Self-Regulatory Organizations: Investors Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend its Fee Schedule To Reflect Adjustments to FINRA’s Registration Fees Related to the Central Registration Depository

December 15, 2022.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”) 2 and Rule 19b–4 thereunder, 3 notice is hereby given that, on December 13, 2022, the Investors Exchange LLC (“IEX” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II and III below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Pursuant to the provisions of Section 19(b)(1) under the Act, and Rule 19b–4 thereunder, IEX is filing with the Commission a proposed rule change pursuant to IEX Rule 15.110(a) to amend its Fee Schedule to reflect adjustments to FINRA’s Registration Fees related to the Central Registration Depository, which will be collected by FINRA. The Exchange has designated this proposal as establishing or changing a due, fee, or other charge imposed by the self-regulatory organization, whether or not the person is a member of the self-regulatory organization, which renders the proposed rule change effective upon filing, pursuant to Section 19(b)(3)(A)(ii) of the Act. 4

The text of the proposed rule change is available at the Exchange’s website at www.iexting.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

IEX is proposing, pursuant to IEX Rule 15.110(a), to amend its Fee Schedule 5 to reflect adjustments to FINRA’s Registration Fees and Fingerprinting Fees in connection with the Central Registration Depository (“CRD system”). 6

v 5 See https://exchange.iex.io/resources/trading/fee-schedule/.
vi 6 The CRD system is the central licensing and registration system for the U.S. securities industry.
The CRD system enables individuals and firms seeking registration with multiple states and self–regulatory organizations to do so by submitting a single form, fingerprint card and a combined payment of fees to FINRA. Through the CRD system, FINRA maintains the qualification, employment and disciplinary histories of registered persons of IEX Members that are not also FINRA members.7 According to the Exchange, because FINRA maintains the qualification, employment and disciplinary histories of registered persons of IEX Members that are not also FINRA members, the proposed fee change is reasonable because it is identical to the fee adopted by FINRA for use of the Web CRD system for disclosure and the registration of associated persons of FINRA members.8 Thus, the Exchange’s Fee Schedule will reflect the current registration rate that will be assessed by FINRA as of January 2, 2023 for any IEX Members that are not also FINRA members. IEX also believes the proposed fee change is reasonable, because, as noted in the FINRA Fee Filing, FINRA is increasing the CRD system fees to provide enough revenue to support its regulatory mission.9

The Exchange believes that its proposal to increase (1) from $110 to $155 the fee it charges for the additional processing of each initial or amended Form U4, Form U5 or Form BD that includes the initial reporting, amendment, or certification of one or more disclosure events or proceedings; (2) from $45 to $70 the annual fee for each of the Member’s registered representatives and principals for system processing; and (3) from $15 to $20 the fee for processing and posting to the CRD system each set of fingerprint cards submitted electronically by the Member.10 Accordingly, IEX is proposing to update the corresponding fees on its Fee Schedule to reflect the new FINRA processing fees. IEX proposes to have these new fees take effect starting January 2, 2023. Because these costs are borne by FINRA when a non–FINRA user members use the CRD system, FINRA will continue to collect and retain these fees for the registration of associated persons of IEX Members that are not also FINRA members.

2. Statutory Basis

IEX believes that the proposed rule change is consistent with the provisions of Section 6(b) of the Act,11 in general, and furthers the objectives of Sections 6(b)(4) and 6(b)(5) of the Act,12 in particular, in that it provides for the equitable allocation of reasonable fees and other charges among its members, and does not unfairly discriminate among customers, issuers, brokers and dealers. All similarly situated Members are subject to the same fee structure, and every Member firm must use the CRD system for registration and disclosure.13 The proposed fee is reasonable because it is identical to the fee adopted by FINRA for use of the Web CRD system for disclosure and the registration of associated persons of FINRA members.14 Thus, the Exchange’s Fee Schedule will reflect the current registration rate that will be assessed by FINRA as of January 2, 2023 for any IEX Members that are not also FINRA members. IEX also believes the proposed fee change is reasonable, because, as noted in the FINRA Fee Filing, FINRA is increasing the CRD system fees to provide enough revenue to support its regulatory mission.15

The Exchange believes that its proposal to increase (1) from $110 to $155 the fee it charges for the additional processing of each initial or amended Form U4, Form U5 or Form BD that includes the initial reporting, amendment, or certification of one or more disclosure events or proceedings; (2) from $45 to $70 the annual fee for each of the Member’s registered representatives and principals for system processing; and (3) from $15 to $20 the fee for processing and posting to the CRD system each set of fingerprint cards submitted electronically by the Member is equitable and not unfairly discriminatory because the equivalent fees will be charged by FINRA of all users of the CRD system, whether or not they are FINRA members.16 Therefore, all users of the CRD system will equally bear the cost of maintaining the system.17

