### SUPPLEMENTARY INFORMATION:

Title: HSR Rules and Notification and Report Form, 16 CFR parts 801–803.

OMB Control Number: 3084–0005.

Type of Review: Extension of a currently approved collection.

Likely Respondents: Merging Parties.

Estimated Annual Hours Burden:

262,579 hours [derived from 7,096 non-

index filings × 37 hours/each) + (12 index filings × two hours/each) + (one withdrawn transaction later restarted × three hours)l.

Estimated Annual Cost Burden: \$120,786,340, which is derived from  $$460/hour \times 262,579 hours$ .

Abstract: Section 7A of the Clayton Act ("Act"), 15 U.S.C. 18a, as amended by the Hart-Scott-Rodino Antitrust Improvements Act of 1976, Public Law 94-435, 90 Stat. 1390, requires all persons contemplating certain mergers or acquisitions to file notification with the Commission and the Assistant Attorney General and to wait a designated period of time before consummating such transactions. Congress empowered the Commission, with the concurrence of the Assistant Attorney General, to require "that the notification . . . be in such form and contain such documentary material and information . . . as is necessary and appropriate" to enable the agencies "to determine whether such acquisitions may, if consummated, violate the antitrust laws." 15 U.S.C. 18a(d). Congress similarly granted rulemaking authority to, among other things, "prescribe such other rules as may be necessary and appropriate to carry out the purposes of this section." Id.

Pursuant to that section, the Commission, with the concurrence of the Assistant Attorney General, developed the HSR Rules and the corresponding Notification and Report Form.

On August 26, 2022, the Commission sought comment on the reporting requirements associated with the HSR Rules and corresponding Notification and Report Form. 87 FR 52569. No relevant comments were received. Pursuant to the OMB regulations, 5 CFR part 1320, that implement the PRA, 44 U.S.C. 3501 et seq., the FTC is providing this second opportunity for public comment while seeking OMB approval to renew the pre-existing clearance for those information collection requirements.
