

three months and notice of final directives issued in the last three months.

DATES: This notice identifies proposed and interim directives that will be published for public comment between January 1, 2023, and March 31, 2023; proposed and interim directives that were previously published for public comment but not yet finalized and issued; and final directives that have been issued since October 1, 2022.

ADDRESSES: Questions or comments may be submitted by email to the contact listed below.

FOR FURTHER INFORMATION CONTACT: Jolynn Anderson, 971-313-1718 or jolynn.anderson@usda.gov. Individuals who use telecommunications devices for the hard of hearing may call the Federal Relay Service at 800-877-8339, 24 hours a day, every day of the year, including holidays. You may register to receive email alerts regarding Forest Service directives at <https://www.fs.usda.gov/about-agency/regulations-policies>.

SUPPLEMENTARY INFORMATION:

Proposed and Interim Directives

Consistent with 16 U.S.C. 1612(a) and 36 CFR part 216, the Forest Service publishes for public comment Agency directives that formulate standards, criteria, and guidelines applicable to Forest Service programs. Agency procedures for providing public notice and opportunity to comment are specified in Forest Service Handbook (FSH) 1109.12, Chapter 30, Providing Public Notice and Opportunity to Comment on Directives.

The following proposed directives are planned for publication for public comment from January 1, 2023, to March 31, 2023:

1. Forest Service Handbook (FSH) 2709.14, Recreation Special Uses Handbook, Chapter 40—Federally Owned Improvements and Chapter 80—Recreation and Other Temporary Events.

2. Forest Service Manual (FSM) 2340—Privately Provided Recreation Opportunities.

Previously Published Directives That Have Not Been Finalized

The following proposed and interim directives have been published for public comment but have not yet been finalized:

1. FSM 2200, Rangeland Management, Chapters Zero Code; 2210, Rangeland Management Planning; 2220, Management of Rangelands (Reserved); 2230, Grazing Permit System; 2240, Rangeland Improvements; 2250,

Rangeland Management Cooperation; and 2270, Information Management and Reports; FSH 2209.13, Grazing Permit Administration Handbook, Chapters 10, Term Grazing Permits; 20, Grazing Agreements; 30, Temporary Grazing and Livestock Use Permits; 40, Livestock Use Permits; 50, Tribal Treaty Authorizations and Special Use Permits; 60, Records; 70, Compensation for Permittee Interests in Rangeland Improvements; 80, Grazing Fees; and 90, Rangeland Management Decision Making; and FSH 2209.16, Allotment Management Handbook, Chapter 10, Allotment Management and Administration.

2. FSM 3800, Landscape Scale Restoration Program.

3. FSH 2409.12, Timber Cruising Handbook, Chapters 30, Cruising Systems; 40, Cruise Planning, Data Recording, and Cruise Reporting; 60, Quality Control; and 70, Designating Timber for Cutting.

4. FSH 2409.15, Timber Sale Administration Handbook, Chapters 20, Measuring and Accounting for Included Timber; 40, Rates and Payments; and 60, Operations and Other Provisions.

Final Directives That Have Been Issued Since October 1, 2022

No proposed or interim directives that were previously published for public comment have been issued since October 1, 2022.

Stephen E. Morse,

Acting Branch Chief, Directives and Regulations, National Forest System.

DEPARTMENT OF AGRICULTURE

Forest Service

Southwest Montana Resource Advisory Committee

AGENCY: Forest Service, Agriculture (USDA).

ACTION: Notice of meeting.

SUMMARY: The Southwest Montana Resource Advisory Committee (RAC) will have a hybrid meeting, with the option to attend virtually or in-person. The committee is authorized under the Secure Rural Schools and Community Self-Determination Act (the Act) and operates in compliance with the Federal Advisory Committee Act. The purpose of the committee is to improve collaborative relationships and to provide advice and recommendations to the Forest Service concerning projects and funding consistent with Title II of

the Act. RAC information and virtual meeting information can be found at the following website: <https://www.fs.usda.gov/main/bdnf/workingtogether/advisorycommittees>.

DATES: The meeting will be held on Thursday, February 2nd, 2023 beginning at 8:30 a.m. Mountain Standard Time. All RAC meetings are subject to cancellation.

Oral and Written Comments:

Individuals wishing to make an oral statement should request in writing by Friday, January 27, 2023, to be scheduled on the agenda. Anyone who would like to bring related matters to the attention of the committee may file written statements with the committee staff before or after the meeting. Written comments, requests for time for oral comments or requests for instructions to participate virtually must be sent to Catherine McRae, RAC Coordinator, 420 Barrett Street, Dillon, MT 59725, by email to catherine.mcrae@usda.gov, or by phone at 406-925-3353.

For status of the meeting prior to attendance, please contact the person listed under **FOR FURTHER INFORMATION CONTACT**.

ADDRESSES: The meeting is open to the public and will be held at 420 Barrett St., Dillon, MT 59725-3572, in the large conference room or may be attended virtually. Virtual meeting participation details can be found on the website listed under **SUMMARY** or by contacting the person listed under **FOR FURTHER INFORMATION CONTACT**.

Written comments may be submitted as described under **SUPPLEMENTARY INFORMATION**. All comments, including names and addresses when provided, are placed in the record and are available for public inspection and copying. The public may inspect comments received upon request.

