Continuation of the Orders

As a result of the determinations by Commerce and the ITC that revocation of the *Orders* would likely lead to continuation or recurrence of dumping, countervailable subsidies, and material injury to an industry in the United States, pursuant to sections 751(c)(1) and 751(d)(2) of the Act and 19 CFR 351.218(a), Commerce hereby orders the continuation of the AD orders on rebar from Turkey, Taiwan, and Japan, and the CVD order on rebar from Turkey. U.S. Customs and Border Protection will continue to collect AD and CVD cash deposits at the rates in effect at the time of entry for all imports of subject merchandise.

The effective date of continuation of these *Orders* will be the date of publication in the **Federal Register** of this notice of continuation. Pursuant to section 751(c)(2) of the Act, Commerce intends to initiate the next five-year review of the *Orders* not later than 30 days prior to the fifth anniversary of the effective date of continuation.

Notification to Interested Parties

These five-year (sunset) reviews and this notice are in accordance with sections 751(c) and 751(d)(2) of the Act and published in accordance with section 777(i) of the Act, and 19 CFR 351.218(f)(4).

Background

On January 28, 2004, Commerce published the antidumping duty order on PC strand from Thailand.¹ On March 9, 2022, in accordance with 19 CFR 351.221(c)(i), Commerce initiated an administrative review of the *Order*, covering one producer/exporter, The Siam Industrial Wire Co., Ltd. (SIW).²

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), on September 23, 2022, Commerce determined that it was not practicable to complete the preliminary results of this review within 245 days and extended the deadline for the preliminary results of this review until January 31, 2023.³

Scope of the Order

The merchandise covered by the *Order* is PC strand from Thailand. Products subject to the *Order* are currently classified in the Harmonized Tariff Schedule of the United States (HTSUS) subheadings 7312.10.3010 and 7312.10.3012. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to this scope is dispositive. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this administrative review in accordance with section 751(a) of the Act. For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum.

Preliminary Results of Review

We preliminarily determine the following weighted-average dumping margin exists for the period January 1, 2021, through December 31, 2021:

Exporter/producer	Weighted-average dumping margin (percent)
The Siam Industrial Wire Co., Ltd	2.18

Disclosure and Public Comment

We intend to disclose the calculations performed for these preliminary results of review to interested parties with an administrative protective order within five days of the date of publication of the preliminary results in accordance with 19 CFR 351.224(b).

Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs

for Preliminary Results of Antidumping Duty Administrative Review; 2021,” dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

no later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than seven days after the date for filing case briefs.⁵ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.⁶ Case and rebuttal briefs should be filed using ACCESS.⁷

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, filed electronically via ACCESS, within 30 days after the date of publication of this notice. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues parties intend to discuss. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs. If a request for a hearing is made, Commerce intends to hold a hearing at a time and date to be determined.⁸ Parties should confirm the date, time, and location of the hearing two days before the scheduled date.

An electronically filed document must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5:00 p.m. Eastern Time on the date that the document is due. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.⁹

Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any case or rebuttal briefs, no later than 120 days after the date of publication of this notice, unless this deadline is extended.¹⁰

Assessment Rates

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b)(1), Commerce intends to determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject

merchandise covered by this review. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this administrative review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

If SIW's weighted-average dumping margin is not zero or *de minimis* (*i.e.*, less than 0.5 percent) in the final results of this review, and because SIW reported entered values for all of its sales, we intend to calculate importer-specific *ad valorem* assessment rates based on the ratio of the total amount of dumping calculated for each importer's examined sales to the total entered value of those sales, in accordance with 19 CFR 351.212(b)(1). We intend to instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is above *de minimis* (*i.e.*, 0.50 percent). If SIW's overall weighted-average dumping margin is zero or *de minimis* or where an importer-specific *ad valorem* assessment rate is zero or *de minimis*, in the final results of review, we intend to instruct CBP to liquidate the appropriate entries without regard to antidumping duties.¹¹

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by SIW for which it did not know that the merchandise was destined for the United States, we intend to instruct CBP to liquidate those entries at the all-others rate in the original less-than-fair-value (LTFV) investigation¹² if there is no rate for the intermediate company(ies) involved in the transaction.¹³

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse,

for consumption on or after the date of publication, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for SIW will be that established in the final results of this administrative review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously investigated companies not participating in this review, the cash deposit will continue to be the company-specific cash deposit rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, a prior review, or the underlying investigation, but the producer is, then the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 12.91 percent, the all-others rate established in the LTFV investigation.¹⁴ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: January 31, 2023.

