Consistent with section 751(a)(2)(C) of the Act, upon issuance of the final results, Commerce shall determine, and Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. If the rate calculated for any respondent, in the final results is zero or *de minimis*, we will instruct CBP to liquidate all appropriate entries of subject merchandise without regard to countervailing duties. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

Pursuant to section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts calculated for the year 2021 for Bharat Forge Limited, except, where the rate calculated in the final results is zero or *de minimis*, no cash deposit will be required on shipments of the subject merchandise entered or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, CBP will continue to collect cash deposits of estimated countervailing duties at the all-others rate or the most recent company-specific rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found to be countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution by an "authority" that gives rise to a benefit to the recipient, and that the subsidy is specific.⁵ For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Preliminary Results of Review

As a result of this review, we preliminarily determine that, for 2020 and 2021, the following estimated countervailable subsidy rates exist:

Assessment Rates

Consistent with section 751(a)(2)(C) of the Act, upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. If the rate calculated for any respondent, in the final results is zero or *de minimis*, we will instruct CBP to liquidate all appropriate entries of subject merchandise without regard to countervailing duties. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

Pursuant to section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts calculated for the year 2021 for Lucchini Mame Forge S.p.A, except, where the rate calculated in the final results is zero or *de minimis*, no cash deposit will be required on shipments of the subject merchandise entered or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, CBP will continue to collect cash deposits of estimated countervailing duties at the all-others rate or the most recent company-specific rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Verification

As provided in section 782(i)(3) of the Act, Commerce intends to verify the information relied upon here for its final results.

Disclosure

Commerce intends to disclose its calculations and analysis performed in reaching the preliminary results within five days of publication of these

preliminary results, in accordance with 19 CFR 351.224(b).⁶

events that occurred since the *Preliminary Results*, see the Issues and Decision Memorandum.²

Scope of the Order³

The products covered by this *Order* are certain corrosion-resistant steel products. For a complete description of the scope of this *Order*, see the Issues and Decision Memorandum.

Analysis of Comments Received

All issues raised in interested parties' case briefs are addressed in the Issues and Decision Memorandum accompanying this notice. A list of the issues raised by parties, and to which Commerce responded in the Issues and Decision Memorandum, is provided in the appendix to this notice. Changes Since the Preliminary Results

Based on a review of the record and comments received from interested parties regarding our *Preliminary Results*, and for the reasons explained in the Issues and Decision Memorandum, we made certain revisions to the subsidy calculations for KG Dongbu Steel Co., Ltd. (KG Dongbu).⁴ As a result of the changes to KG Dongbu's program rates, the final rate for the six non-

³ See *Certain Corrosion-Resistant Steel Products from India, Italy, the People's Republic of China, the Republic of Korea and Taiwan: Amended Final Affirmative Antidumping Determination for India and Taiwan, and Antidumping Duty Orders*, 81 FR 48390 (July 25, 2016) (*Order*).

⁴ On October 21, 2022, we determined that KG Steel Corporation (dba KG Dongbu Steel Co., Ltd.) is the successor-in-interest to KG Dongbu Steel Co., Ltd. See *Certain Cold-Rolled Steel Flat Products and Certain Corrosion-Resistant Steel Products from the Republic of Korea: Final Results of Antidumping and Countervailing Duty Changed Circumstances Reviews*, 87 FR 64013 (October 21, 2022). Additionally, we note that KG Dongbu Steel Co., Ltd. was the successor-in-interest to Dongbu Steel Co., Ltd. selected companies under review also changed.⁵

Methodology

Commerce conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.⁶ For a description of the methodology underlying all of Commerce's conclusions, see the Issues and Decision Memorandum.

Companies Not Selected for Individual Review

There are six companies for which a review was requested, but which were not selected as mandatory respondents or found to be cross-owned with a mandatory respondent. These companies are: POSCO; POSCO Coated & Color Steel Co., Ltd.; Samsung Electronics Co., Ltd.; SeAH Coated Metal; SeAH Steel Corporation; and SY Co., Ltd. For these six companies, we applied the final subsidy rate calculated for KG Dongbu, as this rate is the only rate calculated for a mandatory respondent that was above *de minimis* and not based entirely on facts available. This methodology for establishing the subsidy rate for the non-selected companies is consistent with our practice and with section 705(c)(5)(A) of the Act.

Final Results of Review

We determine that, for the period January 1, 2020, through December 31, 2020, the following total net countervailable subsidy rates exist:

Producer/exporter	Subsidy rate (percent <i>ad valorem</i>)
KG Steel Corporation/KG Dongbu Steel Co., Ltd. ⁷	9.47
Hyundai Steel Company	* 0.27

Review-Specific Rate Applicable to Non-Selected Companies

POSCO	9.47
POSCO Coated & Color Steel Co., Ltd	9.47
Samsung Electronics Co., Ltd	9.47
SeAH Coated Metal	9.47
SeAH Steel Corporation	9.47

⁵ For details on the changes made since the *Preliminary Results*, see the Issues and Decision Memorandum.

⁶ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.
