SUPPLEMENTARY INFORMATION:

I. Background

The Secretary of the Department of Health and Human Services (the Secretary) is required by section 1833(t)(9)(A) of the Social Security Act (the Act), and allowed by section 222 of the Public Health Service Act (PHS Act) to consult with an expert outside panel, that is, the Advisory Panel (the Panel) on Hospital Outpatient Payment (HOP) regarding the clinical integrity of the Ambulatory Payment Classification (APC) groups and relative payment weights that are components of the Medicare Hospital Outpatient Prospective Payment System (OPPS), the appropriate supervision level for hospital outpatient therapeutic services, and OPPS APC rates for covered ambulatory surgical center (ASC) procedures.

The Panel is governed by the provisions of the Federal Advisory Committee Act (FACA) (Pub. L. 92-463, enacted October 6, 1972), as amended (5 U.S.C. appendix 2), which sets forth standards for the formation and use of advisory panels. The Panel may consider data collected or developed by entities and organizations (other than the Department of Health and Human Services) as part of their deliberations.

The Panel may also include a representative of a provider with ASC expertise, who shall advise CMS only on OPPS APC rates, as appropriate, impacting ASC covered procedures within the context and purview of the Panel's scope. The Secretary or a designee selects the Panel membership based upon either self-nominations or nominations submitted by Medicare providers and other interested organizations of candidates determined to have the required expertise. For supervision deliberations, the Panel may include members that represent the interests of Critical Access Hospitals, who advise CMS only regarding the level of supervision for hospital outpatient therapeutic services. New appointments are made in a manner that ensures a balanced membership under the Federal Advisory Committee Act guidelines.

The HOP Panel currently consists of 9 panel members. Six additional vacancies will occur in CY 2023. The list of current HOP Panel members are located in the Background section of this notice, as well as on the Advisory Panel on Hospital Outpatient Payment Committee page, on the FACA database website at: <https://www.facadatabase.gov/committee/committee.aspx?cid=1791&aid=76>.

Panel members serve on a voluntary basis, without compensation, according to an advance written agreement; however, for the meetings, CMS has a special interest in ensuring, while taking into account the nominee pool, that the Panel is diverse in all respects of the following: Geography; rural or urban practice; race, ethnicity, sex, and disability; medical or technical specialty; and type of hospital, hospital health system, or other Medicare provider subject to the OPPS.

Appointment to the HOP Panel shall be made without discrimination on the basis of age, race, ethnicity, gender, sexual orientation, disability, and cultural, religious, or socioeconomic status.

Based upon either self-nominations or nominations submitted through MEARIS™ by providers or interested organizations, the Secretary, or his or her designee, appoints new members to the Panel from among those candidates determined to have the required expertise. New appointments are made in a manner that ensures a balanced membership under the FACA guidelines.

Nominations for a person not serving on the committee may be reconsidered as committee vacancies arise, but should be updated and resubmitted no
