

automatically schedule a personal conference if we cannot approve their request for waiver of overpayment. We conduct these conferences face-to-face, via telephone, or through video teleconferences. Social Security beneficiaries and SSI recipients or their representatives may provide documents to demonstrate they are without fault in causing the overpayment and do not have the ability to repay the debt. They

may submit these documents by completing Form SSA-632, Request for Waiver of Overpayment Recovery (OMB No. 0960-0037); Form SSA-795, Statement of Claimant or Other Person (OMB No. 0960-0045); or through a personal statement submitted by mail, telephone, personal contact, or other suitable method, such as fax or email. This information collection satisfies the requirements for request for waiver of

recovery of an overpayment and allows individuals to pursue further levels of administrative appeal via personal conference. Respondents are Social Security Title II beneficiaries and Title XVI SSI recipients or their representatives seeking reconsideration of an SSA waiver decision.

*Type of Request:* Revision of an OMB-approved information collection.

[Docket No. FD 36612]

**Revolution Rail Holding Company, LLC—Acquisition Exemption—Saratoga and North Creek Railway, LLC**

Revolution Rail Holding Company, LLC (RRHC), a noncarrier, has filed a verified notice of exemption under 49 CFR 1150.31 to acquire from Saratoga and North Creek Railroad (SNCR)

approximately 29.71 miles of rail line between milepost NC 0.0 at North Creek, N.Y., and its terminus at milepost NC 29.71 near the former Tahawus Mine, as well as approximately 2.97 miles of passing tracks and siding (the Line).<sup>1</sup>

RRHC states that that it was the successful bidder in the March 2022 bankruptcy auction of SNCR's assets and it subsequently entered into an Amended Asset Purchase Agreement (the Agreement) with the Plan Administrator to purchase those assets, including the Line. (Verified Notice 5, 8-9, Ex. B.) RRHC further states that it is willing to assume the common carrier obligation and has partnered with SMS Rail Service, Inc. (SMS), a Class III rail carrier, to provide freight rail service on the Line if any service is requested in

<sup>1</sup> RRHC submitted its verified notice of exemption on April 20, 2022. However, by decision served on May 19, 2022, the effective date of the exemption was postponed because of uncertainty involving the interrelationship between RRHC's proposed acquisition exemption and the pending application for adverse abandonment of the Line filed by the New York State Department of Environmental Conservation (the Department) in Docket No. AB 1261. The Department filed letters addressing these issues on June 21, 2022, and July 19, 2022. By decision served November 18, 2022, the Board concluded that the uncertainty had been addressed and notice of RRHC's exemption could proceed.
