SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Qualitative Data Collection on Access to Food on and Near Military Installations; OMB Control Number 0704–AFMI.

Type of Request: New.

Number of Respondents: 360.

Responses per Respondent: 1.

Annual Responses: 360.

Average Burden per Response: 40 minutes.

Annual Burden Hours: 240.

Needs and Uses: The Military Community & Family Policy (MC&FP) within the DoD's Office of the Deputy Assistant Secretary of Defense is requesting Office of Management and Budget clearance for Qualitative Data Collection on Enlisted Service Member Access to Food on or Near Military Installations. MCFP will collect qualitative data through interviews and/or focus groups with Enlisted Active Duty Service members and spouses of Enlisted Active Duty Service members to understand the eating and spending patterns of the Enlisted military. Survey data has shown that 24% of the Active Duty Force report some level of food insecurity; the prevalence is higher in the Enlisted population and higher for those who live on-base than off-base. Similar data patterns were seen in the Active Duty Spouse Survey. At this time, little is known about the underlying causes of higher rates of food insecurity in the military, especially as it pertains to those who experience food insecurity while living on a base with dining facilities. Qualitative data collection will allow the DoD to collect data that will inform targeted initiatives to reduce food insecurity. Data collection will address the access to nutritious food and financial management of Service members and spouses' financial management practices.

Affected Public: Individuals or households.

Frequency: Once.

Respondent's Obligation: Voluntary.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Navy Casualty Assistance Forms; OPNAV Forms 1770/1, 1770/2, and 1770/3; OMB Control Number 0703–0076.

Type of Request: Extension without change.

Number of Respondents: 800.

Responses per Respondent: 2.5.

Annual Responses: 2,000.

Average Burden per Response: 39 minutes.

Annual Burden Hours: 1,300.

Needs and Uses: Navy Personnel Command is the Secretary of the Navy's office for the certification and administration of benefits in the event a Sailor is declared Duty Status, Whereabouts Unknown (DUSTWUN), Missing, or deceased—or incurs injuries or illness classified as Serious or Very Serious. Information must be collected from Sailors' Next of Kin in order to appropriately provide benefits and entitlements, as well as process travel requests and release their contact information to members of Congress. Respondents for each of the forms are family members and other individuals pertaining to a Sailor who dies or becomes seriously ill or injured. Responses are collected using OPNAV Form 1770/1, “Consent to Release Information;” OPNAV Form 1770/2, “Next of Kin Travel Request;” and OPNAV Form 1770/3, “Next of Kin Information.” The forms are completed in the presence of a Casualty Assistance Calls Officer (CACO), and the completed forms are retained by the CACO for submission to Navy Personnel Command. OPNAV 1770/1 is completed by a spouse, parent, or child of majority of a deceased Sailor to provide written permission to release their contact information to a member of Congress for condolence purposes. OPNAV 1770/2 is completed by a qualifying family member if they desire to travel to a funeral or command memorial of a deceased Sailor or travel to the bedside of a seriously ill or injured Sailor. OPNAV 1770/3 is completed for each Next of Kin and beneficiary in a deceased case. The form is used to collect pertinent data in order to process claims for benefits and entitlements. Each form that requires completion is done so through an interactive session between the CACO and the family member. If the family member does not desire to complete a form at a certain meeting, the event is rescheduled. The CACO will not leave the form with the family to fill out—the Navy takes pride in direct assistance to family members, and the form is talked through and completed at a time convenient for the family member. Completed forms are forwarded to case managers at Navy Casualty, and stored electronically in the Defense Casualty Information Processing System.

Affected Public: Individuals or households.

Frequency: On occasion.

Respondent's Obligation: Voluntary.
