

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01 and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a moving security zone lasting for the duration of time that the M/V FLEX AURORA is within the Corpus Christi Ship Channel and La Quinta Channel while loaded with cargo. It will prohibit entry within a 500 yard radius of M/V FLEX AURORA while the vessel is

transiting loaded within Corpus Christi Ship Channel and La Quinta Channel. It is categorically excluded from further review under L60 in Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

The Postal Service provides Commercial Base® pricing to online customers who prepare and pay for GXG shipments via USPS-approved payment methods (other than Click-N-Ship® service), with a discount below the published retail prices for GXG service. Priority Mail Express International

Priority Mail Express International (PMEI) service provides fast service to approximately 180 countries in 3–5 business days for many major markets, although the actual number of days may vary based upon origin, destination, and customs delays. PMEI with Money-Back Guarantee service is available for certain destinations. (Due to COVID–19 service impacts, PMEI with Money-Back Guarantee service has been suspended for several destinations until further notice. For more information, see the USPS Service Updates page on www.usps.com.) The price increase for PMEI service averages 6.0 percent. The Commercial Base price provides a discount below the published retail prices for customers who prepare and pay for PMEI shipments via permit imprint, online at USPS.com®, or as registered end-users using an authorized PC Postage vendor (with the exception

of Click-N-Ship service). Customers who prepare PMEI shipments via Click-N-Ship service pay retail prices.

Commercial Plus will be equivalent to Commercial Base; however, deeper discounting may still be available to customers through negotiated service agreements.

The Postal Service will continue to include PMEI service in customized contracts offered to customers who meet certain revenue thresholds and are willing to commit a larger amount of revenue to the USPS® for PMEI service and PMI service.

PMEI flat rate pricing continues to be available for Flat Rate Envelopes.

The Commercial Base price provides a discount below the published retail prices for customers who prepare and pay for FCPIS items via permit imprint or by USPS-approved online payment methods. Customers who prepare FCPIS shipments via Click-N-Ship service pay retail prices. Commercial Plus prices

The price increase for IPA is 3.5 percent. International Surface Airlift (ISAL) is like IPA except that once flown to the foreign destination, ISAL is entered into that country’s air or surface nonpriority mail system for delivery. ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 180

[EPA–HQ–OPP–2019–0601; FRL–10400–01–OCSPF]

2,6-Pyridinedicarboxylic Acid; Exemption From the Requirement of a Tolerance

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: This regulation establishes exemptions from the requirement of a tolerance for residues of 2,6-pyridinedicarboxylic acid, also known as DPA (CAS Reg. No. 499–83–2), when used as an inert ingredient in antimicrobial pesticide formulations for use on food contact surfaces in public eating places, dairy processing equipment, and food processing equipment and utensils and when used in pesticide formulations applied pre- and post-harvest to crops with an end-use concentration not to exceed 2 parts per million (ppm). EcoLab Inc. submitted a petition to EPA under the Federal Food, Drug, and Cosmetic Act (FFDCA), requesting the establishment of such exemptions from the requirement of a tolerance. This regulation eliminates the need to establish a maximum permissible level for residues of DPA.

DATES: This regulation is effective November 23, 2022. Objections and requests for hearings must be received on or before January 23, 2023 and must be filed in accordance with the instructions provided in 40 CFR part 178 (see also Unit I.C. of the **SUPPLEMENTARY INFORMATION**).

ADDRESSES: The docket for this action, identified by docket identification (ID) number EPA–HQ–OPP–2019–0601, is available at <https://www.regulations.gov> or at the Office of Pesticide Programs Regulatory Public Docket (OPP Docket) in the Environmental Protection Agency Docket Center (EPA/DC), West William Jefferson Clinton Bldg., Rm. 3334, 1301 Constitution Ave. NW, Washington, DC 20460–0001.
