BILLING CODE 4810-25-P

DEPARTMENT OF THE TREASURY

Privacy Act of 1974; System of Records

AGENCY: Departmental Offices,
Department of the Treasury.

ACTION: Notice of a new system of records.

SUMMARY: In accordance with the Privacy Act of 1974, the Department of the Treasury ("Treasury" or "the Department"), Departmental Offices (DO) proposes to establish a new system of records within its inventory of records systems, subject to the Privacy Act of 1974, as amended titled "Departmental Offices .412 Integrated Library System (ILS) Records." This action is necessary to meet the requirements of the Privacy Act to publish in the **Federal Register** notice of

the existence and character of records maintained by DO. The Treasury Library ("Library") in the Office of Privacy, Transparency, & Records uses the records in the ILS to keep track of items borrowed by DO employees from the Library's collection and to ensure that all items are returned to the Library in a timely manner and/or upon a DO employee's resignation from the Department.

DATES: Written comments must be received by January 18, 2023. The system and the routine uses in this action will be effective on January 18,

2023 unless Treasury receives comments and determines that changes to the system of records notice are necessary.

ADDRESSES: Comments may be submitted to the Federal eRulemaking Portal electronically at <https://www.regulations.gov>. Electronic submission of comments allows the commenter maximum time to prepare and submit a comment, ensures timely receipt, and enables the Treasury to Make the comments available to the public. Please note that public comments are submitted through <https://www.regulations.gov>, a public website. All comments will be public and capable of viewing by other members of the public. Due to COVID-19-related restrictions, Treasury has temporarily suspended the public's ability to provide comments by mail. In general, Treasury will post all comments to <https://www.regulations.gov> without change, including any business or personal information provided, such as names, addresses, email addresses, or telephone numbers. All comments received, including attachments and other supporting material, will be part of the public disclosure. You should only submit information that you wish to make publicly available.

FOR FURTHER INFORMATION CONTACT: For questions about this notice and privacy issues, contact: Ryan Law, Deputy Assistant Secretary for Privacy, Transparency, & Records, (202-622-5710), U.S. Department of the Treasury, 1500 Pennsylvania Avenue NW, Washington, DC 20220; email: privacy@treasury.gov.

SUPPLEMENTARY INFORMATION: In accordance with the Privacy Act, the Department has conducted a review and determined that the ILS is a system or record. This is a result of various changes and updates, including more advanced electronic information technologies such as cloud technology. The Library uses the records in the ILS to keep track of items borrowed by registered users from the Library's collection and to ensure that all items are returned to the Library in a timely manner and/or upon a Treasury employee's resignation from the Department. In accordance with 5 U.S.C. 552a(r), Treasury has provided a report of this new system to the Office of Management and Budget (OMB) and to the U.S. Congress.
