SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-501, OMB Control No. 3235-0559]

Proposed Collection; Comment Request; Extension: Rule 203A-2(e)

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) ("PRA"), the Securities and Exchange Commission ("Commission") is soliciting comments on the collections of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 203A-2(e),¹ which is entitled “internet investment advisers,” exempts from the prohibition on Commission registration an internet investment adviser who provides investment advice to all of its clients exclusively through computer software-based models or applications, termed under the rule as “interactive websites.”² These advisers generally would not meet the statutory thresholds currently set out in section 203A of the Advisers Act³ because they do not manage \$25 million or more in assets and do not advise registered investment companies, or they manage between \$25 million and \$100 million in assets, do not advise registered investment companies or business development companies, and are required to be registered as investment advisers with the states in which they maintain their principal offices and places of business and are subject to examination as an adviser by such states.⁴ Eligibility under rule 203A-2(e) is conditioned on an adviser maintaining in an easily accessible place, for a period of not less than five years from the filing of Form ADV,⁵ a record demonstrating that the adviser’s advisory business has been conducted through an interactive website in accordance with the rule.⁶

This record maintenance requirement is a “collection of information” for PRA purposes. The Commission believes that approximately 231 advisers are registered with the Commission under rule 203A-2(e), which involves a recordkeeping requirement of approximately four burden hours per year per adviser and results in an estimated 924 of total burden hours (4 × 231) for all advisers.

This collection of information is mandatory, as it is used by Commission staff in its examination and oversight program in order to determine continued Commission registration eligibility for advisers registered under this rule. Responses generally are kept confidential pursuant to section 210(b)

of the Advisers Act.⁷ Written comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) The accuracy of the Commission’s estimate of the burden of the collection of information; (c) Ways to enhance the quality, utility, and clarity of the information collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication. An agency may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted by March 20, 2023.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments to: David Bottom, Acting Director/Chief Information Officer, Securities and Exchange Commission, c/o John Pezzullo, 100 F Street NE, Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov.

Dated: January 11, 2023.

Assistant Secretary.

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-181, OMB Control No. 3235-0184]

Proposed Collection; Comment Request; Extension: Form S-6

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the “Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

The title for the collection of information is “Form S-6 (17 CFR 239.16), for Registration under the Securities Act of 1933 of Securities of Unit Investment Trusts Registered on Form N-8B-2 (17 CFR 274.13).” Form S-6 is a form used for registration under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) (“Securities Act”) of securities of any unit investment trust (“UIT”) registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) (“Investment Company Act”) on Form N-8B-2. Section 5 of the Securities Act (15 U.S.C. 77e) requires the filing of a registration statement prior to the offer of securities to the public and that the statement be effective before any securities are sold. Section 5(b) of the Securities Act requires that investors be provided with a prospectus containing the information required in a registration statement prior to the sale or at the time of confirmation or delivery of the securities.

Section 10(a)(3) of the Securities Act (15 U.S.C. 77j(a)(3)) provides that when a prospectus is used more than nine months after the effective date of the registration statement, the information therein shall be as of a date not more than sixteen months prior to such use. As a result, most UITs update their registration statements under the Securities Act on an annual basis in order that their sponsors may continue to maintain a secondary market in the units. UITs that are registered under the Investment Company Act on Form N-8B-2 file post-effective amendments to their registration statements on Form S-6 in order to update their prospectuses.

The purpose of Form S-6 is to meet the filing and disclosure requirements of

¹ 17 CFR 275.203A-2(e).

² Included in rule 203A-2(e) is a limited exception to the interactive website requirement which allows these advisers to provide investment advice to fewer than 15 clients through other means on an annual basis. 17 CFR 275.203A-2(e)(1)(i). The rule also precludes advisers in a control relationship with an SEC-registered internet adviser from registering with the Commission under the common control exemption provided by rule 203A-2(b) (17 CFR 275.203A-2(b)). 17 CFR 275.203A-2(e)(1)(iii).

³ 15 U.S.C. 80b-3a(a).

⁴ *Id.*

⁵ The five-year record retention period is a similar recordkeeping retention period as imposed on all advisers under rule 204-2 of the Advisers Act. See rule 204-2 (17 CFR 275.204-2).

⁶ 17 CFR 275.203A-2(e)(1)(ii).
