145-New.

Abstract: The purpose of the National Science Foundation (NSF) Polar Media Program is to raise awareness of the United States’ scientific and operational activities in the Arctic region and in Antarctica and the Southern Ocean. Members of the media can apply and be selected for the program whose reporting targets these activities and covers multiple media channels that will reach large and targeted audiences. This program supports the *President’s Memorandum Regarding Antarctica*, Memorandum 6646, that “The United States Antarctic Program shall be maintained at a level providing an

active and influential presence in Antarctica designed to support the range of U.S. Antarctic interests.”

The NSF Polar Media Program Application Form will collect information from media groups interested in participating in the program in response to an official yearly media call (example of a previous media call: https://www.nsf.gov/news/news_summ.jsp?cntn_id=295843). Information collected will include media contact information (first and last name, occupation, organization and organization website URL and reach, social media channel information, passport number, country, date of issuance, email address, mailing address, and phone number) in addition to organization travel desires, proposal information and specific criteria related to the proposal. Information collected will be the basis of selection for participating in the program.

Respondents: Individuals.

Estimated Number of Annual Respondents: 20.

Burden on the Public: Estimated 45 minutes to fill out the form, including the collection of data to fill in the fields. This information should be readily available for most interested parties. The estimated burden time is 15 hours.

Dated: October 31, 2022.

Suzanne H. Plimpton,

Reports Clearance Officer, National Science Foundation.
