AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of availability; request for comments.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), received two enhancement of survival permit (permit) applications pursuant to the Endangered Species Act (ESA). We have also prepared draft environmental action statements documenting our preliminary determination that the permit decisions may be eligible for

categorical exclusion under the National Environmental Policy Act. We provide this notice to open a public comment period and invite comments from all interested parties.

DATES: Submit written comments no later than February 21, 2023.
