1. Incorporation by Reference of Oral Findings of Fact and Rationale in Wholly Favorable Written Decisions (Bench Decision Regulation)—20 CFR 404.953 and 416.1453—0960-0694. If a judge makes a wholly favorable oral decision, including all the findings and rationale for the decision for a claimant of Title II or Title XVI payments, at an administrative appeals hearing, the judge sends a Notice of Decision (Form HA-82), as the records from the oral hearing preclude the need for a written decision. We call this the incorporation-by-reference process. In addition, as part of the information we include on the HA-82, if the involved parties want a record of the oral decision, they may submit a written request for these

records. As explained to the respondent on the HA-82, SSA collects identifying information under the aegis of sections 20 CFR 404.953 and 416.1453 of the Code of Federal Regulations to determine how to send interested individuals written records of a favorable incorporation-by-reference oral decision made at an administrative review hearing. Since SSA did not create a form for the public to use to request a written record of the decision, the involved parties send SSA their contact information and reference the hearing for which they would like a record to the hearings office indicated on the HA-82. SSA employees collect this information only once. The respondents are applicants for Disability Insurance Benefits and Supplemental Security Income (SSI) payments based on disability, or their representatives as applicable, who receive a fully favorable oral decision under the regulations cited above, and who choose to request a copy of the records for this decision.

Type of Request: Revision of an OMB-approved information collection.

| HA-82 | 2,500 | 1 | 5 | 208 | \$11.70* | \$2,434** |

* We based this figure on the average DI payments based on SSA's current FY 2022 data (<https://www.ssa.gov/legislation/2022factsheet.pdf>).
** This figure does not represent actual costs that SSA is imposing on recipients of Social Security payments to complete this application; rather, these are theoretical opportunity costs for the additional time respondents will spend to complete the application. There is no actual charge to respondents to complete the application.

2. Request for Waiver of Special Veterans Benefits (SVB) Overpayment Recovery or Change in Repayment Rate—20 CFR 408.900-408.950—0960-0698. Title VIII of the Social Security Act (Act) requires SSA to pay a monthly benefit to qualified World War II veterans who reside outside the United States. When SSA notes an overpayment in this SVB, we inform the beneficiary.

As part of the information we send, SSA explains how the beneficiary can request a waiver of recovery of the overpayment or a change in the repayment rate. SSA requests the respondent to submit Form SSA-2032-BK via mail to ensure SSA obtains the information necessary to establish whether the claimant meets the waiver of recovery provisions of the

overpayment, and to determine the repayment rate if we do not waive repayment. Respondents are SVB beneficiaries who have overpayments on their Title VIII record and wish to file a claim for waiver of recovery or change in repayment rate.

Type of Request: Revision of an OMB-approved information collection.

3. Methods for Conducting Personal Conferences When Waiver of Recovery of a Title II or Title XVI Overpayment Cannot Be Approved—20 CFR 404.506

& 416.557—0960-0769. SSA conducts personal conferences when we cannot approve a waiver of recovery of a Title II or Title XVI overpayment. The Act

and our regulatory citations require SSA to give overpaid Social Security beneficiaries and SSI recipients the right to request a waiver of recovery and

automatically schedule a personal conference if we cannot approve their request for waiver of overpayment. We conduct these conferences face-to-face, via telephone, or through video teleconferences. Social Security beneficiaries and SSI recipients or their representatives may provide documents to demonstrate they are without fault in causing the overpayment and do not have the ability to repay the debt. They

may submit these documents by completing Form SSA-632, Request for Waiver of Overpayment Recovery (OMB No. 0960-0037); Form SSA-795, Statement of Claimant or Other Person (OMB No. 0960-0045); or through a personal statement submitted by mail, telephone, personal contact, or other suitable method, such as fax or email. This information collection satisfies the requirements for request for waiver of

recovery of an overpayment and allows individuals to pursue further levels of administrative appeal via personal conference. Respondents are Social Security Title II beneficiaries and Title XVI SSI recipients or their representatives seeking reconsideration of an SSA waiver decision.

Type of Request: Revision of an OMB-approved information collection.

SURFACE TRANSPORTATION BOARD

[Docket No. FD 36612]

Revolution Rail Holding Company, LLC—Acquisition Exemption—Saratoga and North Creek Railway, LLC

Revolution Rail Holding Company, LLC (RRHC), a noncarrier, has filed a verified notice of exemption under 49 CFR 1150.31 to acquire from Saratoga and North Creek Railroad (SNCR)

approximately 29.71 miles of rail line between milepost NC 0.0 at North Creek, N.Y., and its terminus at milepost NC 29.71 near the former Tahawus Mine, as well as approximately 2.97 miles of passing tracks and siding (the Line).¹

RRHC states that that it was the successful bidder in the March 2022 bankruptcy auction of SNCR's assets and it subsequently entered into an Amended Asset Purchase Agreement (the Agreement) with the Plan Administrator to purchase those assets, including the Line. (Verified Notice 5, 8-9, Ex. B.) RRHC further states that it is willing to assume the common carrier obligation and has partnered with SMS Rail Service, Inc. (SMS), a Class III rail carrier, to provide freight rail service on the Line if any service is requested in

¹ RRHC submitted its verified notice of exemption on April 20, 2022. However, by decision served on May 19, 2022, the effective date of the exemption was postponed because of uncertainty involving the interrelationship between RRHC's proposed acquisition exemption and the pending application for adverse abandonment of the Line filed by the New York State Department of Environmental Conservation (the Department) in Docket No. AB 1261. The Department filed letters addressing these issues on June 21, 2022, and July 19, 2022. By decision served November 18, 2022, the Board concluded that the uncertainty had been addressed and notice of RRHC's exemption could proceed.
