SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-496, OMB Control No. 3235-0554]

**Submission for OMB Review;
Comment Request; Extension: Rule 6a-4, Form 1-N**

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995

(44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for extension of the previously approved collection of information provided for in Rule 6a-4 and Form 1-N, as discussed below. The Code of Federal Regulation citation to this collection of information is 17 CFR 240.6a-4 and 17 CFR 249.10 under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) (the “Act”).

Section 6 of the Act¹ sets out a framework for the registration and regulation of national securities exchanges. Under the Commodity Futures Modernization Act of 2000, a futures market may trade security futures products by registering as a national securities exchange. Rule 6a-4² sets forth these registration procedures and directs futures markets to submit a notice registration on Form 1-N.³ Form 1-N calls for information regarding how the futures market operates, its rules and procedures, corporate governance, its criteria for membership, its subsidiaries and affiliates, and the security futures products it intends to trade. Rule 6a-4 also requires entities that have submitted an initial Form 1-N to file: (1) amendments to Form 1-N in the event of material changes to the information provided in the initial Form 1-N; (2) periodic updates of certain information provided in the initial Form 1-N; (3) certain information that is provided to the futures market’s members; and (4) a monthly report summarizing the futures market’s trading of security futures products. The information required to be filed with the Commission pursuant to Rule 6a-4 is designed to enable the Commission to carry out its statutorily mandated oversight functions and to ensure that registered and exempt exchanges continue to be in compliance with the Act.

The respondents to the collection of information are futures markets.

The Commission estimates that the total annual burden for all respondents to provide periodic amendments⁴ to keep the Form 1-N accurate and up to date as required under Rule 6a-4(b)(1) would be 30 hours (15 hours/respondent per year × 2 respondents⁵) and \$200 of miscellaneous clerical expenses. The Commission estimates that the total annual burden for all

⁵ The Commission estimates that four exchanges will file amendments with the Commission in order to keep their Form 1-N current.

respondents to provide annual amendments under Rule 6a–4(b)(3) would be 30 hours (15 hours/respondent/year × 2 respondents) and \$200 of miscellaneous clerical expenses. The Commission estimates that the total annual burden for all respondents to provide three-year amendments⁶ under Rule 6a–4(b)(4) would be 14 hours (20 hours/respondent × 0.67 respondents per year) and \$88 in miscellaneous clerical expenses. The Commission estimates that the total annual burden for the filing of the supplemental information⁷ and the monthly reports required under Rule 6a–4(c) would be 12 hours (6 hours/respondent per year × 2 respondents⁸) and \$120 of miscellaneous clerical expenses. Thus, the Commission estimates the total annual burden for complying with Rule 6a–4 is 86 hours and \$608 in miscellaneous clerical expenses.

Compliance with Rule 6a–4 is mandatory. Information received in response to Rule 6a–4 shall not be kept confidential; the information collected is public information.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Abstract of Proposed Collection

This information collection is used for two main purposes: (1) the collection and submission of information required for DDTC approval of a reexport or retransfer; and (2) the collection and retention of certain information for authorizations and other approvals, including for reexports and retransfers under an Open General License (OGL) program. Under § 123.9(a) of the ITAR, unless an exemption applies, DDTC’s written approval must be obtained before reselling, transferring, reexporting, retransferring, transshipping, or disposing of a defense article to any end-user, end-use, or destination other than as stated on the export license or in the Electronic Export Information filing in cases where an exemption was claimed. Such approval is normally granted through case-by-case review of requests to authorize specific transfers. In addition, ITAR § 120.22(b) allows DDTC to provide export authorization for DDTC’s own initiatives, including pilot programs and other specifically anticipated circumstances for which DDTC considers special authorizations appropriate. DDTC has launched a pilot program pursuant to its authorities in ITAR § 120.22(b) in order to assess the concept of an OGL mechanism by which it may authorize certain transfers of defense articles to predetermined
