2020 Census Tribal Consultation

AGENCY: Census Bureau, Department of Commerce.

ACTION: Notice of public meeting.

SUMMARY: The Census Bureau will conduct a virtual tribal consultation on the Proof of Concept for the Detailed Demographic and Housing Characteristics File A (DHC-A) on February 23, 2023. Feedback on the Proof of Concept will help inform final decisions on the 2020 Census Detailed DHC-A. The tribal consultation reflects the Census Bureau's continuous commitment to strengthen nation-to-nation relationships with federally recognized tribes. The Census Bureau's procedures for outreach, notice, and consultation ensure involvement of tribes to the extent practicable and permitted by law before making decisions or implementing policies, rules, or programs that affect federally recognized tribal governments. These meetings are open to citizens of federally recognized tribes by invitation. The Census Bureau provided information on the feedback it is seeking in preparation for the tribal consultation focused on the Proof of Concept for the Detailed DHC-A. In that regard, the Census Bureau is asking tribal governments to review the Proof of Concept and accompanying materials. We would like to hear from tribal nations if they will be impacted positively, negatively, or not at all, if we release the Detailed DHC-A using the current specifications outlined in the Proof of Concept. Please provide the level of geography, description of the use case(s), and implications should the data be released as reflected in this Proof of Concept. The purpose of the tribal consultation is to hear tribes' recommendations.

DATES: The Census Bureau will conduct a tribal consultation on Thursday, February 23, 2023, from 3:00 to 4:30 p.m. EST. Any questions or topics to be considered in the tribal consultation meeting must be received in writing via email by February 1, 2023.

Deadline date for input: March 2, 2023. In the subject line, put "2020 Census Detailed DHC-A."

FOR FURTHER INFORMATION CONTACT: Dee Alexander Tribal Affairs Coordinator, Office of Congressional and Intergovernmental Affairs, U.S. Census Bureau, Washington, DC 20233; telephone (301) 763-6100; or email at ocia.tao@census.gov.

SUPPLEMENTARY INFORMATION: In accordance with Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, issued November 6, 2000, the Census Bureau has adhered to its tribal consultation policy by seeking the input of tribal governments in the planning and implementation of the 2020 Census with the goal of ensuring the most accurate counts and data for the American Indian and Alaska Native population. The Census Bureau is planning a tribal consultation on February 23, 2023, with federally recognized tribes, so tribes can provide feedback on the Proof of Concept for the Detailed Demographic and Housing Characteristics File A (Detailed DHC-A). The Detailed DHC-A and Detailed DHC-B are successors to the American Indian and Alaska Native Summary File (AIANSF) that was produced in previous censuses. The current Proof of Concept focuses on Detailed DHC-A, and the Census Bureau will provide more information on Detailed DHC-B later. The Detailed DHC-A provides population counts and sex by age statistics for approximately 370 detailed racial and ethnic groups, such as German, Lebanese, Jamaican, Chinese, Native Hawaiian, and Mexican, as well as about 1,200 detailed American Indian and Alaska Native tribal and village population groups, such as Native Village of Hooper Bay (Naparyarmiut) and Navajo Nation. The Proof of Concept demonstrates how the product's differentially private algorithm, called SafeTab-P, determines the amount of data each tribe or village will receive based on population size

and geography level while ensuring sufficient confidentiality protections.

Detailed Demographic and Housing Characteristics File A (Detailed DHC–A)

- *Subjects:* Population counts and sex by age statistics for approximately 370 detailed racial and ethnic groups, such as German, Lebanese, Jamaican, Chinese, Native Hawaiian, and Mexican, as well as about 1,200 detailed American Indian and Alaska Native tribal and village population groups, such as Native Village of Hooper Bay (Napararmiut) and Navajo Nation.

