Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend the NYSE Arca Options Fee Schedule

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 ("Act")² and Rule 19b-4 thereunder,³ notice is hereby given that, on January 3, 2023, NYSE Arca, Inc. ("NYSE Arca" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule

change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its NYSE Arca Options Fees and Charges (the "Fee Schedule") with respect to certain regulatory fees related to the Central Registration Depository ("CRD" or "CRD system"), which are collected by the Financial Industry Regulatory Authority, Inc. ("FINRA"). The Exchange proposes to implement the fee change on January 3, 2023. The proposed rule change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the Fee Schedule with respect to certain regulatory fees collected by FINRA for use of CRD.⁴ The Exchange proposes to implement the fee changes effective January 3, 2023.

FINRA collects and retains certain regulatory fees via CRD for the registration of associated persons of Exchange OTP Holders and OTP Firms that are not FINRA members ("Non-

⁴ CRD is the central licensing and registration system for the U.S. securities industry. The CRD system enables individuals and firms seeking registration with multiple states and self-regulatory organizations to do so by submitting a single form, fingerprint card, and a combined payment of fees to FINRA. Through the CRD system, FINRA maintains the qualification, employment, and disciplinary histories of registered associated persons of broker-dealers.

FINRA OTP Holders’).⁵ CRD fees are user-based, and there is no distinction in the cost incurred by FINRA if the user is a FINRA member or a Non-FINRA OTP Holder.

FINRA recently amended two of the fees assessed for use of the CRD system.⁶ Accordingly, the Exchange proposes to amend the Fee Schedule to mirror the fees assessed by FINRA, which will be implemented concurrently with the amended FINRA fee as of January 2023.⁷ Specifically, the Exchange proposes to amend the Fee Schedule to modify the fee charged to Non-FINRA OTP Holders for additional processing of each initial or amended Form U4, Form U5 or Form BD that includes the initial reporting, amendment, or certification of one or more disclosure events or proceedings from \$110 to \$155⁸ and the fee for processing and posting to the CRD system each set of fingerprints submitted electronically to FINRA, plus any other charge that may be imposed by the U.S. Department of Justice for processing each set of fingerprints, from \$15 to \$20.⁹

The Exchange notes that the proposed change is not otherwise intended to address any other issues surrounding regulatory fees, and the Exchange is not aware of any problems that OTP Holders would have in complying with the proposed change.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,¹⁰ in general, and furthers the objectives of Section

⁵ The Exchange originally adopted fees for use of the CRD system in 2005 and amended those fees in 2013 and 2022. See Securities Exchange Act Release No. 51641 (May 2, 2005), 70 FR 24155 (May 6, 2005) (SR-PCX-2005-49); Securities Exchange Act Release No. 68590 (January 4, 2013), 78 FR 2470 (January 11, 2013) (SR-NYSEArca-2012-145); Securities Exchange Act Release No. 93899 (January 5, 2022), 87 FR 1455 (January 11, 2022) (SR-NYSEArca-2021-106). While the Exchange lists these fees in its Fee Schedule, it does not collect or retain these fees.

⁶ See Securities Exchange Act Release No. 90176 (October 14, 2020), 85 FR 66592 (October 20, 2020) (SR-FINRA-2020-032).

⁷ The Exchange notes that it has only adopted the CRD system fees charged by FINRA to Non-FINRA OTP Holders when such fees are applicable. In this regard, certain FINRA CRD system fees and requirements are specific to FINRA members, but do not apply to NYSE Arca-only OTP Holders. Non-FINRA OTP Holders have been charged CRD system fees since 2005. See note 5, *supra*. OTP Holders that are also FINRA members are charged CRD system fees according to Section 4 of Schedule A to the FINRA By-Laws.

⁸ See Section (4)(b)(3) of Schedule A to the FINRA By-laws.

⁹ See Section (4)(b)(4) of Schedule A to the FINRA By-laws.

¹⁰ 15 U.S.C. 78f(b).

