

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on October 19, 2022. 87 FR 63527 (Oct. 19, 2022). The complaint, as supplemented and amended, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, or the sale within the United States after importation of certain raised garden beds and components thereof by reason of misappropriation of trade secrets and unfair competition, the threat or effect of which is to destroy or substantially injure a domestic industry. *Id.* The Commission's notice of investigation named as respondents Huizhou Green Giant Technology Co., Ltd., of Guangdong China; Utopban International Trading Co., Ltd., d/b/a Vegega of Rosemead, CA; Utopban Limited of Hong Kong; The Hydro Source Inc., d/b/a Forever Garden Beds of El Monte, CA; and VegHerb, LLC, d/b/a Frame It All of Cary, NC. *Id.* The complainant is Vegega Garden, Inc. of Houston, TX ("Vego"). *Id.* The Office of Unfair Import Investigations is participating in the investigation. *Id.*

On December 13, 2022, the ALJ issued the subject ID, which granted Vego's unopposed motion to amend the complaint and notice of investigation to change the name of respondent The Hydro Source, Inc., d/b/a Forever Garden Beds to Forever Garden. The ID found that the change will not prejudice the rights of any parties to the investigation and reflects the true identity of the respondents involved in this investigation. No petitions for review of the ID were filed.

The Commission has determined not to review the subject ID.

The complaint and notice of investigation are hereby amended as follows: the name of respondent "The Hydro Source Inc., d/b/a Forever Garden Beds" is replaced with "Forever Garden."

The Commission vote for this determination took place on January 10, 2023.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: January 10, 2023.

SUPPLEMENTARY INFORMATION: DOL, as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information before submitting them to the Office of Management and Budget (OMB) for final approval. This program helps to ensure requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements can be properly assessed.

The Secretary of Labor, under the Social Security Act, title III, section 302 (42 U.S.C. 502), funds the necessary cost of proper and efficient administration of each state Unemployment Insurance (UI) law. The ETA 207, Nonmonetary Determination Activities Report, contains state data on the number and types of issues that are adjudicated when UI claims are filed. It also has data on the number of disqualifications that are issued for reasons associated with a claimant's separation from employment and reasons related to a claimant's continuing eligibility for benefits.

These data are used by ETA's Office of Unemployment Insurance (OUI) to determine workload counts for the allocation of administrative funds, to analyze the ratio of disqualifications to determinations, and to examine and evaluate the program effect of nonmonetary activities. 42 U.S.C. 503(a)(6) of the Social Security Act authorizes this information collection.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is

generally not required to respond to an information collection, unless it is approved by OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number 1205-0150.

Interested parties are encouraged to provide comments to the contact shown in the **ADDRESSES** section. Comments must be written to receive consideration, and they will be summarized and included in the request for OMB approval of the final ICR. In order to help ensure appropriate consideration, comments should mention OMB 1205-0150.

Submitted comments will also be a matter of public record for this ICR and posted on the internet, without redaction. DOL encourages commenters not to include personally identifiable information, confidential business data, or other sensitive statements/information in any comments.

DOL is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, (e.g., permitting electronic submission of responses).
