**Needs and Uses:** On January 26, 2017, the Commission released Connect America Fund; ETC Annual Reports and Certifications, WC Docket Nos. 10–90 and 14–58, Order, FCC 17–2 (New York Auction Order), which granted New York waiver of the Phase II auction program rules, subject to certain conditions. Specifically, the Commission made an amount up to the amount of Connect America Phase II model-based support that Verizon declined in New York—\$170.4 million—available to applicants selected in New York's New NY Broadband Program in accordance with the framework adopted in the New York Auction Order.

This information collection addresses the eligibility requirements that New York winning bidders must meet before the Wireline Competition Bureau (Bureau) will authorize them to receive Connect America Phase II support. For each New York winning bid that includes Connect America-eligible areas, the Commission authorizes Connect America support up to the total reserve prices of all of the Connect America Phase II auction eligible census blocks that are included in the bid, provided that New York has committed, at a minimum, the same dollar amount of New York support to the Connect America-eligible areas in that bid. Before Connect America Phase II support is authorized, the Bureau will closely review the winning bidders to ensure that they have met the eligibility requirements adopted by the Commission and that they are technically and financially qualified to meet the terms and conditions of Connect America support. To aid in collecting this information regarding New York State's winning bidders and the applicants' ability to meet the terms and conditions of Connect America Phase II support in a uniform fashion, parties must complete FCC Form 5625. \$120,786,340, which is derived from \$460/hour × 262,579 hours.

**Abstract:** Section 7A of the Clayton Act ("Act"), 15 U.S.C. 18a, as amended by the Hart-Scott-Rodino Antitrust Improvements Act of 1976, Public Law 94-435, 90 Stat. 1390, requires all persons contemplating certain mergers or acquisitions to file notification with the Commission and the Assistant Attorney General and to wait a designated period of time before consummating such transactions. Congress empowered the Commission, with the concurrence of the Assistant Attorney General, to require "that the notification . . . be in such form and contain such documentary material and information . . . as is necessary and appropriate" to enable the agencies "to determine whether such acquisitions may, if consummated, violate the antitrust laws." 15 U.S.C. 18a(d). Congress similarly granted rulemaking authority to, among other things, "prescribe such other rules as may be necessary and appropriate to carry out the purposes of this section." *Id.*

Pursuant to that section, the Commission, with the concurrence of the Assistant Attorney General, developed the HSR Rules and the corresponding Notification and Report Form.

On August 26, 2022, the Commission sought comment on the reporting requirements associated with the HSR Rules and corresponding Notification and Report Form. 87 FR 52569. No relevant comments were received. Pursuant to the OMB regulations, 5 CFR part 1320, that implement the PRA, 44 U.S.C. 3501 *et seq.*, the FTC is providing this second opportunity for public comment while seeking OMB approval to renew the pre-existing clearance for those information collection requirements.

#### Burden Statement

The following burden estimates are primarily based on FTC data concerning the number of HSR filings and FTC staff's informal consultations with leading HSR counsel for outside parties.

#### *Estimated Total Annual Hours*

In fiscal year 2022, the FTC received 6,518 non-index filings. Based on an average annual increase in filings of 4.3% in the pre-COVID fiscal years
