

claims arising out of the patentee's use, occupancy, or occupations on the patented lands; and

6. Any other reservation or term and condition that the Authorized Officer deems appropriate.

To the extent required by law, the parcel is subject to the requirements of Section 120(h) of the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. 9620(h) (CERCLA), as amended. Accordingly, notice is hereby given that the land has been examined and no evidence was found to indicate that any hazardous substances have been stored for one year or more, nor that any hazardous substances have been disposed of or released on the subject properties.

The City will have until 4:30 p.m., Pacific Time (PT), 30 days from the date of receiving the sale offer to accept the offer and submit a deposit of 20 percent of the purchase price along with a completed Certificate of Eligibility form. The City must remit the remainder of the purchase price within 180 days from the date of receiving the sale offer to the BLM Las Vegas Field Office (LVFO). Payment must be submitted in the form of a certified check, postal money order, bank draft, cashier's check, or made available by electronic fund transfer made payable in U.S. dollars to the "Department of the Interior—Bureau of Land Management" to the BLM LVFO. The BLM will not accept personal or company checks. Failure to meet conditions established for this sale will void the sale and any funds received will be forfeited.

Arrangements for electronic fund transfer to the BLM for payment of the balance due must be made a minimum of two weeks prior to the payment date.

In accordance with 43 CFR 2711.3–1(f), the BLM may accept or reject any or all offers to purchase or withdraw any parcel of land or interest therein from sale within 30 days, if the BLM authorized officer determines consummation of the sale would be inconsistent with any law, or for other reasons as may be provided by applicable law or regulations. No contractual or other rights against the United States may accrue until the BLM officially accepts the offer to purchase and the full price is paid.

To determine the FMV through appraisal, certain extraordinary assumptions and hypothetical conditions may have been made concerning the attributes and limitations of the lands and potential effects of local regulations and policies on potential future land uses. Through publication of this notice, the BLM advises that these assumptions may not

be endorsed or approved by units of local government.

No warranty of any kind, express or implied, is given by the United States as to the title, whether or to what extent the land may be developed, its physical condition, future uses, or any other circumstance or condition. The conveyance of a parcel will not be on a contingency basis.

It is the City's responsibility to be aware of all applicable Federal, State, and local Government laws, regulations, and policies that may affect the subject land, including any required dedication of lands for public uses. It is also the City's responsibility to be aware of existing or prospective uses of nearby properties. When conveyed out of Federal ownership, the land will be subject to any applicable laws, regulations, and policies of the applicable local government for proposed future uses. It is the responsibility of the City to be aware through due diligence of those laws, regulations, and policies, and to seek any required local approvals for future uses. The City should make itself aware of any Federal or State law or regulation that may impact the future use of the property. Any land lacking access from a public road or highway will be conveyed as such and acquiring future access will be the responsibility of the City.

Information concerning the sale, encumbrances of record, appraisal, reservations, procedures, and conditions, CERCLA, and other environmental documents that may appear in the BLM public files for the sale parcel, is available for review by appointment only, during business hours, from 8 a.m. to 4:30 p.m. PT, Monday through Friday, at the BLM LVFO, except during Federal holidays.

Public comments regarding the sale may be submitted in writing to the address in the **ADDRESSES** section. Before including your address, phone number, email address, or other personal identifiable information (PII) in your comment, you should be aware that your entire comment—including your PII—may be made publicly available at any time. While you can ask us in your comment to withhold your PII from public review, we cannot guarantee that we will be able to do so.

Any comments regarding the proposed sale will be reviewed by the BLM Nevada State Director, who may sustain, vacate, or modify this realty action in response to such comments. In the absence of any comments, this realty action will become the final determination of the Department of the Interior.

Authority: 43 CFR 2711.1–2.
