7 CFR Part 225

RIN 0584-AE72

Streamlining Program Requirements and Improving Integrity in the Summer Food Service Program; Correction

AGENCY: Food and Nutrition Service (FNS), Department of Agriculture (USDA).

ACTION: Correcting amendments.

SUMMARY: The Food and Nutrition Service (FNS) is correcting regulations that published in a final rule in the Federal Register of September 19, 2022, and went into effect in the Code of Federal Regulations (CFR) on October 1, 2022. The rule amended the Summer Food Service Program (SFSP) regulations to strengthen program integrity by clarifying, simplifying, and streamlining program administration to facilitate compliance with program requirements.

DATES: Effective December 27, 2022. **FOR FURTHER INFORMATION CONTACT:** Anne Fiala, 703–305–2590, anne.fiala@usda.gov.

SUPPLEMENTARY INFORMATION: The final rule that appeared in the **Federal Register** on September 19, 2022 (87 FR 57304), included non-substantive revisions to the introductory text of 7 CFR 225.16(d) that made the text

consistent with other reverences in part 225 and used plain language. In making this change, paragraphs (d)(1) through (3) of § 225.16 were inadvertently removed leaving only the introductory text of § 225.16(d). This document corrects that error and restores the entirety of § 225.16(d). To conform with current **Federal Register** requirements, tables found in these restored paragraphs are revised to include headings that note their citation in 7 CFR part 225.

In addition, the definition of "documentation" in § 225.2 is renumbered to reflect the correct paragraph structure requirements for the Code of Federal Regulations. Finally, a separate, special memorandum will be issued in the future to correct a formatting error in table 1 to paragraph (e)(6)(iv) of § 225.7.

List of Subjects in 7 CFR Part 225

Food assistance programs, Grant programs—health, Infants and children, Labeling, Reporting and recordkeeping requirements.

Accordingly, for reasons stated in the preamble, FNS amends 7 CFR part 225 by making the following technical corrections:

PART 225—SUMMER FOOD SERVICE PROGRAM

■ 1. The authority citation for part 225 continues to read as follows:

Authority: Secs. 9, 13 and 14, Richard B. Russell National School Lunch Act, as amended (42 U.S.C. 1758, 1761 and 1762a).

■ 2. In § 225.2, revise the definition of "Documentation" to read as follows:

§ 225.2 Definitions.

Documentation means:

(1) The completion of the following information on a free meal application:

- (i) Names of all household members;
- (ii) Income received by each household member, identified by source of income (such as earnings, wages, welfare, pensions, support payments, unemployment compensation, social security and other cash income);
- (iii) The signature of an adult household member; and
- (iv) The last four digits of the Social Security number of the adult household member who signs the application, or an indication that the adult does not possess a Social Security number; or

- (i) The name(s) and appropriate SNAP, FDPIR, or TANF case number(s) for the child(ren); and
- (ii) The signature of an adult member of the household.
- * * * * *
- 3. In § 225.16, revise paragraph (d) to read as follows:

§ 225.16 Meal service requirements.

- (d) Meal patterns. The meal requirements for the Program are designed to provide nutritious and well-balanced meals to each child. Sponsors must ensure that meals served meet all of the requirements. Except as otherwise provided in this section, the following tables present the minimum requirements for meals served to children in the Program. Children age 12 and up may be served larger portions based on the greater food needs of older children.
- (1) *Breakfast*. The minimum amount of food components to be served as breakfast are as follows:

SUPPLEMENTARY INFORMATION:

I. Introduction

A. Statutory Background

In recognition of the significant impact that the activities of the Enterprises have on the U.S. housing finance system, market participants, and the broader economy, section 1321 of the Federal Housing Enterprises Financial Safety and Soundness Act of 1992, as amended (12 U.S.C. 4501 et seq.) (the Safety and Soundness Act or Act) requires the FHFA Director to review new Enterprise activities and to approve new Enterprise products before these activities and products can be offered to the market.

Specifically, the Act requires an Enterprise to provide "written notice" to the Director for a determination of whether a new activity is a new product subject to prior approval under section 1321. See section 1321(e)(2) of the Safety and Soundness Act (12 U.S.C. 4541(e)(2)). If the Director determines that the new activity is a new product,
