SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–96415; File No. SR–FINRA–2022–031]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing of a Proposed Rule Change To Adopt FINRA Rules 6151 (Disclosure of Order Routing Information for NMS Securities) and 6470 (Disclosure of Order Routing Information for OTC Equity Securities)

November 30, 2022.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on November 16, 2022, the Financial Industry Regulatory Authority, Inc. (“FINRA”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by FINRA. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to adopt FINRA Rules 6151 (Disclosure of Order Routing

Information for NMS Securities) and 6470 (Disclosure of Order Routing Information for OTC Equity Securities) to require members to (i) publish order routing reports for orders in OTC Equity Securities, and (ii) submit their order routing reports for both OTC Equity Securities and NMS Securities to FINRA for publication on the FINRA website.

The text of the proposed rule change is available on FINRA's website at <http://www.finra.org>, at the principal office of FINRA and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Rule 606(a) of Regulation NMS³ (“SEC Rule 606(a)”) requires broker-dealers to publicly disclose specified information about their order routing practices for NMS Securities,⁴ including for non-directed orders in NMS stocks that are submitted on a “held” basis.⁵ The SEC has stated that, as a result of these disclosures, “customers—and retail investors in particular—that submit orders to their broker-dealers should be better able to assess the quality of order handling services

³ 17 CFR 242.606(a).

⁴ Generally, “NMS Securities” include listed stocks and options, and NMS stocks means any NMS Security other than an option. *See* 17 CFR 242.600(b).

⁵ *See* Securities Exchange Act Release No. 84528 (November 2, 2018), 83 FR 58338 (November 19, 2018) (Disclosure of Order Handling Information; Final Rule) (“2018 Amendments Release”). The SEC did not specifically define “held” or “not held” orders, but stated that typically a “not held” order provides the broker-dealer with price and time discretion in handling the order, whereas a broker-dealer must attempt to execute a “held” order immediately. *See id.* at 58340 n.19. As noted by the SEC in the 2018 Amendments Release, broker-dealers utilize the “held” and “not held” order classifications as a matter of industry practice and to comply with regulatory requirements, including audit trail reporting requirements and the definition of “covered order” in Rule 600(b) of Regulation NMS. *See id.* at 58344.

⁷ *Id.* at 3–4. This proposed change was published in the **Federal Register**. *See* 87 FR 73468–69 (Nov. 30, 2022).