FOR FURTHER INFORMATION CONTACT: Catherine McRae, RAC Coordinator, by phone at 406-925-3353 or by email at catherine.mcrae@usda.gov. Individuals who use telecommunication devices for the deaf or hard of hearing (TDD) may call the Federal Relay Service (FRS) at 800-877-8339, 24 hours a day, every day of the year, including holidays.

SUPPLEMENTARY INFORMATION: The purpose of the meeting is to:

1. Discuss and recommend new Title II projects.

This meeting is open to the public. The agenda will include time for people to make oral statements of three minutes or less. Individuals wishing to make an oral statement should request in writing by Friday, January 27, 2023, to be scheduled on the agenda. Anyone who would like to bring related matters to

the attention of the committee may file written statements with the committee staff before or after the meeting. Written comments, requests for time for oral comments or requests for instructions to participate virtually must be sent to Catherine McRae, RAC Coordinator, 420 Barrett Street, Dillon, MT 59725, by email to catherine.mcrae@usda.gov, or by phone at 406-925-3353.

Meeting Accommodations: If you are a person requiring reasonable accommodation, please make requests in advance for sign language interpreting, assistive listening devices, or other reasonable accommodation. For access to the facility or proceedings, please contact the person listed in the section titled **FOR FURTHER INFORMATION CONTACT**. All reasonable accommodation requests are managed on a case by case basis.

USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Equal opportunity practices in accordance with USDA's policies will be followed in all appointments to the Committee. To ensure that the recommendations of the Committee have taken in account the needs of the diverse groups served by USDA, membership shall include to the extent possible, individuals with demonstrated ability to represent minorities, women, and person with disabilities. USDA is an equal opportunity provider, employer, and lender.

Dated: December 23, 2022.

Cikena Reid,

USDA Committee Management Officer.

DEPARTMENT OF COMMERCE

International Trade Administration

[A-523-812, A-535-903, A-520-807]

Circular Welded Carbon-Quality Steel Pipe From Oman, Pakistan, and the United Arab Emirates: Continuation of Antidumping Duty Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the U.S. Department of Commerce (Commerce) and the U.S. International Trade Commission (ITC) that revocation of the antidumping duty (AD) orders on circular welded carbon-quality steel pipe (CWP) from Oman, Pakistan, and the United Arab Emirates (UAE) would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, Commerce is publishing a notice of continuation of the AD orders.

DATES: Applicable December 30, 2022.

FOR FURTHER INFORMATION CONTACT: Zachariah Hall, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-6261.

SUPPLEMENTARY INFORMATION:

Background

On November 1, 2021, Commerce initiated a five-year sunset review of the AD orders on CWP from Oman, Pakistan, and the UAE, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).¹ As a result of its review, Commerce determined that revocation of the AD orders on CWP from Oman, Pakistan, and the UAE would likely lead to a continuation or recurrence of dumping and, therefore, notified the ITC of the magnitude of the margins likely to prevail should the orders be revoked.² On December 23, 2022, the ITC published its determination, pursuant to section 751(c) of the Act, that revocation of the AD orders on CWP from Oman, Pakistan, and the UAE would likely lead to a continuation or recurrence of material injury to an industry in the

United States within a reasonably foreseeable time.³

Scope of the Orders

The merchandise covered by these orders are welded carbon-quality steel pipes and tube, of circular cross-section, with an outside diameter (O.D.) not more than nominal 16 inches (406.4 mm), regardless of wall thickness, surface finish (e.g., black, galvanized, or painted), end finish (plain end, beveled end, grooved, threaded, or threaded and coupled), or industry specification (e.g., American Society for Testing and Materials International (ASTM), proprietary, or other), generally known as standard pipe, fence pipe and tube, sprinkler pipe, and structural pipe (although subject product may also be referred to as mechanical tubing). Specifically, the term "carbon quality" includes products in which:

(a) iron predominates, by weight, over each of the other contained elements;

(b) the carbon content is 2 percent or less, by weight; and

(c) none of the elements listed below exceeds the quantity, by weight, as indicated:

- (i) 1.80 percent of manganese;
- (ii) 2.25 percent of silicon;
- (iii) 1.00 percent of copper;
- (iv) 0.50 percent of aluminum;
- (v) 1.25 percent of chromium;
- (vi) 0.30 percent of cobalt;
- (vii) 0.40 percent of lead;
- (viii) 1.25 percent of nickel;
- (ix) 0.30 percent of tungsten;
- (x) 0.15 percent of molybdenum;
- (xi) 0.10 percent of niobium;
- (xii) 0.41 percent of titanium;
- (xiii) 0.15 percent of vanadium; or
- (xiv) 0.15 percent of zirconium.

Covered products are generally made to standard O.D. and wall thickness combinations. Pipe multi-stenciled to a standard and/or structural specification and to other specifications, such as American Petroleum Institute (API) API-5L specification, may also be covered by the scope of these investigations. In particular, such multi-stenciled merchandise is covered when it meets the physical description set forth above, and also has one or more of the following characteristics: is 32 feet in length or less; is less than 2.0 inches (50 mm) in outside diameter; has a galvanized and/or painted (e.g., polyester coated) surface finish; or has a threaded and/or coupled end finish.
