DEPARTMENT OF THE TREASURY

Office of the Comptroller of the Currency

12 CFR Parts 19 and 109

Notification of Inflation Adjustments for Civil Money Penalties

AGENCY: Office of the Comptroller of the Currency, Treasury.

ACTION: Notification of Monetary Penalties 2023.

SUMMARY: This document announces changes to the Office of the Comptroller of the Currency's (OCC) maximum civil money penalties as adjusted for inflation. The inflation adjustments are required to implement the Federal Civil Penalties Inflation Adjustment Act of 1990, as amended by the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015.

DATES: The adjusted maximum amount of civil money penalties in this document are applicable to penalties assessed on or after January 4, 2023 for conduct occurring on or after November 2, 2015.

FOR FURTHER INFORMATION CONTACT: Lee Walzer, Counsel, Chief Counsel's Office, (202) 649-5490, Office of the Comptroller of the Currency.

SUPPLEMENTARY INFORMATION: This document announces changes to the maximum amount of each civil money penalty (CMP) within the OCC's jurisdiction to administer to account for inflation pursuant to the Federal Civil Penalties Inflation Adjustment Act of 1990 (the 1990 Adjustment Act),¹ as amended by the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (the 2015 Adjustment Act).² Under the 1990 Adjustment Act, as amended, federal agencies must make annual adjustments to the maximum amount of each CMP they administer. The Office of Management and Budget (OMB) is required to issue guidance to federal agencies no later than December 15 of each year providing an inflation adjustment multiplier (*i.e.*, the inflation adjustment factor agencies must use) applicable to CMPs assessed in the following year. The agencies are required to publish their CMPs, adjusted pursuant to the multiplier provided by

the OMB, by January 15 of the applicable year.

To the extent an agency codified a CMP amount in its regulations, the agency would need to update that amount by regulation. However, if an agency codified a formula for making the CMP adjustments, then subsequent adjustments can be made solely by notice.³ In 2018, the OCC published a final regulation that removed the CMP amounts from its regulations while updating the CMP amounts for inflation through the notice process.⁴

On December 15, 2022, the OMB issued guidance to affected agencies on implementing the required annual adjustment, which included the relevant inflation multiplier.⁵ The OCC has applied that multiplier to the maximum CMPs allowable in 2022 for national banks and Federal savings associations as listed in the 2022 CMP notice⁶ to calculate the maximum amount of CMPs that may be assessed by the OCC in 2023.⁷ There were no new statutory CMPs administered by the OCC during 2022.

The following charts provide the inflation-adjusted CMPs for use beginning on January 4, 2023, pursuant to 12 CFR 19.240(b) and 109.103(c)(2) for conduct occurring on or after November 2, 2015:
