

entries of subject merchandise during the PORs produced by Goodluck where the company did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate those entries at the all-others rate established in the original less-than-fair-value (LTFV) investigation if there is no rate for the intermediate company(ies) involved in the transaction.<sup>9</sup>

The final results of these reviews shall be the basis for the assessment of AD duties on entries of merchandise covered by these reviews and the final results of AR2 shall be the basis for future deposits of estimated duties, where applicable.<sup>10</sup>

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of these reviews in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

#### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of these administrative reviews, as provided by section 751(a)(2)(C) of the Act: the cash deposit rate for merchandise produced and exported by Goodluck will be equal to the weighted-average dumping margin established in the final results of AR2, except if the rate is *de minimis* (*i.e.*, less than 0.50 percent), in which case the cash deposit rate will be zero. These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Disclosure and Public Comment

We intend to disclose the calculations performed to parties within five days of public announcement of the preliminary results or, if there is no public announcement, within five days of the date of publication of this notice.<sup>11</sup> Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs no later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the

case briefs, may be filed not later than seven days after the date for filing case briefs.<sup>12</sup> Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.<sup>13</sup> Case and rebuttal briefs should be filed using ACCESS.<sup>14</sup> Executive summaries should be limited to five pages total, including footnotes. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.<sup>15</sup>

Interested parties who wish to request a hearing must do so within 30 days of publication of these preliminary results by submitting a written request to the Assistant Secretary for Enforcement and Compliance using Enforcement and Compliance's ACCESS system.<sup>16</sup> Requests should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs.<sup>17</sup> Parties are reminded that all briefs and hearing requests must be filed electronically using ACCESS and received successfully in their entirety by 5:00 p.m. Eastern Time on the due date. If a request for a hearing is made, Commerce intends to hold the hearing at a date and time to be determined.<sup>18</sup> Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Unless otherwise extended, Commerce intends to issue the final results of these administrative reviews, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

#### Notification to Importers

This notice also serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries

during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

#### Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213 and 351.221(b)(4).

Dated: December 13, 2022.

**SUPPLEMENTARY INFORMATION:**

#### Background

In accordance with sections 735(d) and 777(i)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.210(c), on October 27, 2022, Commerce published its final affirmative determination in the less-than-fair-value (LTFV) investigation of

SAP from Korea.<sup>1</sup> On December 8, 2022, the ITC notified Commerce of its final affirmative determination that an industry in the United States is materially injured within the meaning of section 735(b)(1)(A)(i) of the Act, by reason of LTFV imports of SAP from Korea.<sup>2</sup>

### Scope of the Order

The products covered by this order are SAP from Korea. For a complete description of the scope of this order, see the appendix to this notice.

### Antidumping Duty Order

On December 8, 2022, in accordance with section 735(d) of the Act, the ITC notified Commerce of its final determination in this investigation, in which it found that an industry in the United States is materially injured within the meaning of section 735(b)(1)(A)(i) of the Act by reason of LTFV imports of SAP from Korea.<sup>3</sup> Therefore, in accordance with section 735(c)(2) of the Act, Commerce is issuing this antidumping duty order. Because the ITC determined that imports of SAP from Korea are materially injuring a U.S. industry, unliquidated entries of such merchandise from Korea, entered or withdrawn from warehouse for consumption, are subject to the assessment of antidumping duties.

As a result of the ITC's final affirmative determination, in accordance with section 736(a)(1) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to assess, upon further instruction by Commerce, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price or constructed export price of the merchandise, for all relevant entries of SAP from Korea. Antidumping duties will be assessed on unliquidated entries of SAP from Korea entered, or withdrawn from warehouse, for consumption on or after June 7, 2022, the date of publication of the *Preliminary Determination*,<sup>4</sup> but will not include entries occurring after the expiration of the provisional measures

period and before publication of the ITC's final injury determination, as further described below.

### Continuation of Suspension of Liquidation

Except as noted in the "Provisional Measures" section of this notice, in accordance with section 736 of the Act, Commerce will instruct CBP to continue to suspend liquidation of all relevant entries of SAP from Korea, as described in the Appendix to this notice, which are entered, or withdrawn from warehouse, for consumption on or after the date of publication of the ITC's notice of final determination in the **Federal Register**. These instructions suspending liquidation will remain in effect until further notice.

Commerce will also instruct CBP to require cash deposits equal to the estimated weighted-average dumping margins included in the table below. Accordingly, effective on the date of publication in the **Federal Register** of the notice of the ITC's final affirmative injury determination, CBP will require, at the same time as importers would normally deposit Customs duties on subject merchandise, a cash deposit equal to the estimated weighted-average dumping margins listed in the tables below. The all-others rate applies to all producers or exporters not specifically listed.

