DEPARTMENT OF THE INTERIOR

Geological Survey

[GX23EF000COM00; OMB Control Number 1028-0092]

Agency information collection Activities; Submission to the Office of Management and Budget for Review and Approval; Topographic and Hydrography Data Grants

AGENCY: U.S. Geological Survey, Interior.

ACTION: Notice of Information Collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (PRA), the U.S. Geological Survey (USGS) is proposing to renew an information collection with revisions.

DATES: Interested persons are invited to submit comments on or before December 19, 2022.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function. U.S. Geological Survey, Information Collections Officer, 12201 Sunrise Valley Drive MS 159, Reston, VA 20192; or by email to gs-info_collections@usgs.gov. Please reference OMB Control Number 1028-0092 in the subject line of your comments.

FOR FURTHER INFORMATION CONTACT: To request additional information about this Information Collection Request (ICR), contact Susan Buto by email at sbuto@usgs.gov, or by telephone at 775-546-3059. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United

States should use the relay services offered within their country to make international calls to the point-of-contact in the United States. You may also view the ICR at <http://www.reginfo.gov/public/do/PRAMain>.

SUPPLEMENTARY INFORMATION: In accordance with the PRA and 5 CFR 1320.8(d)(1), we provide the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public’s reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

A **Federal Register** notice with a 60-day public comment period soliciting comments on this collection of information was published on December 22, 2021 (86 FR 72613). No comments were received.

As part of our continuing effort to reduce paperwork and respondent burdens, we are again soliciting comments from the public and other Federal agencies on the proposed ICR that is described below. We are especially interested in public comment addressing the following:

- (1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility;
- (2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used;
- (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and
- (4) How the agency might minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personally identifiable information (PII) in your comment, you should be aware that your entire comment—including your PII—may be made publicly available at any time. While you can ask us in your comment to withhold your PII from public review, we cannot guarantee that we will be able to do so.

Abstract: The USGS gathers topographic data through the 3D Elevation Program (3DEP) and, contingent on funding, the 3D Hydrography Program (3DHP). The primary goal of 3DEP is to systematically collect three-dimensional (3D) elevation data in the form of high-quality light detection and ranging (lidar) data for the conterminous United States, Hawaii, and the U.S. territories and to collect interferometric synthetic aperture radar (IfSAR) data for Alaska. The primary goal of the 3DHP is to leverage 3DEP data to create a high-precision, z-enabled representation of the surface waters of the United States and its territories. The implementation model for 3DEP is based on multi-agency partnership funding for topographic data acquisition, with the USGS leading management of the program to facilitate planning and acquisition and use of government contracts and partnership agreements for the broader community. The USGS issues an annual Broad Agency Announcement (BAA), which is a competitive solicitation issued to facilitate agreements with partners to collect lidar and derived elevation data for 3DEP. The BAA has been included in the annual Catalog of Federal Domestic Assistance under USGS 15.8 17. Federal agencies, state and local governments, tribes, academic institutions, and the private sector are eligible to submit proposals. The USGS collects information from applicants about their proposed topographic data collection and cost-sharing offers and then uses that information to determine grant awards. Implementation of 3DHP will follow the 3DEP model over time as funding permits. This ICR expands the scope of the collection to include proposals for both the 3DEP and 3DHP BAA activities.

Title of Collection: Topographic and Hydrography Data Grants.

OMB Control Number: 1028-0092.

Form Number: None

Type of Review: Extension of a currently approved collection with revision.

Respondents/Affected Public: Federal agencies, State and local governments, tribes, academic institutions, and the private sector.

Total Estimated Number of Annual Respondents: 80.

Total Estimated Number of Annual Responses: 80.

Estimated Completion Time per Response: 41 hours.

Total Estimated Number of Annual Burden Hours: 3,280.

Respondent’s Obligation: Voluntary.
Frequency of Collection: Annually.

Total Estimated Annual Nonhour Burden Cost: None.

An agency may not conduct or sponsor, nor is a person required to respond to, a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the PRA (44 U.S.C. 3501 *et seq.*).

Michael Tischler,

Director, USGS National Geospatial Program.

Bureau of Land Management

[LLCAD01000.223L1109AF.L12200000.FH0000.LXSSB0280000; MO#4500164048]

Notice of Temporary Annual Closure on Public Lands for the King of the Hammers Race, San Bernardino County, CA

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of temporary closure.

