SUPPLEMENTARY INFORMATION:

Background

On July 13, 2022, we published a proposed rule (87 FR 41641) to remove the Puerto Rican boa from the Federal List of Endangered and Threatened Wildlife (List) under the Endangered Species Act of 1973, as amended (Act; 16 U.S.C. 1531 *et seq.*). The proposed rule opened a 60-day public comment period, ending September 12, 2022. During the comment period, we received a request for a public hearing that could not be accommodated prior to the close of the comment period. Therefore, we are reopening the proposed rule's comment period and announcing a public hearing (see **DATES** and **ADDRESSES**, above) to allow the public an additional opportunity to provide comments on the proposed rule.

For a description of previous Federal actions concerning the Puerto Rican boa and information on the types of comments that would be helpful to us in promulgating this rulemaking action, please refer to the July 13, 2022, proposed rule (87 FR 41641).

Public Hearing

We are holding a public hearing to accept comments on the July 13, 2022, proposed rule on the date and at the time listed above in **DATES**. We are holding the public hearing via the Zoom online video platform and via teleconference so that participants can attend remotely. For security purposes, registration is required. All participants

must register in order to listen and view the hearing via Zoom, listen to the hearing by telephone, or provide oral public comments at the hearing by Zoom or telephone. For information on how to register, or if technical problems occur joining Zoom on the day of the hearing, visit <https://www.fws.gov/office/caribbean-ecological-services/library>. Registrants will receive the Zoom link and the telephone number for the public hearing. If applicable, interested members of the public not familiar with the Zoom platform should view the Zoom video tutorials (<https://support.zoom.us/hc/en-us/articles/206618765-Zoom-video-tutorials>) prior to the public hearing.

The public hearing will provide interested parties an opportunity to present verbal testimony (formal, oral comments) regarding the July 13, 2022, proposed rule to delist the Puerto Rican boa (87 FR 41641). The public hearing will not be an opportunity for dialogue with the Service, but rather a forum for accepting formal verbal testimony. In the event there is a large attendance, the time allotted for oral statements may be limited. Therefore, anyone wishing to make an oral statement at the public hearing for the record is encouraged to provide a prepared written copy of their statement to us through the Federal eRulemaking Portal or U.S. mail (see **ADDRESSES**, above). There are no limits on the length of written comments submitted to us. Anyone wishing to make an oral statement at the public hearing must register before the hearing (<https://www.fws.gov/office/caribbean-ecological-services/library>). The use of a virtual public hearing is consistent with our regulations at 50 CFR 424.16(c)(3).

Reasonable Accommodation

The Service is committed to providing access to the public hearing for all participants. Closed captioning will be available during the public hearing in both English and Spanish. Participants will also have access to live audio during the public hearing via their telephone or computer speakers. Persons with disabilities requiring reasonable accommodations to participate in the hearing should contact the person listed under **FOR FURTHER INFORMATION CONTACT** at least 5 business days prior to the date of the hearing to help ensure availability. An accessible version of the Service's presentation will also be posted online at <https://www.fws.gov/office/caribbean-ecological-services/library> prior to the hearing (see **DATES**, above).
