Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping and/or countervailing duties on all appropriate entries during the periods of review noted above for each of the listed administrative reviews at rates equal to the cash deposit of estimated antidumping or countervailing duties, as applicable, required at the time of entry, or withdrawal of merchandise from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). ⁴ As stated in the **Federal Register** notice of the order, the order applies only to utility scale wind towers produced and exported by CS Wind Vietnam Co., Ltd., otherwise known as CS Wind Tower Co., Ltd., and its affiliated owner, CS Wind Corporation (collectively, the CS Wind Group). See *Utility Scale Wind Towers from Canada, Indonesia, the Republic of Korea, and the Socialist Republic of Vietnam: Antidumping Duty Orders*, 85 FR 52546, 52548 (August 26, 2020). However, the initiation notice inadvertently included 14 other producers or exporters of utility scale wind towers from the Socialist Republic of Vietnam. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 87 FR 61278, 61284 (October 11, 2022). We clarify that the administrative review for this order was initiated on entries by the producer/exporter combination to which this order applies (*i.e.*, entries both produced and exported by the CS Wind Group). With the publication of this **Federal Register** notice, Commerce is rescinding this review. Companies other than the producer/exporter combination specified above are covered by a different order. See *Utility Scale Wind Towers from the Socialist Republic of Vietnam: Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order*, 78 FR 11150 (February 15, 2013) (*Existing Wind Towers Order*). The next opportunity to request an administrative review of companies covered under the *Existing Wind Towers Order* will occur with the publication of the notice of opportunity to request an administrative review for orders with a February anniversary month in February 2023.

⁵ In the initiation notice, Commerce initiated reviews of Ningbo Decko Metal Products Trade and Zhejiang Limai Metal Products Co. Those companies should have been identified as Ningbo Decko Metal Products Trade Co., Ltd., and Zhejiang Limai Metal Products Co. Ltd. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 87 FR 74404 (December 5, 2022).

earlier than 35 days after the date of publication of this rescission notice in the **Federal Register** for rescinded administrative reviews of AD/CVD orders on countries other than Canada and Mexico. For rescinded administrative reviews of AD/CVD orders on Canada or Mexico, Commerce intends to issue assessment instructions to CBP no earlier than 41 days after the date of publication of this rescission notice in the **Federal Register**.

Notification to Importers

This notice serves as the only reminder to importers of merchandise subject to AD orders of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties and/or countervailing duties prior to liquidation of the relevant entries during the review period. Failure to comply with this requirement could result in the presumption that reimbursement of antidumping duties and/or countervailing duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in these segments of these proceedings. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

In accordance with Commerce's regulations, we are notifying the public of the filing of the scope ruling applications listed below in the month of December 2022.

DATES: Applicable January 31, 2023.

FOR FURTHER INFORMATION CONTACT: Terri Monroe, AD/CVD Operations, Customs Liaison Unit, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, telephone: (202) 482–1384.

¹ See *Regulations to Improve Administration and Enforcement of Antidumping and Countervailing Duty Laws*, 86 FR 52300, 52316 (September 20, 2021) (*Final Rule*) (“It is our expectation that the Federal Register list will include, where appropriate, for each scope application the following data: (1) identification of the AD and/or CVD orders at issue; (2) a concise public summary of the product's description, including the physical characteristics (including chemical, dimensional and technical characteristics) of the product; (3) the country(ies) where the product is produced and the country from where the product is exported; (4) the full name of the applicant; and (5) the date that the scope application was filed with Commerce.”)

² The Canvas Banner Matisse (“CBM”) of the scope ruling request is 600 denier 100% polyester fabric woven (*i.e.*, warp and weft) filament fiber, weighing approximately 270 GSM, that has been coated with polyvinyl acetate/acrylate type polymers. One side of the fabric has been coated and is visible to the naked eye. The coated side has hydrophobic sealing and fireproof agents. The bottom priming/coating does not promote the adherence of artistic materials. The fabrics are imported as rolls in various lengths with no designs. CBM is produced in China and is exported from China. The declared country of origin is China. CBM is properly classified under 5903.90.2500 which provides for “Textile fabrics impregnated, coated, covered or laminated with plastics, other than those of heading 5902: Other: Of manmade fibers: Other: Other”.

Notification to Interested Parties

This list of scope ruling applications is not an identification of scope inquiries that have been initiated. In accordance with 19 CFR 351.225(d)(1), if Commerce has not rejected a scope ruling application nor initiated the scope inquiry within 30 days after the filing of the application, the application will be deemed accepted and a scope inquiry will be deemed initiated the following day—day 31.³ Commerce's practice generally dictates that where a deadline falls on a weekend, Federal holiday, or other non-business day, the appropriate deadline is the next business day.⁴ Accordingly, if the 30th day after the filing of the application falls on a non-business day, the next business day will be considered the “updated” 30th day, and if the application is not rejected or a scope inquiry initiated by or on that particular business day, the application will be deemed accepted and a scope inquiry will be deemed initiated on the next business day which follows the “updated” 30th day.⁵

In accordance with 19 CFR 351.225(m)(2), if there are companion AD and CVD orders covering the same merchandise from the same country of origin, the scope inquiry will be conducted on the record of the AD proceeding. Further, please note that pursuant to 19 CFR 351.225(m)(1), Commerce may either apply a scope ruling to all products from the same country with the same relevant physical characteristics, (including chemical, dimensional, and technical characteristics) as the product at issue, on a country-wide basis, regardless of the producer, exporter, or importer of those products, or on a company-specific basis.

For further information on procedures for filing information with Commerce through ACCESS and participating in scope inquiries, please refer to the

³ In accordance with 19 CFR 351.225(d)(2), within 30 days after the filing of a scope ruling application, if Commerce determines that it intends to address the scope issue raised in the application in another segment of the proceeding (such as a circumvention inquiry under 19 CFR 351.226 or a covered merchandise inquiry under 19 CFR 351.227), it will notify the applicant that it will not initiate a scope inquiry, but will instead determine if the product is covered by the scope at issue in that alternative segment.

⁴ See *Notice of Clarification: Application of “Next Business Day” Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).

⁵ This structure maintains the intent of the applicable regulation, 19 CFR 351.225(d)(1), to allow day 30 and day 31 to be separate business days.

Filing Instructions section of the Scope Ruling Application Guide, at https://access.trade.gov/help/Scope_Ruling_Guidance.pdf. Interested parties, apart from the scope ruling applicant, who wish to participate in a scope inquiry and be added to the public service list for that segment of the proceeding must file an entry of appearance in accordance with 19 CFR 351.103(d)(1) and 19 CFR 351.225(n)(4). Interested parties are advised to refer to the case segment in ACCESS as well as 19 CFR 351.225(f) for further information on the scope inquiry procedures, including the timelines for the submission of comments.

Please note that this notice of scope ruling applications filed in AD and CVD proceedings may be published before any potential initiation, or after the initiation, of a given scope inquiry based on a scope ruling application identified in this notice. Therefore, please refer to the case segment on ACCESS to determine whether a scope ruling application has been accepted or rejected and whether a scope inquiry has been initiated.

Interested parties who wish to be served scope ruling applications for a particular AD or CVD order may file a request to be included on the annual inquiry service list during the anniversary month of the publication of the AD or CVD order in accordance with 19 CFR 351.225(n) and Commerce's procedures.⁶

Interested parties are invited to comment on the completeness of this monthly list of scope ruling applications received by Commerce.
