A. Program Description**1. Purpose of the Program**

SECD supports projects that promote and partially or completely implement strategic community investment plans. These plans use the unique strengths of rural communities to advance prosperity. USDA Rural Development helps finance and/or fund these projects to build community prosperity by using community assets, identifying resources, convening partners and leveraging Federal, state, local or private funding.

In FY 2023, the Agency plans to implement SECD through reserving funds from the covered programs' appropriations as provided in 7 CFR part 1980, subpart K. This notice provides requirements to applicants submitting applications for the covered programs' reserved funds and establishes the above-mentioned priority effective upon the publication of this notice.

2. Statutory Authority

These funds are made available under the Authority of Section 6401 of the Agriculture Improvement Act of 2018 (Pub. L. 115–334); Consolidated Farm and Rural Development Act (7 U.S.C. 2008v).

3. The Covered Programs

Section 6401 of the 2018 Farm Bill (7 U.S.C. 2008v), authorizes any program under the Consolidated Farm and Rural Development Act (Pub. L. 87–128), as determined by the Secretary, to give priority to applications that support the implementation of multi-jurisdictional and multi-sectoral strategic community investment plans.

Accordingly, the Agency is giving priority to projects implementing strategic community investment plans in FY 23 through the following Rural Development programs:

- Community Facility Loans; see 7 CFR part 1942, subpart A.
- Community Facilities Grants; see 7 CFR part 3570, subpart B.
- Community Facilities Guaranteed Loans; see 7 CFR part 5001.
- Water and Waste Disposal Programs Guaranteed Loans; see 7 CFR part 5001.
- Water and Waste Loans and Grants; see 7 CFR part 1780.
- Rural Business Development Grants; see 7 CFR part 4280, subpart E.
- Community Connect Grants; see 7 CFR part 1739.

4. Application of Awards

The Agency will review, evaluate, and score each application based on the criteria specified in 7 CFR 1980.1020, to

award points for each program's competition for the SECD reserved funds.

B. Federal Award Information

Available Funds: The amount of reserved funds available for SECD projects is dependent on the amount of available appropriated funding provided to each of the covered programs during the fiscal year. The NOSA is being issued prior to passage of a final appropriations act for FY 2023. Once the FY 2023 funding amount is determined, the Agency will publish it on its website at <https://www.rd.usda.gov/newsroom/notices-solicitation-applications-nosas>.

For FY 2023 applications, the following table specifies the percentage of funds being reserved:

Performance Period: Performance period will vary by covered program.

Renewal or Supplemental Awards: N/A.

Type of Assistance Instrument: Grants, loans and loan guarantees.

C. Eligibility Information**1. Eligible Applicants**

To be considered for SECD reserved funds, both the applicant and project must meet the eligibility requirements of the covered program. These requirements vary among the covered programs and applicants should refer to the regulations for those programs, which are referenced in A.2. of this notice.

The agency supports community and regional planning through the SECD regulation without making any changes to the applicant eligibility requirements of the covered programs. The SECD regulation includes three criteria that a project must meet in order to be considered for the SECD reserve funding (see 7 CFR 1980.1010):

The first criterion, as noted above, is that the project meets the applicable eligibility requirements of the covered program for which the applicant is applying.

The second criterion is that the project is "carried out in a rural area" as defined in 7 CFR 1980.1005. As defined, this means either the entire project is physically located in a rural area, or all the beneficiaries of the service(s) provided through the project must either reside in or be located in a rural area. Note that the definition of "rural" varies among the covered programs and the Section 6401 regulation does not change those definitions. Therefore, the applicable program regulations as outlined in A.2. should be reviewed as necessary.

The third criterion is that the project supports partial or complete implementation of a strategic community investment plan on a multi-jurisdictional and multi-sectoral basis as defined in 7 CFR 1980.1005.

In order to be considered for the reserved funds from covered programs in FY 2023, applicants must (1) meet all requirements of the covered program; (2) meet all requirements in accordance with 7 CFR part 1980, subpart K (see 7 CFR 1980.1010); and (3) submit Form RD 1980–88 and the supporting documentation required in 7 CFR 1980.1015 with their program application which includes:

- Sufficient information to show that the project will be carried out in a rural area, as defined by the appropriate covered program; and
- Identification of any current or previous applications the applicant has submitted for funds from the covered programs.

2. Cost Sharing or Matching

All cost sharing, matching, and cost participation requirements of the applicable covered program apply to projects seeking SECD reserved funds.

3. Other

All other eligibility requirements (beyond those identified in C.1 of this notice) found in the covered programs' regulations applying to applicants, their projects, and the beneficiaries of those projects are unchanged by either this notice or the regulations for the SECD program (7 CFR part 1980 subpart K).

providing the UEI.
