 Duty Administrative Review; 2020**

**AGENCY:** Enforcement and Compliance,

 Department of Commerce

**SUMMARY:** The U.S. Department of  
 Commerce (Commerce) determines that  
 POSCO, a producer/exporter of certain  
 carbon and alloy steel cut-to-length  
 plate (CTL plate) from the Republic of  
 Korea (Korea), received *de minimis* net  
 countervailable subsidies during the  
 period of review (POR), January 1, 2020,  
 through December 31, 2020.

**DATES:** Applicable December 6, 2022.

**SUPPLEMENTARY INFORMATION:**

**Background**

On June 3, 2022, Commerce published  
 the *Preliminary Results* of this

administrative review in the **Federal  
 Register**.<sup>1</sup> On August 15, 2022,  
 Commerce extended the deadline for the  
 final results of this review to no later  
 than November 30, 2022.<sup>2</sup> For a  
 complete description of the events that  
 followed the *Preliminary Results*, see  
 the Issues and Decision Memorandum.<sup>3</sup>

We conducted this review in  
 accordance with section 751 of the  
 Tariff Act of 1930, as amended (the Act).

**Scope of the Order**<sup>4</sup>

The merchandise covered by the  
*Order* is CTL plate. For a complete  
 description of the scope of the *Order*,  
 see the Issues and Decision  
 Memorandum.

**Analysis of Comments Received**

All issues raised in interested parties'  
 briefs are addressed in the Issues and  
 Decision Memorandum. A list of the  
 issues addressed is attached to this  
 notice at the appendix to this notice.  
 The Issues and Decision Memorandum  
 is a public document and is on file  
 electronically via Enforcement and  
 Compliance's Antidumping and  
 Countervailing Duty Centralized  
 Electronic Service System (ACCESS).  
 ACCESS is available to registered users  
 at <https://access.trade.gov>. In addition, a  
 complete version of the Issues and  
 Decision Memorandum can be accessed  
 directly at [https://access.trade.gov/

**Verification**

As provided in section 782(i) of the  
 Act, in September 2022, Commerce  
 conducted an on-site verification of the  
 subsidy information reported by  
 POSCO. We used standard on-site  
 verification procedures, including an  
 examination of relevant accounting  
 records and original source documents  
 provided by the respondent.

**Changes Since the Preliminary Results**

Based on our analysis of the case and  
 rebuttal briefs and the evidence on the

record, we made certain changes to  
 POSCO's countervailable subsidy  
 calculations from the *Preliminary  
 Results*. These changes are explained in  
 the Issues and Decision Memorandum.

**Final Results of Administrative Review**

In accordance with 19 CFR  
 351.221(b)(4)(i), we calculated an  
 individual net countervailable subsidy  
 rate for POSCO. Commerce determines  
 that, during the POR, the net  
 countervailable subsidy rate for the  
 producers/exporter under review is as  
 follows:

Producer/exporter	Subsidy rate (percent <i>ad valorem</i> )
POSCO <sup>5</sup> .....	0.33 ( <i>de minimis</i> ).

**Disclosure**

Commerce intends to disclose the  
 calculations performed for these final  
 results of review within five days of the  
 date of publication of this notice in the  
**Federal Register**.<sup>6</sup>

**Assessment Rates**

Pursuant to 19 CFR 351.212(b)(2),  
 Commerce will determine, and U.S.  
 Customs and Border Protection (CBP)  
 shall assess, countervailing duties on all  
 appropriate entries of subject  
 merchandise in accordance with the  
 final results of this review, for the  
 above-listed company at the applicable  
*ad valorem* assessment rate. We intend  
 to issue assessment instructions to CBP  
 no earlier than 35 days after the date of  
 publication of the final results of this  
 review in the **Federal Register**. If a  
 timely summons is filed at the U.S.  
 Court of International Trade, the  
 assessment instructions will direct CBP  
 not to liquidate relevant entries until the