FINRA further noted its belief that the proposed fees are reasonable because they help to ensure the integrity of the information in the CRD system, which is important because the Commission, FINRA, other self–regulatory organizations and state securities regulators use the CRD system to make licensing and registration decisions, among other things.18

B. Self–Regulatory Organization’s Statement on Burden on Competition

IEX does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. Specifically, the Exchange believes that the proposed fees will result in the same regulatory fees being charged to all Members required to report information to the CRD system and for services performed by FINRA, regardless of whether or not such Members are FINRA members.

C. Self–Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii)19 of the Act.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)19 of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Self-Regulatory Organizations; NYSE American LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Modify the NYSE American Options Fee Schedule

December 15, 2022.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (‘‘Act’’) and Rule 19b–4 thereunder, notice is hereby given that, on December 9, 2022, NYSE American LLC (‘‘NYSE American’’ or the ‘‘Exchange’’) filed with the Securities and Exchange Commission (the ‘‘Commission’’) the proposed rule change as described in Items I and II below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to modify the NYSE American Options Fee Schedule (‘‘Fee Schedule’’) regarding the Firm Monthly Fee Cap. The Exchange proposes to implement the fee change effective December 9, 2022.4 The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing to amend the Fee Schedule to modify the Firm Monthly Fee Cap. The Exchange proposes to implement the rule change on December 9, 2022.

The Exchange proposes to modify the Firm Monthly Fee Cap, which is set forth in Section I.I. of the Fee Schedule.5 Currently, a Firm’s fees associated with Manual transactions are capped at $100,000 per month per Firm. A Firm currently may also qualify for a decreased fee cap by achieving tier levels in the American Customer Engagement Program (the ‘‘ACE Program’’).6

The Exchange proposes to raise the Firm Monthly Fee Cap to $150,000 per month per Firm and to eliminate the decreased fee caps for Firms that achieve ACE Program tiers, such that all Firms would be eligible for a $150,000 monthly fee cap. Accordingly, the Exchange proposes to modify Section I.I. to replace references to a $100,000 cap with references to a $150,000 cap and to delete the sentence and table describing decreased fee caps offered to Firms that qualify for ACE Program tiers.7 The Exchange does not otherwise propose any changes to the provisions of the Firm Monthly Fee Cap. The incremental service fee of $0.01 per contract for Firm Manual transactions other than QCC Transactions will continue to apply once the Firm Monthly Fee Cap has been reached, and Royalty Fees and fees or volumes associated with Strategy Executions will continue to be excluded from the calculation of fees towards the Firm Monthly Fee Cap. Firm Facilitation Manual trades will also continue to be executed at the rate of $0.00 per contract regardless of whether a Firm has reached the Firm Monthly Fee Cap.

The Exchange believes that the proposed change, despite increasing the amount of the Firm Monthly Fee Cap, would continue to incentivize Firms to direct order flow to the Exchange to achieve the benefits of cap on their Manual transaction fees. The Exchange also notes that the proposed change would provide for a uniform fee cap amount that would be applicable to all Firms and sets the Firm Monthly Fee Cap at an amount similar to the firm fee cap established by another options exchange.8

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,9 in general, and furthers the objectives of Sections 6(b)(4) and (5) of the Act,10 in particular, because it provides for the equitable allocation of reasonable dues, fees, and

4 See id., Section I.E., American Customer Engagement (‘‘ACE’’) Program.
5 The Exchange also proposes a conforming change to footnote 4 in Section I.A. (Rates for Options transactions) of the Fee Schedule, which cross-references the Firm Monthly Fee Cap as set forth in Section I.I. The Exchange likewise proposes to modify footnote 4 to replace the reference to a $100,000 cap with a reference to a $150,000 cap.
6 See, e.g., Nasdaq PHXL LLC, Options 7 Pricing Schedule, Section 4 (providing for a ‘‘Monthly Firm Fee Cap’’ capping firm fees at $150,000).
7 The Exchange also proposes a conforming change to footnote 4 in Section I.A. (Rates for Options transactions) of the Fee Schedule, which cross-references the Firm Monthly Fee Cap as set forth in Section I.I. The Exchange likewise proposes to modify footnote 4 to replace the reference to a $100,000 cap with a reference to a $150,000 cap.
8 See id., Section I.E., American Customer Engagement (‘‘ACE’’) Program.