Certain Collated Steel Staples From the People's Republic of China: Final Results of Antidumping Duty Administrative Review; Final Determination of No Shipments; and Partial Rescission; 2020-2021

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that Tianjin Hweschun Fasteners Manufacturing Co., Ltd. (Hweschun) and Zhejiang Best Nail Industrial Co., Ltd./Shaoxing Bohui Import & Export Co., Ltd. (Best Nail/Shaoxing Bohui) did not sell certain collated steel staples from the People's Republic of China (China) at less than normal value during the period of review (POR), January 8, 2020, through June 30, 2021. Commerce further determines that Unicorn Fasteners Co., Ltd. (Unicorn Fasteners) made no shipments and Tianjin Jinyifeng Hardware Co., Ltd. (Tianjin Jinyifeng) had no reviewable entries of the subject merchandise during the POR. Commerce also determines that China Staple (Tianjin) Co., Ltd. (China Staple); Shanghai Yueda Nails Co., Ltd. (Shanghai Yueda); and Shijiazhuang Shuangming Trade Co., Ltd. (Shijiazhuang Shuangming) have not established their separate rate eligibility and, therefore, are part of the China-wide entity.

DATES: Applicable February 10, 2023.

SUPPLEMENTARY INFORMATION:**Background**

On August 8, 2022, Commerce published the *Preliminary Results*.¹ For

¹ See *Certain Collated Steel Staples from the People's Republic of China: Preliminary Results of the Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2020-2021*, 87 FR 48153 (August 8, 2022) (*Preliminary Results*), and accompanying Preliminary Decision Memorandum (PDM).

events subsequent to the *Preliminary Results*, see the Issues and Decision Memorandum.²

Scope of the Order³

The merchandise subject to the *Order* is certain collated steel staples which are currently classifiable under subheading 8305.20.0000 of the Harmonized Tariff Schedule of the United States (HTSUS). While the HTSUS subheading and ASTM specification are provided for convenience and for customs purposes, the written description of the subject merchandise is dispositive. A full description of the scope of the *Order* is contained in the Issues and Decision Memorandum.

Analysis of Comments Received

All issues raised by interested parties in briefs are addressed in the Issues and Decision Memorandum. A list of the issues addressed in the Issues and Decision Memorandum is provided in the appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>. *Changes Since the Preliminary Results.*

Based on our verification findings, review of the record, and comments received from interested parties regarding our *Preliminary Results*, we made changes to the margin calculation for Best Nail/Shaoxing Bohui.⁴

Final Determination of No Shipments

In the *Preliminary Results*, we preliminarily determined that Unicorn Fasteners had no shipments of subject merchandise to the United States during the POR.⁵ No party filed comments with respect to this preliminary finding and we received no information to contradict it. Therefore, we continue to

find that Unicorn Fasteners had no shipments of subject merchandise during the POR and will issue appropriate liquidation instructions that are consistent with our "automatic assessment" clarification for these final results.⁶

Partial Rescission

In the *Preliminary Results*, we preliminarily granted Tianjin Jinyifeng Hardware Co., Ltd. (Jinyifeng) a separate rate. However, based on comments received from interested parties and the record information, we determine that Jinyifeng had no reviewable entries of subject merchandise during the POR.⁷ Therefore, we are rescinding this review with respect to Jinyifeng in accordance with 19 CFR 351.213(d)(3) because Jinyifeng did not have a reviewable entry of subject merchandise during the POR.

Separate Rate Respondents

In our *Preliminary Results*, we determined that Best Nail/Shaoxing Bohui, Hweschun, and Jinyifeng demonstrated their eligibility for separate rates.⁸ We received no arguments since the issuance of the *Preliminary Results* that provide a basis for reconsideration of this determination with respect to Best Nail/Shaoxing Bohui and Hweschun. Therefore, for these final results, we continue to find that Best Nail/Shaoxing Bohui and Hweschun are each eligible for a separate rate, as indicated in the table in the "Final Results of Review" section of this notice. As noted above, we are rescinding this review with respect to Jinyifeng in the final results.

The China-Wide Entity

In the *Preliminary Results*, Commerce found that three companies for which a review was requested⁹ did not establish eligibility for a separate rate because they did not file a timely separate rate application or a separate rate certification, as appropriate.¹⁰ No party commented on the *Preliminary Results* with respect to these three companies' separate rate ineligibility. Therefore, for these final results, we determine the three companies at issue to be part of the China-wide entity. Because no party requested a review of the China-wide
