

ONMS is adding this new advisory council to the list of councils with open vacancies and announcing that it is soliciting applications to fill the council's seats. Applications are due January 31, 2023.

II. Office of National Marine Sanctuaries (ONMS)

ONMS serves as the trustee for a network of underwater parks encompassing more than 620,000 square miles of marine and Great Lakes waters from Washington State to the Florida Keys, and from Lake Huron to American Samoa. The network includes a system of 15 national marine sanctuaries and the Papahānaumokuākea and Rose Atoll marine national monuments. National marine sanctuaries protect our nation's most vital coastal and marine natural and cultural resources and, through a diverse set of management tools, sustain nationally significant marine and Great Lakes environments that are the foundation for thriving communities and stable economies.

One of the many ways ONMS ensures public participation in the designation and management of national marine sanctuaries is through the formation of advisory councils. Advisory councils are community-based groups established to provide advice and recommendations to ONMS on issues including management, science, service, and stewardship, as well as to serve as liaisons between their constituents in the community and the sanctuary. Pursuant to Section 315(a) of the NMSA, advisory councils are exempt from the requirements of the Federal Advisory Committee Act. Additional information on ONMS and its advisory councils can be found at <https://sanctuaries.noaa.gov>.

III. Advisory Council Membership

Under Section 315 of the NMSA, the advisory council shall consist of no more than 15 voting members. Members shall be selected by the director from groups representing the diverse perspectives surrounding sanctuary resources, including Federal, State, or local agency employees with expertise in natural resources management; local user-group representatives; conservation and other public interest organizations; scientific and educational organizations; and members of the public interested in the protection and multiple-use management of sanctuary resources. 16 U.S.C. 1455a(b).

The charter for each advisory council defines the number and type of seats and positions on the council. The advisory council charter for the proposed Hudson Canyon National

Marine Sanctuary identifies the following voting non-governmental seat types: commercial fishing; recreational fishing; tourism/recreation; conservation; research; business/maritime industry; education/outreach; and citizen at-large. The council will also have non-voting seats for government agencies. Recognizing the cultural significance of this area to Indigenous Nations and Tribes, NOAA welcomes the participation of such interested Nations and Tribes on the council. This could involve multiple Nations and Tribes. Nations and Tribes interested in participating in the advisory council should contact the NOAA representative identified in the **ADDRESSES** section. Participation on the council does not take the place of government-to-government consultation nor does it serve as the only opportunity for engagement between NOAA and Indigenous Nations and Tribes.

Applicants are chosen based upon their particular expertise and experience in relation to the seat for which they are applying; community and professional affiliations; views regarding the protection and management of marine or Great Lakes resources; and possibly the length of residence in the area affected by the site. Council members and alternates for the proposed Hudson Canyon National Marine Sanctuary Advisory Council serve three-year terms, as reflected in the signed charter.

For more information about the new advisory council for the proposed Hudson Canyon National Marine Sanctuary, including seat descriptions and application materials and instructions, please visit <https://sanctuaries.noaa.gov/hudson-canyon/>. More information on advisory council membership and processes, and materials related to the purpose, policies, and operational requirements for advisory councils can be found in the charter for a particular advisory council (https://sanctuaries.noaa.gov/management/ac/council_charters.html) and the National Marine Sanctuary Advisory Council Implementation Handbook (<https://sanctuaries.noaa.gov/media/docs/2022-sanctuary-advisory-council-handbook.pdf>).

B. Paperwork Reduction Act

ONMS has a valid Office of Management and Budget (OMB) control number (0648-0397) for the collection of public information related to the processing of ONMS national marine sanctuary advisory council applications across the National Marine Sanctuary System. Establishing a sanctuary advisory council for the proposed

Hudson Canyon National Marine Sanctuary fits within the estimated reporting burden under that control number. See <https://www.reginfo.gov/public/do/PRASearch> (Enter Control Number 0648-0397). Therefore, ONMS will not request an update to the reporting burden certified for OMB control number 0648-0397.

