Agenda

The COAC will hear from the current subcommittees on the topics listed below:

1. The Next Generation Facilitation Subcommittee will provide updates on its task forces and working groups, including an update on the progress of the 21st Century Customs Framework (21CCF) and E-Commerce Task Forces. The 21CCF Task Force will provide an update on the work addressed this past quarter, which includes discussions with Partner Government Agencies (PGAs) and some of the discussion drafts of trade-related legislative proposals stemming from the 21CCF Task Force and Focus Group. The Automated Commercial Environment (ACE) 2.0 Working Group will provide an update regarding adding new members to the working group to help focus on the identified gaps and potential solutions for ACE 2.0 Modernization. Finally, the One United States Government (1USG) Working Group will provide updates on some of the discussions held this past quarter pertaining to involvement of PGAs in a trusted trader program, with benefits to the trade stakeholders, as well as single window automation with the PGAs.

2. The Rapid Response Subcommittee will provide updates for the Broker Modernization Working Group, Domestic Manufacturing and Production (DMAP) Working Group, and the United States-Mexico-Canada Agreement (USMCA) Working Group. The Broker Modernization Working Group currently meets monthly with the expectation that recommendations will be developed and submitted for consideration at an upcoming COAC public meeting. The DMAP Working Group meets bi-weekly to obtain input from industry stakeholders on trade enforcement areas affecting domestic manufacturers and producers. The USMCA Working Group has reconvened and meets bi-weekly. The focus of this working group is on Chapter 7 of the trade agreement, specifically the trilateral Committee on Trade Facilitation established pursuant to Article 7.24, which is composed of government representatives of each party to the USMCA.

3. The Secure Trade Lanes Subcommittee will provide updates on

its four active working groups: the Cross-Border Recognition Working Group, the Export Modernization Working Group, the In-Bond Working Group, and the Trade Partnership and Engagement Working Group. Recommendations for the committee's consideration are anticipated from the Export Modernization Working Group regarding export-related benefits for Customs Trade Partnership Against Terrorism (CTPAT) partners. The In-Bond Working Group plans to present recommendations for the committee's consideration related to the trade community's proposed regulatory revisions/updates to 19 CFR part 18. The Trade Partnership and Engagement Working Group continues to provide an opportunity for input on CTPAT Trade Compliance program development and implementation from trade members with broad subject matter expertise. The Cross-Border Recognition Working Group continues to work on developing recommendations for the committee's consideration regarding potential changes to the current joint inspection program (Unified Cargo Processing) and has continued its discussions on CBP's CTPAT program and Mexico's Authorized Economic Operator program to ensure alignment and compliance with the mutual recognition arrangement signed in 2014.

4. The Intelligent Enforcement Subcommittee will provide updates on the work completed and topics discussed in its working groups. The Antidumping/Countervailing Duty (AD/CVD) Working Group will provide updates regarding its work and discussions on importer compliance with AD/CVD requirements. The Intellectual Property Rights Working Group (IPRWG) will provide recommendations for the committee's consideration relating to the automation of the CBP detention and seizure process and suggested enhancements to the CBP IPR web page. The Bond Working Group will report on the ongoing discussions and status updates for eBond requirements. The Forced Labor Working Group will submit recommendations for the committee's consideration regarding the Uyghur Forced Labor Prevention Act (UFLPA). Meeting materials will be available on November 28, 2022, at: <http://www.cbp.gov/trade/stakeholder-engagement/coac/coac-public-meetings>.

Dated: November 14, 2022.

FOR FURTHER INFORMATION CONTACT: Megan Tsuyi, 202-594-7374, CISA_CybersecurityAdvisoryCommittee@cisa.dhs.gov.

SUPPLEMENTARY INFORMATION: The CISA Cybersecurity Advisory Committee was established under the National Defense

Authorization Act for Fiscal Year 2021, Public Law 116-283. Notice of this meeting is given under FACA, 5 U.S.C. Appendix (Pub. L. 92-463). The CISA Cybersecurity Advisory Committee advises the CISA Director on matters related to the development, refinement, and implementation of policies, programs, planning, and training pertaining to the cybersecurity mission of the Agency.

Agenda: The CISA Cybersecurity Advisory Committee will hold an in-person meeting on Tuesday, December 6, 2022, from 9:30 a.m. to 3:00 p.m. PST to discuss current CISA Cybersecurity Advisory Committee activities. The open session will include: (1) a period for public comment (2) a discussion on the status of previous CISA Cybersecurity Advisory Committee recommendations (3) a member roundtable on the CISA Cybersecurity Advisory Committee strategic focus for 2023, and (4) discussion on the CISA Cybersecurity Advisory Committee annual report.

The committee will also meet in a closed session from 9:30 a.m. to 12:30 p.m. PST to participate in an operational discussion that will address areas of critical cybersecurity vulnerabilities and priorities for CISA. Government officials will share sensitive information with CSAC members on initiatives and future security requirements for assessing cyber risks to critical infrastructure.

Basis for Closure: In accordance with section 10(d) of FACA and 5 U.S.C. 552b(c)(9)(B), *The Government in the Sunshine Act*, it has been determined that certain agenda items require closure, as the premature disclosure of the information that will be discussed would be likely to significantly frustrate implementation of proposed agency actions.

This agenda item addresses areas of CISA’s operations that include critical cybersecurity vulnerabilities and priorities for CISA. Government officials will share sensitive information with CSAC members on initiatives and future security requirements for assessing cyber risks to critical infrastructure.

As the premature disclosure of the information that will be discussed would be likely to significantly frustrate implementation of proposed agency action, this portion of the meeting is required to be closed pursuant to

section 10(d) of FACA and 5 U.S.C. 552b(c)(9)(B).

Megan M. Tsuyi,

Designated Federal Officer, CISA Cybersecurity Advisory Committee, Cybersecurity and Infrastructure Security Agency, Department of Homeland Security.

DEPARTMENT OF HOMELAND SECURITY

[Docket No. DHS-2022-0032

Privacy Act of 1974; System of Records

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: Notice of a Modified System of Records.

SUMMARY: In accordance with the Privacy Act of 1974, the Department of Homeland Security (DHS) proposes to modify a current DHS system of records titled, “DHS/Federal Emergency Management Agency (FEMA)-006 Citizen Corps Program System of Records” and retitle it, “DHS/FEMA-006 Individual and Community Preparedness Division System of Records.” This system of records allows DHS/FEMA to collect from and maintain records on individuals who contact the agency about their interest in preparedness and specific voluntary programs, register and participate in FEMA’s Individual and Community Preparedness Division (ICPD) programs, correspond with community stakeholder organizations, and receive survey responses. DHS/FEMA is updating this System of Records Notice to (1) revise the system name, (2) modify the system location, (3) update the purpose of the system, (4) update the authority for maintenance of the system, (5) revise the category of individuals covered by the system, (6) update the category of records in the system, (7) update record source categories; (8) update record access procedures; and (9) revise and add routine uses. Additionally, this notice includes non-substantive changes to simplify the formatting and text of the previously published notice. This modified system will be included in DHS’s inventory of record systems.

DATES: Submit comments on or before December 19, 2022. This modified system will be effective upon publication. New or modified routine uses will be effective December 19, 2022.
