

Privacy and Disclosure of Official Records and Information; Availability of Information and Records to the Public—20 CFR 401.40(b)&(c), 401.45, 401.55(b), 401.65(a), 401.100(a)&(b), 402.130, 402.185—0960—0566.

Under the Privacy and Disclosure of Official Records and Information regulations, SSA has established methods in which the public can consent to and authorize the release of records protected under the Privacy Act of 1974, 5 U.S.C. 552a of the United States Code, and request records accessible through the Freedom of Information Act (FOIA), 5 U.S.C. 552.

Consent for Release of Records

SSA obtains the required consent(s) (with certain exceptions specified by law) from anyone requesting information in SSA systems of records about another individual. We will not release information requested about an individual until we obtain the required consent from that individual. Under the Privacy Act of 1974 (5 U.S.C. 552a(b)),

individuals may give SSA written consent to disclose their personal information to a third party of their choosing. In addition, individuals may have multiple needs for the disclosure of their personal information, such as for qualification for a mortgage or pre-employment screenings.

a. Form SSA-3288 (Consent for Release of Information): Form SSA-3288, is SSA's preferred paper form for requests for disclosure of information based on the consent of the subject of the record. Respondents can download the SSA-3288 from *ssa.gov/forms*, obtain a copy at a local SSA field office, or request SSA mail a copy to them directly. Use of this form ensures compliance with SSA consent regulations at 20 CFR 401.100. SSA also collects consent on other writings, including non-SSA forms often used by large employers, that incorporate SSA-approved consent language.

b. Form SSA-3288-OP1 (Consent for Disclosure of Records Protected Under

the Privacy Act): The Form SSA-3288-OP1 will comply with the CASES Act, OMB M-21-04, and SSA consent regulations at 20 CFR 401.100.

The CASES Act directed OMB to develop templates for, among other things, electronic consents for SSA to disclose records protected by the Privacy Act of 1974 to third parties. OMB implemented that statutory directive in memorandum M-21-04. SSA developed the SSA-3288-OP1 pursuant to the CASES Act and M-21-04. The public will access the webform application that populates Form SSA-3288-OP1 on the internet by selecting the "Electronic Request for Consent to Disclose" link found at *www.ssa.gov/privacy*.

The respondents are individuals consenting to, authorizing, and requesting SSA disclosure of records protected by the *Privacy Act of 1974* to third parties.

Type of Request: Revision of an OMB-approved information collection.

BILLING CODE 4191-02-P

SURFACE TRANSPORTATION BOARD

[Docket No. AB 1327X]

Flats Industrial Inc. d/b/a Flats Industrial Railroad Company—Abandonment Exemption—in Cleveland, Ohio

Flats Industrial Inc. d/b/a Flats Industrial Railroad Company (FIR) has filed a verified notice of exemption under 49 CFR part 1152 subpart F—*Exempt Abandonments* to abandon approximately 1.85 miles of rail line, extending from milepost 10 to milepost 11.85 near West 41st Street in

Cleveland, Ohio (the Line), which constitutes FIR's entire railroad system.¹ The Line traverses U.S. Postal Service Zip Code 44113.

FIR has certified that: (1) during the past two years, FIR has provided no local or overhead traffic over the Line; (2) overhead traffic, if there were any, could be rerouted over other Lines; (3) no formal complaint filed by a user of rail service on the Line (or by state or local government on behalf of such user) regarding cessation of service over the Line either is pending with the Surface Transportation Board (Board) or has been decided in favor of a complainant within the two-year period; and (4) the requirements at 49 CFR 1105.7(b) and 1105.8(c) (notice of environmental and historic reports), 49 CFR 1105.12

¹ This is a republication of the notice of exemption originally served and published in the *Federal Register* on October 31, 2022 (87 FR 65640). This notice contains corrected information.

(newspaper publication), and 49 CFR 1152.50(d)(1) (notice to government agencies) have been met.

Where, as here, the carrier is abandoning its entire system, the Board does not normally impose labor protection under 49 U.S.C. 10502(g), unless the evidence indicates the existence of: (1) a corporate affiliate that will continue substantially similar rail operations, or (2) a corporate parent that will realize substantial financial benefits over and above relief from the burden of deficit operations by its subsidiary railroad. *See Honey Creek R.R.—Aban. Exemption—in Henry Cty., Ind.*, AB 865X (STB served Aug. 20, 2004); *Wellsville, Addison & Galeton R.R.—Aban.*, 354 I.C.C. 744 (1978); and *Northampton & Bath R.R.—Aban.*, 354 I.C.C. 784 (1978). According to FIR, after abandonment FIR's parent company and corporate affiliate will not continue similar operations, nor will FIR's parent

company realize substantial financial benefits over and above relief from the burden of its subsidiary railroad. Therefore, employee protection conditions will not be imposed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received,² this exemption will be effective on November 30, 2022, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,³ formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2), and interim trail use/rail banking requests under 49 CFR 1152.29 must be filed by November 10, 2022.⁴ Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by November 21, 2022.

All pleadings, referring to Docket No. AB 1327X, must be filed with the Surface Transportation Board either via e-filing on the Board's website or in writing addressed to 395 E Street SW, Washington, DC 20423-0001. In addition, a copy of each pleading must be served on FIR's representative, William A. Mullins, Baker & Miller PLLC, 2401 Pennsylvania Ave. NW, Suite 300, Washington, DC 20037.

If the verified notice contains false or misleading information, the exemption is void ab initio.

FIR has filed a combined environmental and historic report that addresses the potential effects, if any, of the abandonment on the environment and historic resources. OEA will issue a Draft Environmental Assessment (Draft EA) by November 4, 2022. The Draft EA will be available to interested persons on the Board's website, by writing to OEA, or by calling OEA at (202) 245-0294. Assistance for the hearing impaired is available through the Federal Relay Service at (800) 877-8339. Comments on environmental or historic preservation matters must be filed within 15 days after the Draft EA becomes available to the public.

² Persons interested in submitting an OFA must first file a formal expression of intent to file an offer, indicating the type of financial assistance they wish to provide (*i.e.*, subsidy or purchase) and demonstrating that they are preliminarily financially responsible. See 49 CFR 1152.27(c)(2)(i).

³ The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Office of Environmental Analysis (OEA) in its independent investigation) cannot be made before the exemption's effective date. See *Exemption of Out-of-Serv. Rail Lines*, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

⁴ Filing fees for OFAs and trail use requests can be found at 49 CFR 1002.2(f)(25) and (27), respectively.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), FIR shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the Line. If consummation has not been effected by FIR's filing of a notice of consummation by October 31, 2023, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available at www.stb.gov.

Decided: November 3, 2022.

By the Board, Mai T. Dinh, Director, Office of Proceedings.

Tammy Lowery,
Clearance Clerk.
