## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–96744; File No. SR–BOX–2023–04]

### Self-Regulatory Organizations; BOX Exchange LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Exchange's Limited Liability Company Agreement, in Connection With the Name Change of Unit Holder and Make Conforming Changes to the Amended and Restated Limited Liability Company Agreement of Its Facility BOX Market LLC

January 24, 2023.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),<sup>1</sup> and Rule 19b–4 thereunder,<sup>2</sup> notice is hereby given that on January 11, 2023, BOX Exchange LLC (the “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the Exchange's Limited Liability Company Agreement (the “Exchange LLC Agreement”), in connection with the name change of Unit Holder. Lastly, the Exchange proposes to make conforming changes to the Amended and Restated Limited Liability Company Agreement of its facility BOX Market LLC Agreement (the “Market LLC Agreement”). The text of the proposed rule change is available from the principal office of the Exchange, at the Commission's Public Reference Room and also on the Exchange's internet website at <https://rules.boxexchange.com/rulefilings>.

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b–4.

## II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

#### 1. Purpose

The purpose of this filing is to reflect in the Exchange's governing documents changes to the corporate structure of an Exchange Unit Holder—MX US 2, Inc. ("MX US 2"). Specifically, on December 15, 2022, MX US 2 Inc. converted from a Delaware Corporation to a Delaware Limited Liability Company and is now known as MX US 2 LLC. The Exchange intends for these changes to be effective upon filing.

As proposed, all references to MX US 2, Inc. will be deleted and revised to state the new name, MX US 2 LLC. No other substantive changes are being proposed in this filing. The Exchange represents that these changes are concerned solely with the administration of the Exchange and do not affect the meaning, administration, or enforcement of any rules of the Exchange or the rights, obligations, or privileges of Exchange members or their associated persons in any way. Accordingly, this filing is being submitted under Rule 19b-4(f)(3).

#### 2. Statutory Basis

The Exchange believes that the proposal is consistent with the requirements of section 6(b) of the Act,<sup>3</sup> in general, and section 6(b)(5) of the Act.<sup>4</sup> Specifically, the Exchange believes the proposed rule change is consistent with the section 6(b)(1)<sup>5</sup> in that it enables the Exchange to be so organized as to have the capacity to be able to carry out the purposes of the Exchange Act and to comply, and to enforce compliance by its exchange members and persons associate with its exchange members, with the provisions

of the Exchange Act, the rules and regulations thereunder, and the rules of the Exchange.

In particular, the proposed change is a non-substantive change and does not impact the governance, ownership or operations of the Exchange. The Exchange believes that by ensuring that the Exchange and Market LLC Agreements accurately reflect the new legal name of a Unit Holder, the proposed rule change would reduce potential investor or market participant confusion.

Further, the Exchange believes that the changes to the Exchange and Market LLC Agreements would remove impediments to, and perfect the mechanism of a free and open market and a national market system and, in general, protect investors and the public interest because the change would accurately reflect the new legal name of a Unit Holder, thereby reducing potential confusion.

### B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but rather is concerned solely with updating the Exchange and Market LLC Agreements documents to reflect the change in name of a Unit Holder.

### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, it has become effective pursuant to section 19(b)(3)(A) of the Act<sup>6</sup> and Rule 19b-4(f)(6)<sup>7</sup> thereunder.

<sup>6</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>7</sup> 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change,

A proposed rule change filed under Rule 19b-4(f)(6)<sup>8</sup> normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),<sup>9</sup> the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposed rule change may become operative upon filing. The Exchange requested the waiver because the proposed change seeks to accurately reflect the new legal name of a Unit Holder which could, in turn, reduce any potential investor confusion. For this reason, and because the proposed rule change does not raise any novel regulatory issues, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission hereby waives the operative delay and designates the proposal operative upon filing.<sup>10</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

## IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

### Electronic Comments

- Use the Commission's internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

<sup>8</sup> 17 CFR 240.19b-4(f)(6).

<sup>9</sup> 17 CFR 240.19b-4(f)(6)(iii).

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-96742; File No. SR-CBOE-2023-007]

### Self-Regulatory Organizations; Cboe Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Update Its Fees Schedule

January 24, 2023.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on January 17, 2023, Cboe Exchange, Inc. (the "Exchange" or "Cboe Options") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Cboe Exchange, Inc. (the "Exchange" or "Cboe Options") proposes to update its Fees Schedule. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange's website (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

#### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

The Exchange proposes to amend its Fees Schedule in connection with certain surcharges, the S&P 500 Index ("SPX") options and SPX weekly ("SPXW") options Lead Market Maker ("LMM") Incentive Programs, and footnote 49 related to transaction fees in Mini-SPX Index ("XSP") options.<sup>3</sup>

First, the Exchange proposes to increase the Index License Surcharge applicable to orders executed MSCI Emerging Markets Index ("MXEF") options and MSCI EAFE Index ("MXEA") options (collectively, "MSCI options") in Rate Table—All Products Excluding Underlying Symbol List and to orders executed in A SPX (including SPXW) options in Rate Table—Underlying Symbol List A. Specifically, the Exchange currently assesses an Index License Surcharge fee of \$0.18 per contract for non-Customer orders executed in SPX/SPXW and an Index License Surcharge of \$0.12 per contract for non-Customer orders executed in MSCI options. The proposed rule change increases the Index License Surcharge fee applicable to orders executed in SPX/SPXW from \$0.18 per contract to \$0.20 per contract and the Index License Surcharge fee applicable to orders executed in MSCI options from \$0.12 to \$0.15. The Exchange notes that the Index License Surcharge fees in place for SPX/SPXW and MSCI options are designed to recoup some of the costs associated with the licenses for these indexes.<sup>4</sup> The cost of the license however still works out to more than the current SPX/SPXW and MSCI Index License Surcharge fees and the Exchange therefore proposes changes to the current Index License Surcharge fees for SPX/SPXW and MSCI options in order to continue to offset some of the costs associated with the licenses for these indexes.

The Exchange proposes to next adopt a Floor Broker Solicitation Surcharge Fee in Rate Table—Underlying Symbol List A of the Fees Schedule. Specifically, the Exchange proposes to assess \$0.15 per contract which would apply to solicited SPX and SPXW orders where one side is a Customer and both

<sup>3</sup> The Exchange initially filed the proposed fee changes on January 3, 2023 (SR-CBOE-2023-003). On January 17, 2023, the Exchange withdrew that filing and submitted this proposal.
