Certain Softwood Lumber Products From Canada: Preliminary Results, Partial Rescission, and Preliminary Intent To Rescind, in Part, the Countervailing Duty Administrative Review, 2021

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that countervailable subsidies are being provided to producers and exporters of certain softwood lumber products (softwood lumber) from Canada during the period of review (POR), January 1, 2021, through December 31, 2021. With respect to 66 companies, we are rescinding this administrative review because either the request for review of the company was timely withdrawn or the company did not have any reviewable entries of subject merchandise during the POR. Additionally, with respect to one company, we intend to rescind this administrative review. Interested parties are invited to comment on these preliminary results.

DATES: Applicable January 27, 2023.

SUPPLEMENTARY INFORMATION:

Background

On January 3, 2018, Commerce published in the **Federal Register** the countervailing duty (CVD) order on softwood lumber from Canada.¹ Several interested parties requested that Commerce conduct an administrative review of the *Order* and, on March 9, 2022, Commerce published in the **Federal Register** a notice of initiation of the fourth administrative review.² On

¹ See *Certain Softwood Lumber Products from Canada: Amended Final Affirmative Countervailing Duty Determination and Countervailing Duty Order*, 83 FR 347 (January 3, 2018) (*Order*).

² See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 87 FR 13252 (March 9, 2022) (*Initiation Notice*).

April 12, 2022, we published in the **Federal Register** an additional notice of initiation of administrative review for two companies that were inadvertently excluded from the March 9, 2022 notice.³ On April 26, 2022, Commerce selected Canfor Corporation and West Fraser Mills Ltd. as the mandatory respondents in the administrative review.⁴ On August 19, 2022, Commerce selected J.D. Irving, Limited as a voluntary respondent in the administrative review.⁵

On September 12, 2022, Commerce extended the deadline for the preliminary results of this administrative review to January 23, 2023, in accordance with 19 CFR 351.213(h)(2).⁶ For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁷ The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The product covered by this order is certain softwood lumber products from Canada. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of a CVD order where it concludes that there were no reviewable entries of subject merchandise during the POR for an exporter or producer. Normally, upon completion of an administrative review, the suspended entries are liquidated at

the CVD assessment rate for the review period.⁸ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the calculated CVD assessment rate for the review period.⁹

Based on our analysis of CBP data and comments received from interested parties, we determine that 51 producers/exporters, for which a review had been requested, had no reviewable shipments, sales, or entries of subject merchandise during the POR. Accordingly, absent evidence of a shipment on the record, we are rescinding the administrative review of the following companies, pursuant to 19 CFR 351.213(d)(3):

Additionally, pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. On June 7, 2022, the petitioner¹¹ timely withdrew its request for administrative review of all producers/exporters except Weyerhaeuser Co.¹² With respect to 15 producers/exporters listed in the petitioner's withdrawal of review request, neither the producer/exporter itself, nor any other party, besides the petitioner, requested a review. Preliminary Intent To Rescind Administrative Review, in Part

Based on our analysis of the CBP entry data, we preliminarily determine that North American Forest Products Ltd. (located in Saint-Quentin, New Brunswick) had no reviewable shipments, sales, or entries of subject merchandise during the POR. Absent any evidence of shipments placed on

the record, pursuant to 19 CFR 351.213(d)(3), we intend to rescind the administrative review of this company in the final results of review. For further information, see “Preliminary Intent to Rescind Administrative Review, in Part” in the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this CVD administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an “authority” that confers a benefit to the recipient, and that the subsidy is specific.¹³ For a full description of the methodology underlying our preliminary conclusions, see the Preliminary Decision Memorandum. The list of topics discussed in the Preliminary Decision Memorandum is included at Appendix I.

Preliminary Rate for Non-Selected Companies Under Review

There are 219 companies for which a review was requested and not rescinded but were not selected as mandatory respondents. The statute and Commerce's regulations do not directly address the establishment of rates to be applied to companies not selected for individual examination where Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation.

Section 705(c)(5)(A)(i) of the Act instructs Commerce, as a general rule, to calculate an all-others rate equal to the weighted average of the countervailable subsidy rates established for exporters and/or producers individually examined, excluding any zero, *de minimis*, or rates based entirely on facts available. In this review, none of the rates for the respondents were zero, *de minimis*, or based entirely on facts available. Therefore, for the POR, we are assigning to the non-selected companies an average of the subsidy rates calculated for the companies that were selected as respondents in the administrative review.

¹³ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

¹¹ The petitioner is the COALITION, an *ad hoc* association whose members are: U.S. Lumber Coalition, Inc.; Collum's Lumber Products, L.L.C.; Fox Lumber Sales, Inc.; Hankins, Inc.; Pleasant River Lumber Company; PotlatchDeltic; Rex Lumber Company; S.I. Storey Lumber Co., Inc.; Stimson Lumber Company; Swanson Group; Weyerhaeuser Company; Carpenters Industrial Council; Justina Land and Timber Company; and Sullivan Forestry Consultants, Inc.

¹² See Petitioner's Letter, “Withdrawal of Request for Administrative Review,” dated June 7, 2022.

⁸ See 19 CFR 351.212(b)(2).

⁹ See 19 CFR 351.213(d)(3).

