A supplement was filed on January 13, 2023. The complaint, as supplemented, alleges violations of section 337 based upon the importation into the United States of certain selective thyroid hormone

receptor-beta agonists, processes for manufacturing or relating to same, and products containing same by reason of misappropriation of trade secrets, the threat or effect of which is to destroy or substantially injure a domestic industry or prevent the establishment of a domestic industry. SUPPLEMENTARY INFORMATION:

Scope of Investigation: Having considered the complaint, the U.S. International Trade Commission, on February 3, 2023, ordered that—

(1) Pursuant to subsection (b) of section 337 of the Tariff Act of 1930, as amended, an investigation be instituted to determine whether there is a violation of subsection (a)(1)(A) of section 337 in the importation into the United States of certain products identified in paragraph (2) by reason of misappropriation of trade secrets, the threat or effect of which is to destroy or substantially injure a domestic industry in the United States or prevent the establishment of an industry in the United States;

(2) Pursuant to section 210.10(b)(1) of the Commission's Rules of Practice and Procedure, 19 CFR 210.10(b)(1), the plain language description of the accused products or category of accused products, which defines the scope of the investigation, is "drug products and drug substances that are selective thyroid hormone receptor-beta agonists for the treatment of metabolic disorders and liver diseases";

(3) Pursuant to section 210.10(b)(3) of the Commission's Rules of Practice and

Procedure, 19 CFR 210.10(b)(3), the presiding Administrative Law Judge shall hold an early evidentiary hearing, find facts, and issue an early decision, within 100 days of institution except for good cause shown, as to whether complainant can show that the threat or effect of the alleged unfair acts is to (i) to destroy or substantially injure an industry in the United States, or (ii) to prevent the establishment of such an industry. Notwithstanding any Commission Rules to the contrary, which are hereby waived, any such decision should be issued in the form of an initial determination (ID) under Commission Rule 210.42(a)(3), 19 CFR 210.42(a)(3). The ID will become the Commission's final determination 30 days after the date of service of the ID unless the Commission determines to review the ID. Any such review will be conducted in accordance with Commission Rules 210.43, 210.44, and 210.45, 19 CFR 210.43, 210.44, and 210.45. The issuance of an early ID finding that complainant failed to demonstrate that the threat or effect of the alleged unfair acts is (i) to destroy or substantially injure an industry in the United States, or (ii) to prevent the establishment of such an industry shall stay the investigation unless the Commission orders otherwise; any other decision shall not stay the investigation or delay the issuance of a final ID covering the other issues of the investigation. Commissioner Schmidlein does not support the use of a 100-day proceeding in this investigation. See concurrently filed Memorandum No. C086-VV-002 (February 3, 2023);

(4) Pursuant to Commission Rule 210.50(b)(1), 19 CFR 210.50(b)(1), the presiding administrative law judge shall take evidence or other information and hear arguments from the parties or other interested persons with respect to the public interest in this investigation, as appropriate, and provide the Commission with findings of fact and a recommended determination on this issue, which shall be limited to the statutory public interest factors set forth in 19 U.S.C. 1337(d)(1), (f)(1), (g)(1);

(5) For the purpose of the investigation so instituted, the following are hereby named as parties upon which this notice of investigation shall be served:
