[Docket ID DoD–2022–OS–0063]

Submission for OMB Review; Comment Request

AGENCY: Office of the Under Secretary of Defense for Personnel and Readiness (OUSD(P&R)), Department of Defense (DoD).

ACTION: 30-Day information collection notice.

SUMMARY: The DoD has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act.

DATES: Consideration will be given to all comments received by January 12, 2023.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT: Angela Duncan, 571–372–7574, whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Survey on the Strengths and Challenges of Military Relationships; OMB Control Number 0704–SCMR.

Type of Request: New.

Number of Respondents: 80,000.

Responses per Respondent: 1.

Annual Responses: 80,000.

Average Burden per Response: 15 minutes.

Annual Burden Hours: 20,000.

Needs and Uses: This collection is a DoD-sponsored comprehensive research study on the military-specific risk factors for domestic abuse and the best approaches across the coordinated community response to mitigate those factors. This collection is necessary to identify sustainable solutions to decreasing incidents and preventing violence before it occurs. This project is required by statute and will support (a) the programmatic needs of the sponsoring office: The Family Advocacy Program with Military Community and Family Policy, (b) Congressional requirements per SEC. 549C of the FY21 National Defense Authorization Act, (c) the current administration’s priority to address gender-based violence, and (d) implementation of some recommendations contained in the U.S. Government Accountability Office Report 21–289, released May 6, 2021. Domestic abuse can result in devastating personal consequences and societal costs, is incompatible with military values, and reduces mission readiness. The OUSD(P&R) Strategy for 2030 identifies a goal of resilient and adaptive total force. Without this study, the DoD risks continued incidents of domestic abuse across the armed forces. This survey will be fielded with active-duty married service members, active-duty unmarried service members in romantic relationships, and spouses of active-duty service members. Respondents will provide information currently not available from other sources to help DoD understand the strengths and challenges facing military couples, and in particular, the risk factors for and outcomes of military domestic abuse. Survey results will be used by the sponsor to improve the domestic abuse prevention and response system to better serve the needs of today’s military couples.

Affected Public: Individuals or households.

Frequency: On occasion.

Respondent’s Obligation: Voluntary.

OMB Desk Officer: Ms. Jasmeet Seehra.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. RM98–1–000]

Records Governing Off-the-Record Communications

This constitutes notice, in accordance with 18 CFR 385.2201(b), of the receipt of prohibited and exempt off-the-record communications.

Order No. 607 (64 FR 51222, September 22, 1999) requires Commission decisional employees, who make or receive a prohibited or exempt off-the-record communication relevant to the merits of a contested proceeding, to deliver to the Secretary of the Commission, a copy of the communication, if written, or a summary of the substance of any oral communication.

Prohibited communications are included in a public, non-decisional file associated with, but not a part of, the

decisional record of the proceeding. Unless the Commission determines that the prohibited communication and any responses thereto should become a part of the decisional record, the prohibited off-the-record communication will not be considered by the Commission in reaching its decision. Parties to a proceeding may seek the opportunity to respond to any facts or contentions made in a prohibited off-the-record communication and may request that the Commission place the prohibited communication and responses thereto in the decisional record. The Commission will grant such a request only when it determines that fairness so requires. Any person identified below as having made a prohibited off-the-record communication shall serve the document on all parties listed on the official service list for the applicable proceeding in accordance with Rule 2010, 18 CFR 385.2010.

Exempt off-the-record communications are included in the decisional record of the proceeding, unless the communication was with a cooperating agency as described by 40 CFR 1501.6, made under 18 CFR 385.220(e)(1)(v).

The following is a list of off-the-record communications recently received by the Secretary of the Commission. The communications listed are grouped by docket numbers in ascending order. These filings are available for electronic review at the Commission in the Public Reference Room or may be viewed on the Commission’s website at <http://www.ferc.gov> using the eLibrary link. Enter the docket number, excluding the last three digits, in the docket number field to access the document.