<sup>5</sup> As discussed in the *Preliminary Results*,  
 Commerce found the following companies to be  
 cross-owned with POSCO: Pohang Scrap Recycling  
 Distribution Center Co., Ltd.; POSCO Chemical Co.,  
 Ltd.; POSCO M-Tech Co., Ltd.; POSCO Nippon  
 Steel RHF Joint Venture Co., Ltd.; POSCO SPS Co.,  
 Ltd.; and POSCO Terminal Co., Ltd. The subsidy  
 rate applies to all cross-owned companies. We  
 noted that POSCO has an affiliated trading  
 company through which it exported certain subject  
 merchandise during the POR, POSCO International  
 (aka POSCO International Corporation). POSCO  
 International was not selected as a mandatory  
 respondent but was examined in the context of  
 POSCO. Therefore, there is not an established  
 countervailing duty rate for POSCO International;  
 POSCO International's subsidies are accounted for  
 in POSCO's total subsidy rate. Instead, entries of  
 subject merchandise exported by POSCO  
 International will receive the rate of the producer  
 listed on the U.S. Customs and Border Protection  
 (CBP) entry form. Thus, the subsidy rate applied to  
 POSCO and POSCO's cross-owned companies is  
 also applied to POSCO International for entries of  
 subject merchandise produced by POSCO.

<sup>6</sup> See 19 CFR 351.224(b).

time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

### Cash Deposit Instructions

In accordance with section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for the company listed above based on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review.<sup>7</sup> For all non-reviewed firms subject to the *Order*, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific rate or the all-others rate (3.72 percent), as appropriate.<sup>8</sup> These cash deposit requirements, effective upon publication of these final results, shall remain in effect until further notice.

### Administrative Protective Order

This notice also serves as a reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

### Notification to Interested Parties

We are issuing and publishing these final results in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: November 30, 2022.

*Assistant Secretary for Enforcement and Compliance.*

### Silicomanganese From India: Final Results of Antidumping Duty Changed Circumstances Review

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** On October 21, 2022, the U.S. Department of Commerce (Commerce) published the notice of initiation and preliminary results of changed circumstances reviews (CCR) of the antidumping duty (AD) order on silicomanganese from India. For these final results, Commerce continues to find that NAVA Limited (NAVA) is the successor-in-interest to Nava Bharat Ventures Limited (NBVL) in the context of the AD order on silicomanganese from India. Furthermore, NAVA is entitled to NBVL's AD cash deposit rate with respect to entries of subject merchandise in the above-referenced proceeding.

**DATES:** Applicable December 6, 2022.

**FOR FURTHER INFORMATION CONTACT:** Daniel Alexander, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4313.

### SUPPLEMENTARY INFORMATION:

### Background

On October 21, 2022, Commerce published the *Initiation and Preliminary Results*, finding that NAVA is the successor-in-interest to NBVL, and that it should be assigned the same AD cash deposit rate assigned to NBVL in the above-referenced proceeding.<sup>1</sup> In the *Initiation and Preliminary Results*, interested parties were provided an opportunity to comment regarding our preliminary findings. Commerce received no comments from interested parties.

### Scope of the Order<sup>2</sup>

The merchandise covered by the *Order* is all forms, sizes, and compositions of silicomanganese, except low-carbon silicomanganese, including silicomanganese briquettes, fines and slag. For a full description of the scope of the *Order*, see the *Initiation and Preliminary Results*.

### Final Results of Changed Circumstances Review

For the reasons stated in the *Initiation and Preliminary Results*, and because we received no comments from interested parties to the contrary, Commerce continues to find that NAVA is the successor-in-interest to NBVL for AD purposes. As a result of this determination, NAVA is entitled to the same AD cash deposit rate as NBVL with respect to entries of subject merchandise in the above-noted proceeding.<sup>3</sup>

Commerce will instruct U.S. Customs and Border Protection to suspend liquidation of all shipments of subject merchandise produced and/or exported by NAVA and entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice in the **Federal Register** at the current AD cash deposit rate on silicomanganese in effect for NBVL. These cash deposit requirements shall remain in effect until further notice.
