### Transportation Security Administration

#### Revision of Agency Information Collection Activity Under OMB Review: Pipeline Corporate Security Reviews and Security Directives

**AGENCY:** Transportation Security Administration, DHS.

**ACTION:** 30-day notice.

**SUMMARY:** This notice announces that the Transportation Security Administration (TSA) has forwarded the Information Collection Request (ICR), Office of Management and Budget (OMB) control number 1652-0056, abstracted below, to OMB for review and approval of a revision of the currently approved collection under the Paperwork Reduction Act (PRA). The ICR describes the nature of the information collection and its expected burden. This collection combines TSA's voluntary Pipeline Corporate Security

Review (PCSR) program with the mandatory requirements under the TSA Security Directive (SD) Pipeline-2021-02 series. The collection allows TSA to assess the current security practices in the pipeline industry through TSA's PCSR program, which is part of the larger domain awareness, prevention, and protection program supporting TSA's and the Department of Homeland Security's missions. The collection also allows for the continued institution of mandatory cybersecurity requirements under the TSA SD Pipeline-2021-02 series. The updated ICR reflects changes to collection requirements based on TSA's update to the SD Pipeline-2021-02 series, released on July 21, 2022.

**DATES:** Send your comments by January 27, 2023. A comment to OMB is most effective if OMB receives it within 30 days of publication.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting "Currently under Review—Open for Public Comments" and by using the find function.

**SUPPLEMENTARY INFORMATION:** TSA published a **Federal Register** notice, with a 60-day comment period soliciting comments, of the following collection of information on October 3, 2022, 87 FR 59816.

This collection is separate from those associated with the requirements of TSA SD Pipeline 2021-01.<sup>1</sup>

**Comments Invited**

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number.
