SUPPLEMENTARY INFORMATION:

Background

On March 15, 2022, President Biden signed the EB–5 Reform and Integrity Act of 2022, Div. BB of the Consolidated Appropriations Act, 2022 (Pub. L. 117–103) into law, which revised INA 203(b)(5). The law immediately repealed the former Regional Center (RC) Program statute at Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations Act 1993, Public Law 102–395, 106 Stat. 1828, § 610(b).

The law also reauthorized a substantially reformed EB–5 Regional Center (RC) Program which became effective on May 14, 2022. Though USCIS will continue to provide similar services for the newly reformed RC program as it did under the former RC program (such as initial designations, petition adjudications, etc.), the newly authorized RC program has a different legal framework and requirements from the previously authorized program. Consequently, the current form I–526, Immigrant Petition by Alien Entrepreneur, associated with the EB–5 Program, would not gather sufficient information to adjudicate investor petitions under the new program.

Accordingly, USCIS split the former Form I–526, Immigrant Petition by Alien Entrepreneur, into two versions: Form I–526, Immigrant Petition by Standalone Investor, and Form I–526E, Immigrant Petition by Regional Center Investor. The revision of Form I–526 resulted in creating two separate forms to better streamline the adjudication process for Standalone Investors and

Regional Center Investors; specifically, Form I–526 will be used by a Standalone Investor and Form I–526E will be used by an investor pooling their investment with one or more qualified immigrants under the new EB–5 Regional Center Program to petition for status as an immigrant to the United States under section 203(b)(5) of the Immigration Nationality Act (INA), as amended. USCIS began accepting the new Form I–526 and Form I–526E starting on July 12, 2022. USCIS will continue to adjudicate all Forms I–526 filed before March 15, 2022 (the date of the enactment of the EB–5 Reform and Integrity Act of 2022), according to the applicable eligibility requirements at the time the petition was filed.

On June 24, 2022, the U.S. District Court for the Northern District of California preliminarily enjoined USCIS from “treating as deauthorized the previously designated regional centers” including “processing new I–526 petitions from immigrants investing through previously authorized regional centers . . . just as the agency would do for a newly approved regional center.” *Behring v. Mayorkas*, Order Granting Plaintiff’s Motion for a Preliminary Injunction, Case No. 22–cv–02487–VC (N.D. Cal. Jun 24, 2022). On September 1, 2022, the U.S. District Court in *Behring* approved a settlement between the parties. Under the terms of the settlement, previously designated regional centers did not lose their designation as a result of the EB–5 Reform and Integrity Act of 2022. As USCIS is working to implement the settlement, if it determines changes to the Forms I–526 and I–526E are necessary, it will pursue such changes through either this form revision process or other appropriate mechanism.
