On January 26, 2022, we limited the number of respondents selected for individual examination in this administrative review to Deacero Group and Acerero.⁵ We did not select the remaining companies for individual examination, and these companies remain subject to this administrative review.

Scope of the Order

The product covered by the *Order* is steel concrete reinforcing bar from Mexico. For a complete description of the scope, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(2) of the Act. Constructed export price was calculated in accordance with section 772 of the Act. Normal value was calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our preliminary results, see the Preliminary Decision Memorandum. A list of topics discussed in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Rate for Non-Selected Companies

The statute and Commerce's regulations do not identify the dumping margin to apply to respondents not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of

C.V.) into the single entity "Grupo Simec." See, e.g., *Steel Concrete Reinforcing Bar from Mexico: Final Results of Antidumping Duty Administrative Review and Final Determination of No Shipments; 2019-2020*, 87 FR 34848 (June 8, 2022). Additionally, Commerce has preliminarily determined that Deacero, Ingetek, ANSA and Company A should be collapsed and treated as a single entity, collectively Deacero Group. See Memorandum, "Decision Memorandum for the Preliminary Results of the Administrative Review on the Antidumping Duty Order of Steel Concrete Reinforcing Bar from Mexico; 2020-2021," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum) at "Affiliation and Collapsing."

⁵ See Memorandum, "Respondent Selection," dated January 26, 2022.

the Act, which provides instructions for calculating the all-others rate in an investigation, for guidance when determining the dumping margin for respondents that are not individually examined in an administrative review. Section 735(c)(5)(A) of the Act states that the all-others rate should be calculated by averaging the weighted-average dumping margins for individually-examined respondents, excluding dumping margins that are zero, *de minimis*, or based entirely on facts available. Where the dumping margins for individually examined

respondents are all zero, *de minimis*, or based entirely on facts available, section 735(c)(5)(B) of the Act provides that Commerce may use “any reasonable method to establish the estimated all-others rate for exporters and producers not individually investigated, including averaging the estimated weighted average dumping margins determined for the exporters and producers individually investigated.” For the mandatory respondents, Deacero Group and Acerero, we preliminarily calculated dumping margins of 3.05 percent and 16.28 percent, respectively,

and we have assigned to the non-selected companies a rate of 6.35 percent, which is the weighted average of Deacero Group and Acerero’s margins based on publicly ranged data. For additional information, see the Preliminary Decision Memorandum at “Rates for Non-Selected Companies.”

Preliminary Results of Review

We preliminarily determine the following weighted-average dumping margins exist for the POR:

Producer and/or exporter	Weighted-average dumping margin (percent)
Deacero S.A.P.I de C.V./Ingeteknos Estructurales, S.A. de C.V./Aceros Nacionales, S.A. de C.V./Company A	3.05
Grupo Acerero S.A. de C.V.	16.28
ArcelorMittal Mexico SA de CV	6.35

Disclosure and Public Comment

We intend to disclose the calculations performed in these preliminary results to parties in this proceeding within five days of the date of publication of this notice.⁶ A timeline for the submission of case briefs and written comments will be provided to interested parties at a later date. Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than seven days after the date for filing case briefs.⁷ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.⁸ Case and rebuttal briefs should be filed using ACCESS⁹ and must be served on interested parties.¹⁰ Executive Summaries should be limited to five pages total, including footnotes. Note that Commerce has temporarily modified certain of its requirements for service documents containing business proprietary information, until further notice.¹¹

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a

hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via Commerce’s electric records system, ACCESS. An electronically filed request must be received successfully in its entirety by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.¹² Requests should contain: (1) the party’s name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Commerce intends to issue the final results of this administrative review, including the results of our analysis of the issues raised in any written briefs, no later than 120 days after the date of publication of this notice, unless extended.¹⁴

Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate

entries. If the weighted-average dumping margin for an individually examined respondent is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific *ad valorem* assessment rates for the merchandise based on the ratio of the total amount of dumping calculated for the examined sales made during the POR to each importer and the total entered value of those same sales, in accordance with 19 CFR 351.212(b)(1). Where an importer-specific *ad valorem* assessment rate is zero or *de minimis* in the final results of review, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties, in accordance with 19 CFR 351.106(c)(2). If a respondent’s weighted-average dumping margin is zero or *de minimis* in the final results of review, we will instruct CBP not to assess duties on any of its entries in accordance with the *Final Modification for Reviews*, i.e., “{w} here the weighted-average margin of dumping for the exporter is determined to be zero or *de minimis*, no antidumping duties will be assessed.”¹⁵ For entries of subject merchandise during the POR produced

by each respondent for which the producer did not know its merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company (or companies) involved in the transaction.¹⁶

For the companies which were not selected for individual review, we intend to assign an assessment rate based on the review-specific average rate, calculated as noted in the "Preliminary Results of Review" section, above. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by this review and for future deposits of estimated duties, where applicable.¹⁷ Commerce intends to issue assessment instructions to CBP no earlier than 41 days after the date of publication of the final results of this review in the **Federal Register**, in accordance with 19 CFR 356.8(a).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for each company listed above will be that established in the final results of this administrative review, except if the rate is less than 0.50 percent, and therefore *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, a prior review, or in the investigation but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be the all-others rate of 20.58 percent, the rate established in the investigation

of this proceeding.¹⁸ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.213(h)(1).

Dated: November 30, 2022.

Assistant Secretary for Enforcement and Compliance.