¹⁰ Hy Mark Wood Products Inc. also submitted a letter withdrawing its review request. See Hy Mark Wood Products Inc.'s Letter, “Hy Mark Wood Products Inc. Withdrawal of Review Request,” dated April 6, 2022.

For further information on the calculation of the non-selected rate, *see* “Preliminary *Ad Valorem* Rate for Non-Selected Companies under Review” in the Preliminary Decision Memorandum.

For a list of the non-selected companies, *see* Appendix II to this notice.

Preliminary Results of Review

For the period January 1, 2021, through December 31, 2021, we preliminarily determine the following estimated countervailable subsidy rates:

Companies	Subsidy rate (percent <i>ad valorem</i>)
Canfor Corporation and its cross-owned affiliates ¹⁴	2.04
J.D. Irving, Limited and its cross-owned affiliates ¹⁵	1.72
West Fraser Mills Ltd. and its cross-owned affiliates ¹⁶	2.48
Non-Selected Companies	2.19

Disclosure

We intend to disclose to parties to this proceeding the calculations performed in these preliminary results within five days of publication of this notice in the **Federal Register**.¹⁷

Verification

As provided in section 782(i)(3) of the Act, Commerce intends to verify the information relied upon here for its final results.

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance.¹⁸ A timeline for the submission of case and rebuttal briefs and written comments will be provided to interested parties at a later date. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information until further notice.¹⁹

Pursuant to 19 CFR 351.309(c) and (d)(2), parties who submit case briefs or rebuttal briefs in this review are requested to submit for each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Pursuant to 19 CFR 351.310(c)(2), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must do so within 30 days of publication of these preliminary results by submitting a written request to the Assistant Secretary for Enforcement and Compliance using ACCESS. Requests should contain the party’s name, address, and telephone number; the number of participants; and a list of the issues to be discussed. If a request for

a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should confirm the date and time of the hearing two days before the scheduled date. Parties are reminded that all briefs and hearing requests must be filed electronically using ACCESS and received successfully in their entirety by 5:00 p.m. Eastern Time on the due date.

Final Results

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised by parties in their comments, within 120 days after the date of publication of these preliminary results.

Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), Commerce has preliminarily assigned the subsidy rates as indicated above. Pursuant to section 751(a)(2)(C) of the Act, upon issuance of the final results, Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review. Commerce intends to issue assessment instructions to CBP no earlier than 41 days after the date of publication of the final results of this review in the **Federal Register**, in accordance with 19 CFR 356.8(a). If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for statutory injunction has expired (*i.e.*, within 90 days of publication).

For the companies for which this review is rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2021, through December 31, 2021, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue rescission instructions to CBP no earlier than 41 days after the date of publication of the notice of rescission in the **Federal Register**.

Cash Deposit Requirements

Pursuant to section 751(a)(1) of the Act, Commerce intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts indicated above for each of the respective companies listed above and in Appendix II with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed companies, we will instruct CBP to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Interested Parties

These preliminary results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Certain Softwood Lumber Products From Canada: Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) is conducting an administrative review of the antidumping duty (AD) order on certain softwood lumber products (softwood

lumber) from Canada. The period of review (POR) is January 1, 2021, through December 31, 2021. Commerce preliminarily determines that the producers/exporters subject to this review made sales of subject merchandise at less than normal value. We invite interested parties to comment on these preliminary results.

DATES: Applicable January 27, 2023.

FOR FURTHER INFORMATION CONTACT: Jeff Pedersen (Canfor) and Maisha Cryor (West Fraser), AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2769 and (202) 482-5831, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 9, 2022, based on timely requests for administrative reviews, Commerce initiated an AD administrative review covering 291 companies and has not rescinded the review of any of these companies.¹ Thus, the review covers 291 producers/exporters of the subject merchandise, including mandatory respondents Canfor² and West Fraser.³ On September 14, 2022, we extended the preliminary results until January 23, 2023.⁴

Scope of the Order

The product covered by this order is softwood lumber from Canada. For a full description of the scope, see the Preliminary Decision Memorandum.⁵

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended

Preliminary Results of Review

We preliminarily determine that the following weighted-average dumping margins exist for the period January 1, 2021, through December 31, 2021:

Exporter/producer	Weighted-average dumping margin (percent)
Canfor Corporation/Canadian Forest Products Ltd./Canfor Wood Products Marketing Ltd	5.25
West Fraser Mills Ltd./Blue Ridge Lumber Inc./Manning Forest Products Ltd./and Sundre Forest Products Inc.	6.90
Non-Selected Companies	6.05

Rate for Companies Not Individually Examined

Generally, when calculating margins for non-selected respondents, Commerce looks to section 735(c)(5) of the Act for guidance, which provides instructions for calculating the all-others rate in an investigation. Section 735(c)(5)(A) of the Act provides that when calculating the all-others rate, Commerce will exclude any zero and *de minimis* weighted-average dumping margins, as well as any weighted-average dumping margins based on total facts available. Accordingly, Commerce’s usual practice has been to average the margins for selected respondents, excluding margins that are zero, *de minimis*, or based entirely on facts available.

In this review, we calculated a weighted-average dumping margin of 5.25 percent for Canfor and 6.90 percent for West Fraser. In accordance with section 735(c)(5)(A) of the Act, Commerce assigned the weighted average of these two calculated weighted-average dumping margins based on their publicly ranged sales
