DEPARTMENT OF JUSTICE

Drug Enforcement Administration

**Reynaldo De Los Angeles, M.D.;
Decision and Order**

On October 24, 2022, the Drug Enforcement Administration (hereinafter, DEA or Government) issued an Order to Show Cause (hereinafter, OSC) to Reynaldo De Los Angeles, M.D. (hereinafter, Registrant). Request for Final Agency Action (hereinafter, RFAA), Exhibit (hereinafter, RFAAX) 2 (OSC), at 1, 3. The OSC proposed the revocation of Registrant's Certificate of Registration No. FD5611365 at the registered address of 1617 W 39th Street, Ste. 1, Kearney, NE 68845-2713. *Id.* at 1. The OSC alleged that Registrant's registration

should be revoked because Registrant is “without authority to handle controlled substance[s] in Nebraska, the state in which [he is] registered with DEA.” *Id.* at 2 (citing 21 U.S.C. 824(a)(3)).

The Agency makes the following findings of fact based on the uncontroverted evidence submitted by the Government in its RFAA dated December 20, 2022.¹

Findings of Fact

On October 5, 2022, the Nebraska Department of Health and Human Services (NDHHS) issued an Order temporarily suspending Registrant’s Nebraska medical license based on Registrant’s state criminal conviction from August of 2022.² RFAAX 3, Appendix A, at 1–4. On December 7, 2022, NDHHS issued an Order revoking Registrant’s Nebraska medical license based on both his state criminal conviction and on his lengthy disciplinary history with NDHHS. RFAAX 3, Appendix B, at 1, 5–6; *see also id.* at 12–70

According to Nebraska’s online records, of which the Agency takes official notice, Registrant’s license is still revoked.³ Nebraska Department of Health and Human Services License Information System Search, <https://www.nebraska.gov/LISSearch/search.cgi> (last visited date of signature of this Order). Accordingly, the Agency finds that Registrant is not licensed to engage in the practice of medicine in Nebraska, the state in which he is registered with the DEA.

¹ Based on a Declaration from a DEA Diversion Investigator, the Agency finds that the Government’s service of the OSC on Registrant was adequate. RFAAX 3, 2–3. Further, based on the Government’s assertions in its RFAA, the Agency finds that more than thirty days have passed since Registrant was served with the OSC and Registrant has neither requested a hearing nor submitted a written statement or corrective action plan and therefore has waived any such rights. RFAA, at 2; *see also* 21 CFR 1301.43 and 21 U.S.C. 824(c)(2).

² Registrant’s Nebraska medical license expired by its terms on October 1, 2022. RFAAX 3, Appendix F.

³ Under the Administrative Procedure Act, an agency “may take official notice of facts at any stage in a proceeding—even in the final decision.” United States Department of Justice, Attorney General’s Manual on the Administrative Procedure Act 80 (1947) (Wm. W. Gaunt & Sons, Inc., Reprint 1979). Pursuant to 5 U.S.C. 556(e), “[w]hen an agency decision rests on official notice of a material fact not appearing in the evidence in the record, a party is entitled, on timely request, to an opportunity to show the contrary.” Accordingly, Registrant may dispute the Agency’s finding by filing a properly supported motion for reconsideration of findings of fact within fifteen calendar days of the date of this Order. Any such motion and response shall be filed and served by email to the other party and to Office of the Administrator, Drug Enforcement Administration at dea.addo.attorneys@dea.gov.

Discussion

Pursuant to 21 U.S.C. 824(a)(3), the Attorney General is authorized to suspend or revoke a registration issued under section 823 of the Controlled Substances Act (hereinafter, CSA) “upon a finding that the registrant . . . has had his State license or registration suspended . . . [or] revoked . . . by competent State authority and is no longer authorized by State law to engage in the . . . dispensing of controlled substances.” With respect to a practitioner, the DEA has also long held that the possession of authority to dispense controlled substances under the laws of the state in which a practitioner engages in professional practice is a fundamental condition for obtaining and maintaining a practitioner’s registration. *See, e.g., James L. Hooper, M.D.*, 76 FR 71371 (2011), *pet. for rev. denied*, 481 F. App’x 826 (4th Cir. 2012); *Frederick Marsh Blanton, M.D.*, FR 27616, 27617 (1978).⁴

According to Nebraska statute, “[d]ispense means to deliver a controlled substance to an ultimate user or a research subject pursuant to a medical order issued by a practitioner authorized to prescribe, including the packaging, labeling, or compounding necessary to prepare the controlled substance for such delivery.” Neb. Rev. Stat. § 28–401(8) (2022). Further, a “[p]ractitioner means a physician . . . or any other person licensed, registered, or otherwise permitted to distribute, dispense, prescribe, conduct research with respect to, or administer a controlled substance in the course of practice or research in this state” *Id.* at § 28–401(21).

Here, the undisputed evidence in the record is that Registrant lacks authority to practice medicine in Nebraska. As

⁴ This rule derives from the text of two provisions of the CSA. First, Congress defined the term “practitioner” to mean “a physician . . . or other person licensed, registered, or otherwise permitted, by . . . the jurisdiction in which he practices . . . , to distribute, dispense, . . . [or] administer . . . a controlled substance in the course of professional practice.” 21 U.S.C. 802(21). Second, in setting the requirements for obtaining a practitioner’s registration, Congress directed that “[t]he Attorney General shall register practitioners . . . if the applicant is authorized to dispense . . . controlled substances under the laws of the State in which he practices.” 21 U.S.C. 823(f). Because Congress has clearly mandated that a practitioner possess state authority in order to be deemed a practitioner under the CSA, the DEA has held repeatedly that revocation of a practitioner’s registration is the appropriate sanction whenever he is no longer authorized to dispense controlled substances under the laws of the state in which he practices. *See, e.g., James L. Hooper*, 76 FR at 71371–72; *Sheran Arden Yeates, M.D.*, 71 FR 39130, 39131 (2006); *Dominick A. Ricci, M.D.*, 58 FR 51104, 51105 (1993); *Bobby Watts, M.D.*, 53 FR 11919, 11920 (1988); *Frederick Marsh Blanton*, 43 FR at 27617.

discussed above, a physician must be a licensed practitioner to dispense a controlled substance in Nebraska. Thus, because Registrant lacks authority to practice medicine in Nebraska and, therefore, is not authorized to handle controlled substances in Nebraska, Registrant is not eligible to maintain a DEA registration. Accordingly, the Agency will order that Registrant’s DEA registration be revoked.

Order

Pursuant to 28 CFR 0.100(b) and the authority vested in me by 21 U.S.C. 824(a), I hereby revoke DEA Certificate of Registration No. FD5611365 issued to Reynaldo De Los Angeles, M.D. Further, pursuant to 28 CFR 0.100(b) and the authority vested in me by 21 U.S.C. 823(f), I hereby deny any pending applications of Reynaldo De Los Angeles, M.D., to renew or modify this registration, as well as any other pending application of Reynaldo De Los Angeles, M.D., for additional registration in Nebraska. This Order is effective March 6, 2023.

This document of the Drug Enforcement Administration was signed on January 25, 2023, by Administrator Anne Milgram. That document with the original signature and date is maintained by DEA.
