

summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 155 (17 CFR 230.155) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) provides safe harbors for a registered offering of securities from integration in two circumstances: (1) a registered offering that follows an abandoned private offering; and (2) a private offering that follows a withdrawn registered offering. Each of the rule's safe harbors imposes conditions designed to assure that there is a clean break between the abandoned offering and the later offering. In each safe harbor, these conditions include specified disclosure designed to assure that investors understand this break as they consider an investment decision in the later offering. We estimate Rule 155 takes approximately 4 hours per response to prepare and is filed by approximately 600 respondents annually. We estimate that 50% of the 4 hours per response (2 hours per response) is prepared by the filer for a total annual reporting burden of 1,200 hours (2 hours per response × 600 responses).

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication by January 17, 2023.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-814, OMB Control No. 3235-0764]

Submission for OMB Review; Comment Request; Extension: Rule 6c-11

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 6c-11 under the Investment Company Act of 1940 (the "Act") permits exchange-traded funds ("ETFs") that satisfy certain conditions to operate without first obtaining an exemptive order from the Commission. The rule was designed to create a consistent, transparent, and efficient regulatory framework for ETFs and facilitate greater competition and innovation among ETFs. Rule 6c-11 requires an ETF to disclose certain information on its website, to maintain certain records, and to adopt and implement written policies and procedures governing its constructions of baskets, as well as written policies and procedures that set forth detailed parameters for the construction and acceptance of custom baskets that are in the best interests of the ETF and its shareholders.

We estimate that the total hour burdens and time costs associated with rule 6c-11, including the burden associated with reviewing and updating website disclosures, recordkeeping, and reviewing and updating policies and procedures, will result in an average aggregate annual burden of 51,156 hours and an average aggregate time cost of \$1,248,912.

The requirements of this collection of information are mandatory. If information collected pursuant to rule 6c-11 is reviewed by the Commission's examination staff, it will be accorded the same level of confidentiality accorded to other responses provided to the Commission in the context of its examination and oversight program.

The public may view background documentation for this information collection at the following website: www.reginfo.gov. Find this particular information collection by selecting
