SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–195, OMB Control No. 3235–0198]

Proposed Collection; Comment Request; Extension: Rule 15c2–5

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the existing collection of information provided for in Rule 15c2–5 (17 CFR 240.15c2–5) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) (“Exchange Act”). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Rule 15c2–5 prohibits a broker-dealer from arranging or extending certain loans to persons in connection with the offer or sale of securities unless, before any element of the transaction is entered into, the broker-dealer: (1) delivers to the person a written statement containing the exact nature and extent of the person’s obligations under the loan arrangement; the risks and disadvantages of the loan arrangement; and all commissions, discounts, and other remuneration received and to be received in connection with the transaction by the broker-dealer or certain related persons (unless the person receives certain materials from the lender or broker-dealer which contain the required information); and (2) obtains from the person information on the person’s financial situation and needs, reasonably determines that the transaction is suitable for the person, and retains on file and makes available to the person on request a written statement setting forth the broker-dealer’s basis for determining that the transaction was suitable.

The collection of information required by Rule 15c2–5 is necessary to execute the Commission’s mandate under the Exchange Act to prevent fraudulent, manipulative, and deceptive acts and practices by broker-dealers.

The Commission estimates that there are approximately 50 respondents that require an aggregate total of 600 hours to comply with Rule 15c2–5.¹ Each of these approximately 50 registered broker-dealers makes an estimated six annual responses, for an aggregate total of 300 responses per year.² Each response takes approximately two hours to complete. Thus, the total hour burden per year is approximately 600 hours.³ The approximate internal compliance cost per hour is \$66.00 for clerical labor,⁴ resulting in a total internal compliance cost of approximately \$39,600 per year.⁵ These reflect internal labor costs; there are no external labor, capital, or start-up costs.

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted by March 27, 2023.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments to: David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o John Pezzullo, 100 F Street NE, Washington, DC 20549, or send an email to: PRA_Mailbox@sec.gov.

Dated: January 18, 2023.

Assistant Secretary.

BILLING CODE 8011–01–P

¹ 50 respondents × 6 responses per year × 2 hours per response = 600 hours per year.

² 50 respondents × 6 responses per year = 300 responses per year.

³ 300 responses per year × 2 hours per response = 600 hours per year.

⁴ Cost per hour for a clerk is from SIFMA’s Office Salaries in the Securities Industry 2013, modified by Commission staff to account for an 1800-hour work-year, multiplied by 2.93 to account for bonuses, firm size, employee benefits and overhead, and adjusted by a factor of 1.0965 to account for inflation.

⁵ 600 hours per year × \$66.00 per hour = \$39,600 per year.
