

America, Buy America (BABA) Waiver Request Data Collection.”

In accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. chapter 35) and Office of Management and Budget (OMB) regulations at 5 CFR part 1320, this notice provides the general public and Federal agencies with an opportunity to comment on the new information collection. This will help USDA assess the impact of its information collection requirements and minimize the public’s reporting burden.

USDA is soliciting comments on the proposed information collection described below. This will be a common form available for other Federal Agencies to adopt. The use of a common form will allow for greater standardization of information collection. USDA is especially interested in public comment addressing the following issues: (1) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency’s estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of technology. All responses to this notice will be summarized and included in the request for OMB approval. All comments will become a matter of public record.

Additional Information: Pursuant to the OMB procedures established at 5 CFR part 1320, USDA requests that the following information collection, Build America, Buy America (BABA) Waiver Request Data Collection, be processed in accordance with section 1320.13 Emergency Processing. This information collection is essential to USDA’s ability to effectively approve waiver requests for USDA recipients and subrecipients as required in accordance with section 70914 of BABAA and OMB Memorandum M–22–11. This information collection will keep projects moving and prevent immediate

delays to critically important infrastructure projects.

Tyson P. Whitney,

Director, Transparency and Accountability Reporting Division, Office of the Chief Financial Officer, U.S. Department of Agriculture.

Forest Service

Comprehensive River Management Plan (CRMP) for Middle Fork Snoqualmie and Pratt Wild and Scenic Rivers on Mt. Baker-Snoqualmie National Forest, Forest Service, King County, Washington

AGENCY: Forest Service, Agriculture (USDA).

ACTION: Notice of availability.

SUMMARY: In accordance with Section 3(d)(1) of the Wild and Scenic Rivers Act, the USDA Forest Service announces the completion and availability of a comprehensive river management plan (CRMP) for the Middle Fork Snoqualmie and Pratt Wild and Scenic Rivers.

FOR FURTHER INFORMATION CONTACT:

Information may be obtained by contacting Sarah Lange, Recreation Planner, Mt. Baker-Snoqualmie National Forest Supervisor’s Office, 2930 Wetmore Avenue, Suite #3, Everett, Washington, 98201, 425–293–4156, or at sarah.lange@usda.gov.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact USDA’s TARGET Center at 202–720–2600 (voice and TTY) or contact USDA through the Federal Relay Service at 800–877–8339. Additionally, program information may be made available in languages other than English.

SUPPLEMENTARY INFORMATION: On September 29, 2022, Mt. Baker-Snoqualmie Forest Supervisor Jody Weil signed a decision notice to adopt the CRMP for the Middle Fork Snoqualmie and Pratt Wild and Scenic Rivers on National Forest System Lands. The CRMP for the Middle Fork Snoqualmie and Pratt Wild and Scenic Rivers addresses resource protection, development of lands and facilities, user capacities, and other management practices necessary or desirable to achieve the purposes of the Wild and Scenic Rivers Act. This CRMP was prepared after consultation with Tribes

and State and local governments and the interested public. An Environmental Assessment (EA) was prepared as part of the CRMP development in compliance with the National Environmental Policy Act and other relevant federal laws and regulations. The EA discloses the direct, indirect, and cumulative environmental effects that would result from adopting the CRMP. The CRMP, EA and decision notices are available for review at the following website: <https://www.fs.usda.gov/project/?project=53997>. Also, the documents are available at the Mt. Baker-Snoqualmie National Forest Supervisor’s Office, 2930 Wetmore Avenue, Suite #3, Everett, Washington, 98201.

Dated: January 26, 2023.

Troy Heithecker,

Associate Deputy Chief, National Forest System.
