

is not necessary or appropriate in furtherance of the purposes of the Act.

Intra-Market Competition

The Exchange does not believe that the proposed fees place certain market participants at a relative disadvantage to other market participants because, as noted above, the proposed fees are associated with usage of the data feed by each market participant based on whether the market participant internally or externally distributes the Exchange data, which are still ultimately in the control of any particular Member, and such fees do not impose a barrier to entry to smaller participants. Accordingly, the proposed fees do not favor certain categories of market participants in a manner that would impose a burden on competition; rather, the allocation of the proposed fees reflects the types of data consumed by various market participants and their usage thereof.

Inter-Market Competition

The Exchange does not believe the proposed fees place an undue burden on competition on other SROs that is not necessary or appropriate. In particular, market participants are not forced to subscribe to either data feed, as described above. Additionally, other exchanges have similar market data fees with comparable rates in place for their participants.⁴⁷ The proposed fees are based on actual costs and are designed to enable the Exchange to recoup its applicable costs with the possibility of a reasonable profit on its investment as described in the Purpose and Statutory Basis sections. Competing exchanges are free to adopt comparable fee structures subject to the Commission's rule filing process. Allowing the Exchange, or any new market entrant, to waive fees (as the Exchange did for cToM) for a period of time to allow it to become established encourages market entry and thereby ultimately promotes competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act,⁴⁸ and Rule

19b-4(f)(2)⁴⁹ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–96622; File No. SR–NYSE–2023–01]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Its Price List

January 10, 2023.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (“Act”)² and Rule 19b–4 thereunder,³ notice is hereby given that on January 3, 2023, New York Stock Exchange LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Price List to (1) extend a fee waiver for new firm application fees for applicants seeking only to obtain a bond trading license (“BTL”) for 2023; and (2) waive the BTL fee for 2023. The Exchange proposes to implement the fee changes effective January 3, 2023. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

¹ 15 U.S.C. 78s(b)(1).

² 15 U.S.C. 78a.

³ 17 CFR 240.19b–4.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Price List to (1) extend a fee waiver for new firm application fees for applicants seeking only to obtain a BTL for 2023; and (2) waive the BTL fee for 2023.⁴ The Exchange proposes to implement the fee changes effective January 3, 2023.

The Exchange currently charges a New Firm Fee ranging from \$2,000 to \$4,000, depending on the type of firm, which is charged per application for any broker-dealer that applies to be approved as an Exchange member organization. The Exchange proposes to amend the Price List to waive the New Firm Fee for 2023 for new member organization applicants that are seeking only to obtain a BTL and not trade equities at the Exchange. The proposed waiver of the New Firm Fee would be available only to applicants seeking approval as a new member organization, including carrying firms, introducing firms, or non-public organizations, which would be seeking to obtain a BTL at the Exchange and not trade equities. Further, if a new firm that is approved as a member organization and has had the New Firm Fee waived converts a BTL to a full trading license within one year of approval, the New Firm Fee would be charged in full retroactively. The Exchange believes that charging the New Firm Fee retroactively within a year of approval is appropriate because it would discourage applicants to claim that they are applying for a BTL solely to avoid New Firm Fees.

Additionally, the Exchange currently charges a BTL fee of \$1,000 per year. The Exchange proposes to amend the Price List to waive the BTL fee for 2023 for all member organizations.

The Exchange believes that the proposed fee changes would provide increased incentives for bond trading firms that are not currently Exchange member organizations to apply for

⁴ The Exchange initially filed to adopt the fee waiver and waive the BTL fee in 2015. See Securities Exchange Act Release No. 74031 (January 12, 2015), 80 FR 2462 (January 16, 2015) (SR–NYSE–2014–78). The Exchange has filed to extend the fee waiver and waive the BTL fee for each calendar year since 2017. See Securities Exchange Act Release Nos. 79710 (December 29, 2016), 82 FR 1395 (January 5, 2017) (SR–NYSE–2016–89); 82418 (December 28, 2017), 83 FR 568 (January 4, 2018) (SR–NYSE–2017–70); 84899 (December 20, 2018), 83 FR 67395 (December 28, 2018) (SR–NYSE–2018–65); 87952 (January 13, 2020), 85 FR 3089 (January 17, 2020) (SR–NYSE–2019–73); 90891 (January 11, 2021), 86 FR 4147 (January 15, 2021) (SR–NYSE–2021–03); and 93992 (January 18, 2022), 87 FR 3635 (January 24, 2022) (SR–NYSE–2022–01).
