On November 18, 2022, Montana Rail Link, Inc. The 656.47 miles of rail line over which MRL seeks discontinuance authority are comprised of the following segments (collectively, Leased Premises): a segment from milepost 209.91 at Huntley, Mont., to milepost 17.8 at Spurling, Mont. (1st Subdivision); a segment from milepost 17.8 at Spurling to milepost 238.4 at Helena, Mont. (2nd Subdivision); a segment from milepost 0.0 at Helena to milepost 119.31 at Missoula, Mont. (3rd Subdivision); a segment from milepost 119.31 at Missoula to milepost 118.7 at Sandpoint Junction, Idaho (4th Subdivision); a segment from milepost 0.0 at De Smet, Mont., to milepost 64.27 at Paradise, Mont. According to MRL, it and BNSF, the owner of the Leased Premises and the Trackage Rights Lines, have mutually agreed that MRL will terminate its lease and trackage rights operations and BNSF will resume providing service to shippers on the Leased Premises. BNSF currently provides services on the Trackage Rights Lines and will continue to do so after the discontinuance. MRL states that the proposed discontinuance will therefore leave no customer on the Leased Premises or the Trackage Rights Lines without access to railroad common carrier service, as any such customers would have service via BNSF.

MRL states that the Lines may contain federally granted rights-of-way. MRL also states that it will make any documentation that it may have concerning federally-granted rights-of-way available promptly to those requesting it.

As a condition to this exemption, any employee adversely affected by the discontinuance of service shall be protected under *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979).

By issuance of this notice, the Board is instituting an exemption proceeding pursuant to 49 U.S.C. 10502(b). A final

<sup>1</sup> MRL notes that in 2006, the Board authorized MRL to terminate its operations over the segment from milepost 51.07 near Garrison to milepost 21.5 south of Warm Springs. See *Mont. Rail Link, Inc.—Trackage Rights Exemption—BNSF Ry.*, FD 34911 (Sub-No. 1) (STB served Nov. 28, 2006). MRL states that it does not believe that any additional Board

authority is required to discontinue trackage rights over the segment, but MRL is requesting termination authority if the Board disagrees with MRL's interpretation.

decision will be issued by March 8, 2023.

Because this is a discontinuance proceeding and not an abandonment, interim trail use/rail banking and public use conditions are not appropriate. Because there will be environmental review during any subsequent abandonment, this discontinuance does not require an environmental review. See 49 CFR 1105.6(c)(5), 1105.8(b).

Any offer of financial assistance (OFA) for subsidy under 49 CFR 1152.27(b)(2) will be due no later than 120 days after the filing of the petition for exemption, or 10 days after service of a decision granting the petition for exemption, whichever occurs sooner.<sup>2</sup> Persons interested in submitting an OFA must first file a formal expression of intent to file an offer by December 19, 2022, indicating the intent to file an OFA for subsidy and demonstrating that they are preliminarily financially responsible. See 49 CFR 1152.27(c)(1)(i).

All filings in response to this notice must refer to Docket No. AB 575 (Sub-No. 2X) and must be filed with the Surface Transportation Board either via e-filing on the Board's website or in writing addressed to 395 E Street SW, Washington, DC 20423-0001. In addition, a copy of each pleading must be served on MRL's representative, Rose-Michele Nardi, Baker & Miller PLLC, 2401 Pennsylvania Ave. NW, Suite 300, Washington, DC 20037. Replies to the petition are due on or before December 28, 2022.

Persons seeking further information concerning discontinuance procedures may contact the Board's Office of Public Assistance, Governmental Affairs, and Compliance at (202) 245-0238 or refer to the full abandonment and discontinuance regulations at 49 CFR part 1152.