6(b)(4)¹¹ of the Act, in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges. The Exchange also believes that the proposed rule change is consistent with Section 6(b)(5) of the Act,¹² in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange believes that the proposed fee change is reasonable because the fee will be identical to that adopted by FINRA for use of the CRD system to submit an initial or amended Form U4, Form U5 or Form BD that includes the initial reporting, amendment, or certification of one or more disclosure events or proceedings and the posting to CRD each set of fingerprints submitted electronically to FINRA. The costs of operating and improving the CRD system are similarly borne by FINRA when a Non-FINRA OTP Holder uses the CRD system; accordingly, the fees collected for such use should, as proposed by the Exchange, mirror the fees assessed to FINRA members. In addition, as FINRA noted in amending its fees, it believes that its proposed pricing structure is reasonable and correlates fees with the components that drive its regulatory costs to the extent feasible. The Exchange further believes that the change is reasonable because it will provide greater specificity regarding the CRD system fees that are applicable to Non-FINRA OTP Holders. All similarly situated OTP Holders are subject to the same fee structure, and every OTP Holder must use the CRD system for registration and disclosure. Accordingly, the Exchange believes that the fees collected for such use should likewise increase in lockstep with the fees assessed to FINRA members, as is proposed by the Exchange.

The Exchange also believes that the proposed fee change provides for the equitable allocation of reasonable fees and other charges, and does not unfairly discriminate between customers, issuers, brokers, and dealers. The fee applies equally to all individuals and firms required to report information the

CRD system, and the proposed change will result in the same regulatory fees being charged to all OTP Holders required to report information to CRD and for services performed by FINRA regardless of whether such OTP Holders are FINRA members. Accordingly, the Exchange believes that the fee collected for such use should increase in lockstep with the fee adopted by FINRA as of January 2023, as is proposed by the Exchange.

B. Self-Regulatory Organization’s Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,¹³ the Exchange believes that the proposed rule change would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Specifically, the Exchange believes that the proposed change will reflect fees that will be assessed by FINRA as of January 2023 and will thus result in the same regulatory fees being charged to all OTP Holders required to report information to the CRD system and for services performed by FINRA, regardless of whether or not such OTP Holders are FINRA members.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)¹⁴ of the Act and subparagraph (f)(2) of Rule 19b-4¹⁵ thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁶ of the Act to determine whether the proposed rule

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-389, OMB Control No. 3235-0444]

Submission for OMB Review; Comment Request; Extension: Rule 10b-10

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) ("PRA"), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for approval of extension of the previously approved collection of information provided for in Rule 10b-10 (17 CFR 240.10b-10) under the Securities and Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Rule 10b-10 requires broker-dealers to convey specified information to customers regarding their securities transactions. This information includes the date and time of the transaction, the identity and number of shares bought or sold, and whether the broker-dealer acts as agent for the customer or as principal for its own account. Depending on whether the broker-dealer acts as agent or principal, Rule 10b-10 requires the disclosure of commissions, as well as mark-up and mark-down information. For transactions in debt securities, Rule 10b-10 requires the disclosure of redemption and yield information. Rule 10b-10 potentially applies to all of the approximately 3,531 firms registered with the Commission that effect transactions for or with customers.

Based on information provided by registered broker-dealers to the Commission in FOCUS Reports, the Commission staff estimates that on average, registered broker-dealers process approximately 27,151,388,510 order tickets per year for transactions for or with customers. Each order ticket representing a transaction effected for or with a customer generally results in one confirmation. Therefore, the Commission staff estimates that

approximately 27,151,388,510 confirmations are sent to customers annually. The confirmations required by Rule 10b-10 are generally processed through automated systems. It takes approximately 30 seconds to generate and send a confirmation. Accordingly, the Commission staff estimates that broker-dealers spend approximately 226,261,571 hours per year complying with Rule 10b-10 ($27,151,388,510 \times .5 \div 60$).

The number of confirmations sent and the cost of sending each confirmation varies from firm to firm. Smaller firms generally send fewer confirmations than larger firms because they effect fewer transactions. The Commission staff estimates the cost of producing and sending a paper confirmation, including postage, to be approximately 67 cents. The Commission staff also estimates that the cost of producing and sending a wholly electronic confirmation is approximately 40 cents. Based on informal discussions with industry participants, as well as representations made in requests for exemptive and no-action letters relating to Rule 10b-10, the staff estimates that broker-dealers used electronic confirmations for approximately 35 percent of transactions. Based on these calculations, Commission staff estimates that 17,648,402,532 paper confirmations are mailed each year at a cost of \$11,824,429,696. Commission staff also estimates that 9,502,985,979 wholly electronic confirmations are sent each year at a cost of \$3,801,194,392. Accordingly, Commission staff estimates that the total annual cost associated with generating and delivering to investors the information required under Rule 10b-10 is approximately \$15,625,624,088.