### Estimated Weighted-Average Dumping Margins

The estimated weighted-average dumping margins are as follows:

Exporter/Producer	Estimated weighted-average dumping margin (percent)
LG Chem, Ltd .....	17.64
All Others .....	17.64

### Provisional Measures

Section 733(d) of the Act states that suspension of liquidation pursuant to an affirmative preliminary determination may not remain in effect for more than four months, except that Commerce may extend the four-month period to no more than six months at the request of exporters representing a significant portion of exports of the subject merchandise. At the request of an exporter that accounts for a significant proportion of SAP from Korea, Commerce extended the four-month period to six months in the *Preliminary Determination*, published on June 7,

2022.<sup>5</sup> Therefore, the extended provisional measures period, beginning on the date of publication of the *Preliminary Determination*, ended on December 3, 2022. Pursuant to section 737(b) of the Act, the collection of cash deposits at the rates listed above will begin on the date of publication of the ITC's final injury determination.

Therefore, in accordance with section 736(a)(1) of the Act and our practice, we will instruct CBP to terminate the suspension of liquidation and to liquidate, without regard to antidumping duties, unliquidated entries of SAP from Korea, entered, or withdrawn from warehouse, for consumption on or after December 4, 2022, the first day provisional measures were no longer in effect, until and through the day preceding the date of publication of the ITC's final injury determination in the **Federal Register**.

### Establishment of the Annual Inquiry Service Lists

On September 20, 2021, Commerce published the final rule titled "*Regulations to Improve Administration and Enforcement of Antidumping and Countervailing Duty Laws*" in the **Federal Register**.<sup>6</sup> On September 27, 2021, Commerce also published the notice titled "*Scope Ruling Application; Annual Inquiry Service List; and Informational Sessions*" in the **Federal Register**.<sup>7</sup> The *Final Rule* and *Procedural Guidance* provide that Commerce will maintain an annual inquiry service list for each order or suspended investigation, and any interested party submitting a scope ruling application or request for circumvention inquiry shall serve a copy of the application or request on the persons on the annual inquiry service list for that order, as well as any companion order covering the same merchandise from the same country of origin.<sup>8</sup> In accordance with the *Procedural Guidance*, for orders published in the **Federal Register** after November 4, 2021, Commerce will create an annual inquiry service list segment in Commerce's online e-filing and document management system, Antidumping and Countervailing Duty Electronic Service System (ACCESS), available at <https://access.trade.gov>, within five business days of publication

<sup>5</sup> See *Preliminary Determination*.

of the notice of the order. Each annual inquiry service list will be saved in ACCESS, under each case number, and under a specific segment type called "AISL-Annual Inquiry Service List."<sup>9</sup>

Interested parties who wish to be added to the annual inquiry service list for an order must submit an entry of appearance to the annual inquiry service list segment for the order in ACCESS within 30 days after the date of publication of the order. For ease of administration, Commerce requests that law firms with more than one attorney representing interested parties in an order designate a lead attorney to be included on the annual inquiry service list. Commerce will finalize the annual inquiry service list within five business days thereafter. As mentioned in the *Procedural Guidance*, the new annual inquiry service list will be in place until the following year, when the *Opportunity Notice* for the anniversary month of the order is published.

Commerce may update an annual inquiry service list at any time as needed based on interested parties' amendments to their entries of appearance to remove or otherwise modify their list of members and representatives, or to update contact information. Any changes or announcements pertaining to these procedures will be posted to the ACCESS website at <https://access.trade.gov>.

### Special Instructions for Petitioners and Foreign Governments

In the *Final Rule*, Commerce stated that, "after an initial request and placement on the annual inquiry service list, both petitioners and foreign governments will automatically be placed on the annual inquiry service list in the years that follow."<sup>10</sup> Accordingly, as stated above, the petitioner and Government of Korea should submit their initial entry of appearance after publication of this notice in order to appear in the first annual inquiry service list for this order.

<sup>9</sup> This segment will be combined with the ACCESS Segment Specific Information (SSI) field which will display the month in which the notice of the order or suspended investigation was published in the *Federal Register*, also known as the anniversary month. For example, for an order under case number A-000-000 that was published in the *Federal Register* in January, the relevant segment and SSI combination will appear in ACCESS as "AISL-January Anniversary." Note that there will be only one annual inquiry service list segment per case number, and the anniversary month will be pre-populated in ACCESS.

<sup>10</sup> See *Final Rule*, 86 FR at 52335.

Pursuant to 19 CFR 351.225(n)(3), the petitioner and the Government of Korea will not need to resubmit their entries of appearance each year to continue to be included on the annual inquiry service list. However, the petitioner and the Government of Korea are responsible for making amendments to their entries of appearance during the annual update to the annual inquiry service list in accordance with the procedures described above.

### Notification to Interested Parties

This notice constitutes the antidumping duty order with respect to SAP from Korea, pursuant to section 736(a) of the Act. Interested parties can find a list of antidumping duty orders currently in effect at <https://enforcement.trade.gov/stats/iastats1.html>.

This order is issued and published in accordance with section 736(a) of the Act and 19 CFR 351.211(b).
