

deadline specified in 19 CFR 351.218(d)(3)(i).⁴ No respondent interested party submitted a substantive response within the 50-day deadline. On September 20, 2022, Commerce notified the U.S. International Trade Commission that it did not receive an adequate substantive response from respondent interested parties in this sunset review.⁵ As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce is conducting an expedited (120-day) sunset review of the *Order*.

Scope of the Order

The merchandise covered by the *Order* is certain cased pencils of any shape or dimension which are writing and/or drawing instruments that feature cores of graphite or other materials, encased in wood and/or man-made materials, whether or not decorated and whether or not tipped (*e.g.*, with erasers, *etc.*) in any fashion, and either sharpened or unsharpened.

The subject merchandise is currently provided for in item 9609.10.10 of the Harmonized Tariff Schedule of the United States (HTSUS). While the HTSUS subheading is provided for convenience and customs purposes, the written description of the scope of this order is dispositive.⁶

Analysis of Comments Received

All issues raised in this sunset review are addressed in the accompanying Issues and Decision Memorandum.⁷ A list of topics discussed in the Issues and Decision Memorandum is included as an appendix to this notice. Final Results of Review

Pursuant to sections 751(c)(1) and 752(c)(1) and (3) of the Act, Commerce determines that revocation of the *Order* would be likely to lead to the continuation or recurrence of dumping, and that the magnitude of the margin likely to prevail is up to 53.65 percent.

Administrative Protective Order

This notice also serves as the only reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

We are issuing and publishing these final results and notice in accordance with sections 751(c), 752(c), and 777(i)(1) of the Act, and 19 CFR 351.218(e)(1)(ii)(C)(2) and 19 CFR 351.221(c)(5)(ii).

ACTION: Notice of public meeting.

SUMMARY: This notice sets forth the schedule and proposed agenda for a meeting of the Ocean Exploration Advisory Board (OEAB). OEAB members will discuss and provide advice on the Federal ocean exploration program, with a particular emphasis on the topics identified in the section on Matters to Be Considered.

DATES: The announced meeting is scheduled for Tuesday, November 29, 2022 from 12 p.m.–3 p.m. (EST).

FOR FURTHER INFORMATION CONTACT: Mr. David Turner, Designated Federal Officer, Ocean Exploration Advisory Board, National Oceanic and Atmospheric Administration, david.turner@noaa.gov or (859) 327-9661.

SUPPLEMENTARY INFORMATION: NOAA established the OEAB under the Federal Advisory Committee Act (FACA) and legislation that gives the agency statutory authority to operate an ocean exploration program and to coordinate a national program of ocean exploration. The OEAB advises NOAA leadership on strategic planning, exploration priorities, competitive ocean exploration grant programs, and other matters as the NOAA Administrator requests.

OEAB members represent government agencies, the private sector, academic institutions, and not-for-profit institutions involved in all facets of ocean exploration—from advanced technology to citizen exploration.

In addition to advising NOAA leadership, NOAA expects the OEAB to help to define and develop a national program of ocean exploration—a network of stakeholders and partnerships advancing national priorities for ocean exploration.

Matters To Be Considered: The OEAB will receive an overview of Ocean Exploration operations and information about NOAA's Ocean Exploration Cooperative Institute; receive an update on the status of a dedicated ocean exploration vessel; and learn about collateral duties. The board will discuss and deliberate on the topics. The agenda and other meeting materials will be made available on the OEAB website at <https://oeab.noaa.gov/>.

Status: The meeting will be open to the public via remote access. Please

check the agenda on the OEAB website to confirm the public comment period schedule.

The OEAB expects that public statements at its meetings will not be repetitive of previously submitted verbal or written statements. In general, each individual or group making a verbal presentation will be limited to three minutes. The Designated Federal Officer must receive written comments by November 27, 2022, to provide sufficient time for OEAB review. Written comments received after November 27, 2022, will be distributed to the OEAB but may not be reviewed prior to the meeting date.