Send comments regarding this burden estimate, or any other aspect of this data collection, including suggestions for reducing the burden, to: Office of National Marine Sanctuaries, 1305 East-West Highway, Silver Spring, Maryland 20910.

Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act (PRA), 44 U.S.C. 3501 *et seq.*, unless that collection of information displays a currently valid Office of Management and Budget (OMB) control number. The OMB control number is #0648-0397.

Authority: 16 U.S.C. 1431 *et seq.*

John Armor,

Director, Office of National Marine Sanctuaries, National Ocean Service, National Oceanic and Atmospheric Administration.

BILLING CODE 3510-NK-P

CONSUMER PRODUCT SAFETY COMMISSION

[Docket No. CPSC-2019-0025]

Notice of Availability and Request for Comment: Revision to the Voluntary Standard for Non-Full-Size Baby Cribs and Play Yards

AGENCY: Consumer Product Safety Commission.

ACTION: Notice of availability and request for comment.

SUMMARY: The U.S. Consumer Product Safety Commission (Commission or CPSC) has two mandatory rules that incorporate by reference applicable provisions of ASTM F406-19, Standard Consumer Safety Specification for Non-Full-Size Baby Cribs/Play Yards. These mandatory rules are: (1) Safety Standard for Non-Full-Size Baby Cribs, and (2) Safety Standard for Play Yards. The Commission received notice from ASTM International that it has revised ASTM F406-19. CPSC seeks comment on whether the revised voluntary standard, ASTM F406-22, improves the

safety of the consumer products covered by the standard.

DATES: Comments must be received by December 29, 2022.

ADDRESSES: Submit comments, identified by Docket No. CPSC–2019–0025, by any of the following methods:

Electronic Submissions: Submit electronic comments to the Federal eRulemaking Portal at: <https://www.regulations.gov>. Follow the instructions for submitting comments. CPSC typically does not accept comments submitted by electronic mail (email), except as described below. CPSC encourages you to submit electronic comments by using the Federal eRulemaking Portal.

Mail/hand delivery/courier/confidential Written Submissions: Submit comments by mail, hand delivery, or courier to: Office of the Secretary, Consumer Product Safety Commission, 4330 East West Highway, Bethesda, MD 20814; telephone: (301) 504–7479. If you wish to submit confidential business information, trade secret information, or other sensitive or protected information that you do not want to be available to the public, you may submit such comments by mail, hand delivery, or courier, or you may email them to: cpsc-os@cpsc.gov.

Instructions: All submissions must include the agency name and docket number. CPSC may post all comments without change, including any personal identifiers, contact information, or other personal information provided, to: <https://www.regulations.gov>. Do not submit through this website: confidential business information, trade secret information, or other sensitive or protected information that you do not want to be available to the public. If you wish to submit such information, please submit it according to the instructions for mail/hand delivery/courier/confidential written submissions.

Docket: For access to the docket to read background documents or comments received, go to: <https://www.regulations.gov>, and insert the docket number, CPSC–2019–0025, into the “Search” box, and follow the prompts.

FOR FURTHER INFORMATION CONTACT: Fred DeGrano, Project Manager, Division of Mechanical and Combustion Engineering, U.S. Consumer Product Safety Commission, 5 Research Place, Rockville, MD 20850; telephone: (301) 987–2711; email: fdegrano@cpsc.gov.

SUPPLEMENTARY INFORMATION: Section 104(b) of the Consumer Product Safety Improvement Act of 2008 (CPSIA) requires the Commission to adopt mandatory standards for durable infant

or toddler products. 15 U.S.C. 2056a(b)(1). Mandatory standards may be based, in whole or in part, on a voluntary standard.