- The Detailed DHC–A uses a design that determines the amount of data tribes and villages will receive based on group size and geography level. This design will use minimum population counts to determine eligibility for a total population count table and an age by sex table. The 2010 AIANSF used a single population threshold of 100 for every table in every geographic area (2010 AIANSF technical documentation page 1–1). The proposed thresholds for the 2020 Detailed DHC–A product are determined dynamically and are all less than 100 in the Proof of Concept product.

- *Access:* data.census.gov.

- *Geographies:* Nation, state, county, American Indian/Alaska Native/Native Hawaiian (AIANNH) areas, place (cities and towns) and census tract.

- *Planned release date:* August 2023.

Detailed Demographic and Housing Characteristics File B (Detailed DHC–B)

- *Subjects:* Household type and tenure (*i.e.*, owner- or renter-occupied) for the same detailed race and ethnicity groups and American Indian and Alaska Native tribal and village population groups mentioned for the Detailed DHC–A.

- The Detailed DHC–B has a proposed design similar to the Detailed DHC–A.

- *Access:* data.census.gov.

- *Geographies:* Nation, state, county, American Indian/Alaska Native/Native Hawaiian (AIANNH) areas, place (cities and towns) and census tract.

- *Planned release date:* To be determined.

Submit your comments by email by March 2, 2023. Send comments to: 2020DAS@census.gov with the subject “2020 Census Detailed DHC–A.”

Robert L. Santos, Director, Census Bureau, approved the publication of this notification in the **Federal Register**.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that Industrias Negromex S.A. de C.V. (Negromex) did not make sales of emulsion styrene-butadiene rubber (ESB rubber) from Mexico at less than normal value during the period of review (POR), September 1, 2020, through August 31, 2021.

DATES: Applicable January 20, 2023.

FOR FURTHER INFORMATION CONTACT: Christopher Maciuba, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–0413.

SUPPLEMENTARY INFORMATION:

Background

On September 29, 2022, Commerce published the *Preliminary Results* and invited interested parties to comment.¹ No interested party submitted comments on the *Preliminary Results*. Accordingly, the final results remain unchanged from the *Preliminary Results*. Commerce conducted this review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

Scope of the Order²

The merchandise covered by the *Order* is cold-polymerized emulsion styrene-butadiene rubber. For a complete description of the scope of the *Order*, see the *Preliminary Results*.

¹ See *Emulsion Styrene-Butadiene Rubber from Mexico: Preliminary Results of the Antidumping Duty Administrative Review; 2020–2021*, 87 FR 59050 (September 29, 2022) (*Preliminary Results*), and accompanying Preliminary Decision Memorandum.

² See *Emulsion Styrene-Butadiene Rubber from Brazil, the Republic of Korea, Mexico, and Poland: Antidumping Duty Orders*, 82 FR 42790 (September 12, 2017) (*Order*).

Final Results of Review

We determine that the following weighted-average dumping margin exists for the respondent for the POR, September 1, 2020, through August 31, 2021:

| Exporter/producer | Weighted-average dumping margin (percent) |
|---------------------------------------|---|
| Industrias Negromex S.A. de C.V. | 0.00 |

Disclosure

Because Commerce received no comments on the *Preliminary Results*, we have not modified our analysis and no decision memorandum accompanies this **Federal Register** notice. We are adopting the *Preliminary Results* as the final results of this review. Consequently, there are no new calculations to disclose in accordance with 19 CFR 351.224(b) for these final results.

Assessment Rates

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b)(1), Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. For Negromex, because its weighted-average dumping margin is zero, we will instruct CBP to liquidate entries reported in this review without regard to antidumping duties. Consistent with Commerce’s assessment practice, for entries of subject merchandise during the POR produced by Negromex for which it did not know its merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.³

Commerce intends to issue assessment instructions to CBP no earlier than 41 days after the date of publication of the final results of this review in the **Federal Register**, in accordance with 19 CFR 356.8(a).

Cash Deposit Requirements

The following cash deposit requirements for estimated antidumping duties will be effective for all shipments of subject merchandise entered, or
