#### E. Federal Awardee Performance and Integrity Information System (FAPIS)

The IHS is required to review and consider any information about the applicant that is in the FAPIS at <https://www.fapiis.gov/fapiis/#/home> before making any award in excess of the simplified acquisition threshold (currently \$250,000) over the period of performance. An applicant may review and comment on any information about itself that a Federal awarding agency previously entered. The IHS will consider any comments by the applicant, in addition to other information in FAPIS, in making a judgment about the applicant's integrity, business ethics, and record of performance under Federal awards when completing the review of risk posed by applicants as described in 45 CFR 75.205.

As required by 45 CFR part 75 Appendix XII of the Uniform Guidance, NFEs are required to disclose in FAPIS any information about criminal, civil, and administrative proceedings, and/or affirm that there is no new information to provide. This applies to NFEs that receive Federal awards (currently active grants, cooperative agreements, and procurement contracts) greater than \$10 million for any period of time during the period of performance of an award/project.

#### Mandatory Disclosure Requirements

As required by 2 CFR part 200 of the Uniform Guidance, and the HHS implementing regulations at 45 CFR part 75, the IHS must require an NFE or an applicant for a Federal award to disclose, in a timely manner, in writing to the IHS or pass-through entity all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award.

All applicants and recipients must disclose in writing, in a timely manner, to the IHS and to the HHS OIG all information related to violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award. 45 CFR 75.113.

Disclosures must be sent in writing to: U.S. Department of Health and Human Services, Indian Health Service, Division of Grants Management, Attn: Marsha Brookins, Director, 5600 Fishers Lane, Mail Stop: 09E70, Rockville, MD 20857, (Include "Mandatory Grant Disclosures" in subject line), Office: (301) 443-4750, Fax: (301) 594-0899, email: [DGM@ihs.gov](mailto:DGM@ihs.gov) and U.S.

Department of Health and Human Services, Office of Inspector General, Attn: Mandatory Grant Disclosures, Intake Coordinator, 330 Independence Avenue SW, Cohen Building, Room 5527, Washington, DC 20201, URL: <https://oig.hhs.gov/fraud/report-fraud/>, (Include "Mandatory Grant Disclosures" in subject line), Fax: (202) 205-0604 (Include "Mandatory Grant Disclosures" in subject line) or email: [MandatoryGranteeDisclosures@oig.hhs.gov](mailto:MandatoryGranteeDisclosures@oig.hhs.gov).

Failure to make required disclosures can result in any of the remedies described in 45 CFR 75.371 Remedies for noncompliance, including suspension or debarment (see 2 CFR part 180 and 2 CFR part 376).

#### VII. Agency Contacts

1. Questions on the programmatic issues may be directed to: Terri Schmidt, Director, Office of Direct Service and Contracting Tribes, Indian Health Service, 5600 Fishers Lane, Mail Stop: 08E17, Rockville, MD 20857, Phone: (301) 443-1104, email: [terri.schmidt@ihs.gov](mailto:terri.schmidt@ihs.gov).

2. Questions on grants management and fiscal matters may be directed to: Sheila A.L. Miller, Grants Management Specialist, Indian Health Service, Division of Grants Management, 5600 Fishers Lane, Mail Stop: 09E70, Rockville, MD 20857, Phone: (240) 535-9308, email: [sheila.miller@ihs.gov](mailto:sheila.miller@ihs.gov).

3. Questions on systems matters may be directed to: Paul Gettys, Deputy Director, Indian Health Service, Division of Grants Management, 5600 Fishers Lane, Mail Stop: 09E70, Rockville, MD 20857, Phone: (301) 443-2114, email: [Paul.Gettys@ihs.gov](mailto:Paul.Gettys@ihs.gov).

#### VIII. Other Information

The Public Health Service strongly encourages all grant, cooperative agreement, and contract recipients to provide a smoke-free workplace and promote the non-use of all tobacco products. In addition, Public Law 103-227, the Pro-Children Act of 1994, prohibits smoking in certain facilities (or in some cases, any portion of the facility) in which regular or routine education, library, day care, health care, or early childhood development services are provided to children. This is consistent with the HHS mission to protect and advance the physical and mental health of the American people.

#### Prospective Grant of an Exclusive Patent License: Use and Development of RAB13 and NET1 Targeting Antisense Oligonucleotides in the Treatment of Cancer

**AGENCY:** National Institutes of Health, HHS.

**ACTION:** Notice.

**SUMMARY:** The National Cancer Institute, an institute of the National Institutes of Health, Department of Health and Human Services, is contemplating the grant of an Exclusive Patent License to practice the inventions embodied in the U.S. Patents and Patent Applications listed in the Supplementary Information section of this notice to Drug Development and Filing Consulting, LLC located in Maryland, USA.

**DATES:** Only written comments and/or applications for a license which are received by the National Cancer Institute's Technology Transfer Center on or before December 21, 2022 will be considered.

**ADDRESSES:** Requests for copies of the patent application, inquiries, and comments relating to the contemplated an Exclusive Patent License should be directed to: Suna Gulay French, Technology Transfer Manager, Telephone: (240)-276-7424; Email: [suna.gulay@nih.gov](mailto:suna.gulay@nih.gov).

#### SUPPLEMENTARY INFORMATION:

##### Intellectual Property

1. United States Provisional Patent Application No. 62/966,204, filed January 27, 2020 and entitled "RAB13 and NET1 Antisense Oligonucleotides to Treat Metastatic Cancer" [HHS Ref. No. E-041-2020-0-US-01];
2. PCT Patent Application No. PCT/US2021/015053, filed January 26, 2021 and entitled "RAB13 and NET1 Antisense Oligonucleotides to Treat Metastatic Cancer" [HHS Ref. No. E-041-2020-0-PCT-02]; and
3. United States Patent Application No. 17/792,507, filed July 13, 2022 and entitled "Antisense Oligos that Block Cancer Cell Migration and Invasion" [HHS Ref. No. E-041-2020-0-US-03].

The patent rights in these inventions have been assigned and/or exclusively licensed to the government of the United States of America.

The prospective exclusive license territory may be the United States only and the field of use may be limited to: "Use and development of RAB13 and NET1 targeting antisense oligonucleotides in treatment of breast cancer, ovarian cancer, cervical cancer and head and neck cancer in humans."

This technology discloses RAB13 and NET1 targeting antisense oligonucleotides (ASOs) for use in targeted cancer therapy. These ASOs bind to the 3'-untranslated regions of RAB13 and NET1 mRNAs and prevent the localization of these mRNAs to cellular protrusions involved in motility. These ASOs reduce cell motility and migration in vitro. Due to this reduction in cell motility and migration, these ASOs are expected to have uses in the treatment of metastatic cancers.

This notice is made in accordance with 35 U.S.C. 209 and 37 CFR part 404. The prospective exclusive license will be royalty bearing, and the prospective exclusive license may be granted unless within fifteen (15) days from the date of this published notice, the National Cancer Institute receives written evidence and argument that establishes that the grant of the license would not be consistent with the requirements of 35 U.S.C. 209 and 37 CFR part 404.

In response to this Notice, the public may file comments or objections. Comments and objections, other than those in the form of a license application, will not be treated confidentially, and may be made publicly available.

License applications submitted in response to this Notice will be presumed to contain business confidential information and any release of information in these license applications will be made only as required and upon a request under the Freedom of Information Act, 5 U.S.C. 552.

Dated: November 30, 2022.