Pursuant to section 104(b)(4)(B) of the CPSIA, if a voluntary standards organization revises a standard that has been adopted, in whole or in part, as a consumer product safety standard under CPSIA section 104, it must notify the Commission. The revised voluntary standard then shall be considered to be a consumer product safety standard issued by the Commission under section 9 of the Consumer Product Safety Act (15 U.S.C. 2058), effective 180 days after the date on which the organization notifies the Commission (or a later date specified by the Commission in the **Federal Register**) unless, within 90 days after receiving that notice, the Commission responds to the organization that it has determined that the proposed revision does not improve the safety of the consumer product covered by the standard, and therefore the Commission is retaining its existing mandatory consumer product safety standard. 15 U.S.C. 2056a(b)(4)(B).

Under this authority, the Commission issued two mandatory safety rules that incorporate by reference applicable provisions of ASTM F406: Safety Standard for Non-Full-Size Baby Cribs, codified at 16 CFR part 1220 (75 FR 81787, Dec. 28, 2010), and Safety Standard for Play Yards, codified at 16 CFR part 1221 (77 FR 52228, Aug. 29, 2012). These mandatory standards include performance requirements and test methods, as well as requirements for warning labels and instructions, to address hazards to children. After the Commission’s promulgation of these final rules, ASTM published several revisions to ASTM F406 that the Commission allowed to take effect, most recently in 2019. 84 FR 56684 (Oct. 23, 2019).

On December 5, 2022, ASTM notified the Commission that it had approved and published another revised version of the voluntary standard, ASTM F406–22. CPSC staff is assessing the revised voluntary standard to determine, consistent with section 104(b)(4)(B) of the CPSIA, its effect on the safety of non-full-size baby cribs subject to 16 CFR part 1220, and, separately, the safety of play yards subject to 16 CFR part 1221. The Commission invites public comment on those questions to inform staff’s assessment and subsequent Commission consideration of the revisions in ASTM F406–22. The Commission particularly seeks comment on the impact of ASTM F406–22’s revisions regarding mattress thickness,

gap measurement, and the length of loops for cords/straps.¹

A read-only copy of a redline demonstrating revisions to ASTM F406 is available for review on ASTM’s website (<https://www.astm.org/CPSC.htm>), at no cost. Likewise, a read-only copy of the existing, incorporated standard, ASTM F406–19, is available for viewing, at no cost, on the ASTM website at: <https://www.astm.org/READINGLIBRARY/>. Interested parties can also download copies of the standards by purchasing them from ASTM International, 100 Barr Harbor Drive, P.O. Box C700, West Conshohocken, PA 19428–2959; phone: 610–832–9585; <https://www.astm.org>. Alternatively, interested parties may schedule an appointment to inspect copies of the standards at CPSC’s Office of the Secretary, U.S. Consumer Product Safety Commission, 4330 East West Highway, Bethesda, MD 20814, telephone: 301–504–7479; email: cpsc-os@cpsc.gov.

Comments must be received by December 29, 2022. Because of the short statutory time frame Congress established for the Commission to consider revised voluntary standards under section 104(b)(4) of the CPSIA, CPSC will not consider comments received after this date.

Alberta E. Mills,

Secretary, Consumer Product Safety Commission.

BILLING CODE 6355–01–P

DEPARTMENT OF DEFENSE

Department of the Army

Department of the Army Performance Review Board Membership

AGENCY: Department of the Army, DoD.

ACTION: Notice.

SUMMARY: This document amends the previous notice published in the **Federal Register** on Friday, November 2, 2022. This notice respectively amends the total number of names from 87 to 89.

DATES: The term began on November 1, 2022.

FOR FURTHER INFORMATION CONTACT: Barbara Smith, Civilian Senior Leader Management Office, 111 Army Pentagon, Washington, DC 20310–0111, Barbara.M.Smith.civ@army.mil or Phone (703) 693–1126.

SUPPLEMENTARY INFORMATION:

¹ The Commission voted 4–0 to publish this notice.