SUMMARY: As authorized under the provisions of the Federal Land Policy and Management Act of 1976, as amended, the Bureau of Land Management (BLM) is giving notice that certain public lands located near Johnson Valley, California, within the Johnson Valley Off-Highway Vehicle Recreation Area, will be temporarily closed to all public use to enhance public safety during Hammering Productions' annual King of the Hammers desert race authorized under a 5-year Special Recreation Permit (SRP).

DATES: This action is in effect for a 10-day period in January and February each year from 2023 through 2027 for the King of the Hammers race. The race takes place annually from approximately the end of January through mid-February. The next King of the Hammers closure will take place February 2–12, 2023. The week prior to the race will be dedicated to set up and the building of the short course. The BLM will post the dates for King of the Hammers, the dates of the temporary closures, and a map of the closure area at the main entry points into the Johnson Valley Off-Highway Vehicle Recreation Area, the California Desert District Office, the Barstow Field Office, and on the BLM website at the addresses provided below every year at least 30 days prior to the events.

ADDRESSES: California Desert District, 1201 Bird Springs Drive, Palm Springs

CA, 92262; Barstow Field Office, 2601 Barstow Road, Barstow CA, 92311; BLM website: www.blm.gov/california.

FOR FURTHER INFORMATION CONTACT:

Dana Stephenson, Outdoor Recreation Planner, 300 South Richmond Rd, Ridgecrest, CA 93555, telephone: (760) 384–5429, email: dstephenson@blm.gov. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: This closure applies to all public use, including pedestrian use and vehicles. Over the 5-year SRP (beginning in 2023 and ending in 2027), the annual 10-day closure will comply with the management plan for the area, ensuring that a minimum of three staging areas within the Johnson Valley Off-Highway Vehicle Recreation Area remain open to the public every weekend (Saturday and Sunday) throughout the closure period.

Exclusive Use: During the 10-day closure period, the closure area will be for the exclusive use of King of the Hammers participants, registered spectators for the King of the Hammers, and other authorized users with an authorized SRP valid for activities within the closure area.

Exceptions: Closure restrictions do not apply to medical and rescue personnel in the performance of their official duties; official United States military and Federal, State, and local law enforcement; Federal, State, and local officers and employees in the performance of their official duties; King of the Hammers event officials and race participants; vendors with a valid BLM SRP; and registered event spectators.

Enforcement: Any person who violates the temporary closure order may be tried before a United States Magistrate and fined in accordance with 18 U.S.C. 3571, imprisoned no more than 12 months under 43 U.S.C. 1733(a) and 43 CFR 8360.0–7, or both. In accordance with 43 CFR 8365.1–7, State or local officials may also impose penalties for violations of California law.

(Authority: 43 CFR 8360.0–7 and 8364.1).

Michelle Lynch,

BLM California Desert District Manager.

Notice of Filing of Plat of Survey; New Mexico

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of official filing.

SUMMARY: The plat of survey of the following described lands is scheduled to be officially filed 30 days after the date of this publication in the Bureau of Land Management (BLM), New Mexico Office, Santa Fe, New Mexico. The survey announced in this notice is necessary for the management of lands administered by the agency indicated.

ADDRESSES: This plat will be available for inspection in the New Mexico Office, Bureau of Land Management, 301 Dinosaur Trail, Santa Fe, New Mexico, 85004–4427. Protests of a survey should be sent to the New Mexico Director at the above address.

FOR FURTHER INFORMATION CONTACT:

Michael J. Purtee, Chief Cadastral Surveyor; (505) 761–8903; mpurtee@blm.gov. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Relay Service (FRS) at 1–800–877–8339 to contact the above individual during normal business hours. The FRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION:

New Mexico Principal Meridian, New Mexico

The plat, representing the conditional corrective resurvey of a portion of certain tracts in section 8, within the Pojoaque Grant, Township 19 North, Range 9 East, accepted November 9, 2022, for Group 1120, New Mexico.

This plat was prepared to correct the plat requested by the Bureau of Indian Affairs, Southwestern Region, accepted November 2, 2011, for Group 1120, New Mexico.

A person or party who wishes to protest against this survey must file a written notice of protest within 30 calendar days from the date of this publication with the New Mexico Director, Bureau of Land Management, stating that they wish to protest.

A statement of reasons for a protest may be filed with the notice of protest to the State Director, or the statement of reasons must be filed with the State Director within 30 days after the protest
