AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: In accordance with the Federal Advisory Committee Act (FACA) and the Public Health Service (PHS) Act, HHS is hereby giving notice that the Advisory Committee on Heritable Disorders in Newborns and Children (ACHDNC) has been renewed. The effective date of the charter renewal is November 10, 2022.

FOR FURTHER INFORMATION CONTACT:

Soohyun Kim, Acting Designated Federal Official, Maternal and Child Health Bureau, HRSA, 5600 Fishers Lane, 18N38A, Rockville, Maryland 20857; 301-594-4202; or skim@hrsa.gov.

SUPPLEMENTARY INFORMATION: The ACHDNC provides advice and recommendations to the Secretary of HHS (Secretary) on policy, program development, and other matters of significance concerning the activities under section 1111 of the PHS Act (42 U.S.C. 300b-10). The ACHDNC is also governed by the provisions of the FACA, as amended (5 U.S.C. App.), which sets forth standards for the formation and use of advisory committees. The ACHDNC advises the Secretary on the development of newborn screening activities, technologies, policies, guidelines, and programs for effectively reducing morbidity and mortality in newborns and children having, or at risk for, heritable disorders. The ACHDNC reviews and reports regularly on newborn and childhood screening practices, recommends improvements in the national newborn and childhood screening programs, and fulfills requirements stated in the authorizing legislation. In addition, the ACHDNC's recommendations regarding inclusion of additional conditions for screening on the Recommended Uniform Screening Panel, following adoption by the Secretary, are evidence-informed preventive health services provided for in the comprehensive guidelines supported by HRSA pursuant to section 2713 of the PHS Act (42 U.S.C. 300gg-13). Under this provision, non-grandfathered group health plans and

health insurance issuers offering non-grandfathered group or individual health insurance are required to provide insurance coverage without cost-sharing (a co-payment, co-insurance, or deductible) for preventive services for plan years (*i.e.*, policy years) beginning on or after the date that is 1 year from the Secretary's adoption of the condition for screening. The charter renewal for the ACHDNC was approved on November 4, 2022. The filing date for the ACHDNC charter renewal is November 10, 2022. Renewal of the ACHDNC charter gives authorization for the committee to operate until November 10, 2024.

A copy of the ACHDNC charter is available on the ACHDNC website at <https://www.hrsa.gov/advisory-committees/heritable-disorders/index.html>. A copy of the charter also can be obtained by accessing the FACA database that is maintained by the Committee Management Secretariat under the General Services Administration.
